Dear Brother

My order came today, soon after Siggie's welcome letter. I go to New Mexico & then to Arizona & will expect to leave here Thursday forenoon via Omaha & Denver. Mother proposes to go to Omaha. I shall try to dissuade her if it continues so cold. But if it moderates doubtless she can go safely & comfortably with me. We would arrive Friday

out my recent recommendations  
as to the Navigators - a new  
agent & c - Yours with love

C. H. B.

morning & I worked stay  
over with you until  
that afternoon at 5 P.M.  
When I worked took the  
short-cut or "cut-off"  
route to Denver reading  
there Saturday evening.

We are well as usual  
& our house has been  
comfortable with thermom-  
eter 30 degrees below zero.  
We never knew it so  
cold before - My  
orders complete what I  
began last summer. I have  
every reason to believe I  
have the confidence of the  
Secretary. He has come

General Howard.

Dear General.

I hope Mr Wood's investigations in our city has proved satisfactory. He had called on me at my place of business & I suppose he has seen what I am & that I am employed by a good firm. I also hope Dear General that you will if you possible can pardon him. I made an error in my letter to you but I suppose Mr Wood has rectified the same as I told him to be kind enough & do so. I have written to Fred Petre in which I give him plainly to understand how to act in future. In case the address should not be correct & the letter should reach you will you please & have

it forwarded to Fred Setre by so doing  
you will greatly oblige me.

Very Respectfully Yours

In case he gets pardoned, you  
will he be accepted in his company  
or will the government transfer him  
back to N.Y. again to go to work  
which would be the best, his relatives  
could look out how he would behave  
himself. And could have some control  
over him again.

~~General~~

My dear Genl:

Your letter came  
this morning. I write in haste  
to inform you that I have  
never made, or permitted  
to be made, a requisition or  
application, written or verbal  
for any public accounts  
or public property, the duty  
applying to the office of register  
during of the war, without  
going through the proper military  
channels, & that matter has been  
referred to the proper  
authorities for their consideration.

to <sup>2</sup>Confront any such  
breach of military property  
whereby Genl. Sheridan re-  
spected the transportation  
of the Box, he remarked  
that it was the work he  
had ever seen at any post.  
He then ordered his Chief  
Quartermaster to make note  
of it & saying he would  
order the load six times  
that Major Lead had in  
his report at Cheyenne  
to be sent here, that he  
intended Douglas to be a  
show post, that we must have  
have the best of everything.  
Also stating that the present  
mules here should be turned  
into Cheyenne. Report for  
the capture of the mules.

The first business of the morning  
 is to attend to the  
 accounts of the  
 day. The first  
 thing to be done  
 is to see that  
 the books are  
 kept up to date  
 and that the  
 entries are  
 correct. It is  
 also necessary  
 to see that the  
 cash is  
 properly  
 accounted for  
 and that the  
 balance is  
 correct. The  
 next thing to  
 be done is to  
 see that the  
 bills are  
 paid and that  
 the receipts  
 are properly  
 entered. It is  
 also necessary  
 to see that the  
 accounts are  
 balanced and  
 that the  
 entries are  
 correct. The  
 last thing to  
 be done is to  
 see that the  
 books are  
 kept up to date  
 and that the  
 entries are  
 correct.

P.S. As the application for  
the return of Sr Ingalls to  
his company at Fort Hall  
was based upon the fact  
that I wanted an officer  
to relieve 1<sup>st</sup> Lt. Jno. Carlant  
of his duties at that post,  
so that he could come at  
once to Wagon to relieve  
Sr Pruney of his duties  
as R. Sgt. & as such  
I am tired of Pruney, I  
can't stand him any longer.  
He must go to a company,  
when Sr Ingalls gets back  
I will apply for an order to  
have Carlant ordered here  
for this duty, and when  
relieved Pruney can go to Hall  
with the company any day  
if desired.

~~At the request of the~~  
the return of the papers to  
this company at that time  
was passed upon the fact  
that no interest was offered  
to release the papers  
of his estate at that time  
of that the Court gave an  
order to release to release  
the papers of his estate  
as per the order of the

My Dear General:

The "Highland" bank stock was transferred in the proportion named in the Power of Attorney on the back of the Certificate, executed by you. I compared it myself on receiving the new certificate.

Chas. Mitchell, at the Quassaick Bank tells me that he gave you the rest of your stock when you made a former payment; and this agrees with my recollection of the matter.

Beloved General,

This Wymore only 20 months old, 1400 people well built B. B. stations (Division Stations) on the B. & M. B. 3000, Cong. Church to be dedicated next Sab.

The community is low religiously as spiritually & they need everything from that side.

General, they need you immensely for a Sab.

Do here 3-40<sup>set</sup> P.M. to have 11-10 Mon, morn. & to believe any Pastor Rev. C. E. Harwood, will write you most importantly

Dear General:-

Perhaps you will remember of my writing you last year asking for your autograph and of stating that I was named from you. I am 17 and my good father and mother decided to name me from the "Christian soldier," <sup>when that eventful time of my life came to pass</sup> <sup>some name to my great one</sup> My father is pastor of the M. E. church here and has been a minister 25 years. My uncle had the pleasure of meeting you last year when on the excursion of the Mass. Press Association. But I put this in as a little preface. I am very hardly trying to secure for my autograph album the names of

all the distinguished Union  
generals. Thus far I have secured  
those of the  
Generals

Winfield Scott,  
Benj. F. Butler,  
Geo. B. McClellan,  
P. H. Sheridan,  
Dant. E. Sickles,  
W. S. Rosecrans,

O. O. Howard,  
Robt. C. Schenck,

I lack Generals Bukside, Meade,  
Hooker, Thomas, Kilpatrick and Kearney.  
Now I beg indulgence for in-

you would be willing to sell.  
I want them very much and

will meet with your attention  
at some leisure moment.

Gen. & Mrs. O. O. Howard,

Allow me dear Madam  
to address you also, as far so many years  
I have known & deeply loved your husband.  
It has been true in all ages that Gods  
people have covenanted with Him, what  
an honor that worms of the dust, & creatures  
of a day may make agreements with  
Him who spoke from the bush, burning  
as it was, & not consumed.

This state you would say, based on  
faith in the plan as outlined.

The world  
has yet to see how God will use one

himself acting as State Evangelist, as  
the leader of the Committee.
