Gen. O. O. Howard.

I am almost crazy to think

I am not able to meet my note of the 1<sup>st</sup>.

(Money faithfully promised me on the 15<sup>th</sup> has not been paid me yet. I cannot leave my Office to see about it- for fear of being discharged. Just as soon as this panic is over I will get a few days leave and see to it. I am very sorry to have to say this to your Christian's confidence makes it doubly so

Yours very respectfully  
O. B. Stanton

I am almost sure to think  
 that not only the most my note of the 1st  
 money but also the provision for the 1st  
 to not be paid. I cannot but  
 think the fact is about 4-5 per cent of being  
 paid just as about as the fact is  
 I will get a few days later and see  
 if any more money is due to pay. I think  
 that Christian's confidence is in the bank.  
 Yours very respectfully

My dear Genl. Howard,

I feel  
that I may trouble you,  
and that you will help  
me with your advice.

John, who is now at  
Fort Macon, N. C. becomes  
by this consolidation Capt  
in the 25<sup>th</sup>. I think the  
senior one. He writes to  
me for advice, whether  
to accept or be put on  
the list "awaiting orders."

His father's present  
state of health makes it

88  
very desirable, if not necessary for him to be near us.  
I have no one on whom I can depend for this trying time. - Pennington you know is in California - Clara very delicate in health there; and my great reliance Hein, will not probably return from Europe this summer.

Again, John has already had very severe attacks of malarial fever for two successive years, while at Orangeburg and at Goldsborough: both almost fatal: and the Surgeon in Raleigh to which place he was kindly taken by the Paymaster who found him so ill in G.

wrote me, he would in all probability be subject to such attacks in that climate making him unfit for duty.

On the other hand, I do not feel justified in advising or begging him (even for our sakes) to put himself in a position to be dropped from the Army in a year or so - or run the risk of being ordered to some more distant or unhealthy climate. - I would like to be sure to have him <sup>near & on duty</sup>. I am sorely at a loss.

Can you take time to think for me - but if you cannot consistently with your many duties I shall not be hurt or if you choose send your advice direct to him at Fort Mason.

BALTIMORE, March 29th, 1869.

CALL FOR A STATE CONVENTION OF COLORED MEN.

TO THE COLORED REPUBLICANS OF MARYLAND,

*Fellow Citizens:*

Having been duly *authorized* a Committee to draft a call, by a very large mass meeting of the most influential Colored Republicans, assembled in Douglass Institute, Baltimore, Thursday evening, March 25th:

We issue the following call for a State Convention of Colored men, to assemble in the City of Baltimore, at Douglass Institute, on Tuesday, June 1st, at 12 M.

The objects of the contemplated convention are:

1st. To organize our brethren in the Counties of our State, and the wards of our city, a political unit, looking toward equal rights with decided political machinery.

2d. To further by whatever influence we can bring to our aid—the ratification of the 15th Amendment to the Federal Constitution—which guarantees equal suffrage in every State without distinction of race, color, or previous condition.

3d. To call the attention of the people of our State to the wrongful and unjust position which we, as American citizens, born upon the soil, are compelled to occupy in this Commonwealth.

4th. To organize a Colored Republican State Central Committee to look after the political interests of our race in the counties of the State, and perfect said organization. Said State Central Committee to continue until we are absorbed into the Republican party of the State, by securing to ourselves and our posterity, the elective franchise.

We cannot but expect good results from, and ready response to, a Convention convened for the above stated objects, and anticipate the hearty and continuous co-operation of our brethren from the counties and cities of our State in working out the great reform tending toward equal rights for all human beings.

Therefore, let us show to the world in Convention that we, as consistent Republicans in the State, shall ever hold dear and venerate as the sacred boon of our birthright, *the advanced principles of Republicanism* advocated by those devoted, consistent standard bearers and faithful friends of our race, President Grant, Judge Hugh L. Bond, and the great Republican Party of our whole country.

Any correspondences or information relative to the Convention will be received and attended to by R. B. SORRELL, Corresponding Secretary, No. 11 Lexington Street, Douglass Institute, Baltimore, Md.

COMMITTEE:—H. J. BROWN, M.D., R. B. SORRELL, J. H. DOUGLASS.

Space will only permit us to give a few of the very large number of our influential Republicans who have signed the manuscript call.

Respectfully, yours,

CAPT. GEORGE A. HACKETT,  
COL. DANIEL YOUNG,  
JOHN W. CREEK, M.D.,

M. L. DUFFIN,

CYRUS M. DIGGS,

BRETHREN: There is an opposition call for a State Convention to meet on the 17th of May, which, we hope, Colored Republicans in the counties and wards of the cities of our State will pay no attention to whatever, as it is a nefarious scheme to deceive you. But appoint your delegates to the first of June Convention, and let us by unity of action make one grand effort for Impartial Suffrage.

The Doctor is a hard working man & has impaired his health I think, in the service & has become quite nervous. I would esteem it a favor if he could get something more tangible than any reply I could send him -

Washington D.C.,

Dear Sir,

I have long had in  
contemplation a life of Abraham  
Lincoln written for the special  
benefit of the Freedmen.

Could such a work be put into  
circulation among them? Through what  
channels could they best be reached?  
This is the first question with the publisher.  
Are enough of them able to read  
to create such a demand for the  
book as to justify the undertaking?

I am impelled to this by a  
desire to aid in lifting up this  
people and not from any expecta-

time of a great pecuniary reward.  
I believe that a faithful portrait  
of their great friend & emancipa-  
tor would be a valuable book  
for them.

Will you do me the kindness  
to give me your opinion on the  
points named!
