My dear Sir:

Mr Cheney's letter
to you of the 7th inst, referred to
me under your direction by
Mr Alvord has received the
attention desired. I wrote
to Mr C. making known
your reasons for not
acceding to his request for
an appropriation for a
Normal school in Florida
and suggesting ^{in the language of Mr Alvord} that the

I inferred that you would be as willing
to send the aid to the Chicago as to
the Boston Assoc; and shall abide
in this opinion unless I hear from
you to the contrary

Respectfully
Yours

Some appropriation would
probably be made toward
the establishment of a
normal school in Mississippi
or Arkansas as was
promised to Raleigh.

In my letter I have
received the enclosed reply.

I have written to
Chicago saying to our
Branch there that if they
should choose to start a
normal school in either
Miss. or Ark. they might
reasonably count on an
appropriation of not less
\$5000 from the Bureau in
aid of their enterprise.

Dear General

I called on you
last evening but did not find you at home.
You have no doubt seen or heard of the outrageous
insinuations with regard to the "University" property,
published yesterday in the "Express" -
My first impulse was to reply to the article but,
on reflection, I have deemed it best to consult you
with regard to the matter & I would be glad to have
your views & any reply which you considered apro-
pos (if it be worth while to notice the matter at all)
or any facts, or laws bearing on the subject of accu-
sations (or on the "Barry Pains" - which will probably
be next in order) which you may wish noted -
I will be pleased to have published over my own
signature & responsibility.

Very Truly & Respectfully Yours
