

Hill Oct 11, 1859-

My dear brother

The time draws near when I am to start for West Point. I propose to leave Hill Wed. morning but as Mrs. Hayward wanted me to invite me to stop a day or two with her I think I will not go on to N. Y. till Thurs. afternoon - taking the boat as I before anticipated at Fall River - if it is pleasant on Thursday - If not, ^{pleasant} I shall try to reach West Point the same night by the cars. Your letter will be of great assistance to me. - I do not hear from Mother nor from Rowland. I think it very strange I have not heard from Rowland for so long a time - Fear something is the matter. Nettie gives me frequent news from Belle & he wrote not long ago. Her

school continues 6 weeks longer than
she has a vacation of a fortnight. She
has contemplated spending this with
mother. Delle writes that he does
not stand quite so well relatively
as he did when the "fishing" was
going on. From this I should con-
clude that the best scholars in
his class were troubled with being
"fished" for secret societies.

It is a very cold morn-
ing here. The ground at 7 o'clock
is covered with white frost. This
night must not a particle be
growing in the vegetable world.

I am going to write to renew my
subscription. I have the Independent
go to West Point, but no, I guess
I'll wait till I see what papers you
have to read as the subscription is not
out till the 15th I believe.

Expect me then this week on Thurs-
day - probably the letter - I am about the

same as 2 weeks ago - not much
sensible difference. Have some
enjoyment of Lehn's presence I
trust. Don't mind more fault
& correction - One young man
here is still seeking the Lord - It
has been about a week since he
has been - He lacks faith - Pray for
me as ever - I want the Lord to put
words in my mouth & thoughts in my
heart to converse with this young
man & others.

With much affection for
you & for each member of your
precious family I remain
Your brother

R. W. Howard

My dear Mrs Howard -

I ought to have answered your kind note yesterday but did not - I am very much obliged to you for your invitation to West Point, extended to Cousin Lydia and myself - We are much disappointed that we cannot accept it at present - My cousin has a very severe cold, and Cordelia has a little son born last Friday night - Lydia Tupper will stay with her for a week, and I must not leave home while she is away - Cordelia is very well, and has a fine child which they have named Charles Homes Lloyd Charles for the English grand papa and

Homes for our father—

572 We have had our hall painted
and parlors painted and papered
They look very clean, and are much
improved. I think you will say—

I was very sorry to find another
bundle, besides Mr Howard's coat
after you left— Shall I send them
by express, or in what way? William
thinks he would enjoy spending
a day, with you very much— He
is not busy now, and could go
one day, and return the next, very
well. But he seems to feel a little
diffident about intruding. He says
Mrs Howard did not invite him—
Lydia Crabtree will not leave
for Florida, till the middle of
November, and perhaps we may
be able to visit you before that

time— We wish very much to do so
but I fear we may not—

I hope you are very quietly
and comfortably settled by this time
in your new quarters— I fear you
must have been much fatigued after
the excitement and trouble of moving—

I hope you are all well—
Remember that our house is open
and a welcome ready for any
of your family at all times—

We all wish to be remembered
to "Mr Howard & family"— Cousin
Lydia thanks you particularly for
your kind invitation to her—

I have written you quite a
letter— So will immediately conclude
by assuring you, that I am
very sincerely yours
Maria Tupper

My Dear Howard.

Quent the sewing
machines. They are to be
had (Wheler & Wilson) from
50 to 70 dollars, according
to kind of machinery, and
if Mr Howard desires me to
see about the purchase of
one I will with great pleasure
do so, and as I am personally
known to the Manager I
might aid in getting her one
at the lowest figure.

We shall be happy to
visit you at some convenient
time and hope you will
bring Mr Howard to our small
retreat at Tarrytown. It

will give Mr Bacon & myself
great pleasure to receive
you both - Give our united
kind regards to Mr Howard

Dear Mrs

We left Leeds a week ago
last Friday, and arrived here last
Tuesday morning. have been talking
over since about going up to West
Point, but it has thus far been all
talk, and I very much fear it will
be, for our time is manured down so
now, and we have so much to do that
we cannot see how to get away, and
yet I dont feel like leaving without
seeing you, and if Sarah cannot go
with me I must try and steal away
for a day. Mr Bacon wants us to
go to Canterbury & we would like to go
thru to Philadelphia but I do not
think nor we shall go to either place,
it is getting too cold to travel about with
the children. Do you think of coming down
soon? or is Charles? how is his health now?
I was in hopes to have heard from Walter
Daniel at Snags before this respecting
Charles prospect there, but he had not
red my letter the middle of September.

We think of taking papaya on the
"Kamak", about the 11th for Chaparral
and as the weather is getting so very
cold, begin to feel a desire to get off -
and stopping at Mrs Lyman's in Port Hope
corner Barr & Clinton, but shall go out
to Capt Suckers on Thursday next, where
we shall remain until we leave.

Sarah joins in love to you all

Your Aff. Cousin
H. L. August
