Sir;

In reply to your communication of the 12th inst., I have the honor to state that Private Frank E. Ward, Troop "B" 6th Cavalry, is confined at this post, charged with desertion; that he enlisted May 4. 1889 at Boston, Mass, deserted from Fort Myer Va., June 5. 1889, and was apprehended at Boston, Mass. July 16. 1889. His trial by General Court Martial, convened by par 2. S.O. #228 Hd. Qrs. Division of the Atlantic, dated Oct 4. 1889, has been begun, and is delayed awaiting instructions

My Dear General,

October 14th 1899

I beg you will pardon me for writing personally upon an official subject, but I wish to emphasize if possible my application for a Chaplain at this post, a good chaplain. We are now left without any religious services, on the whole Island. And from what I can learn there will be no assignment of priest or minister here, this winter. There are two vacant sets of quarters, (Lieuts. Cowles & Davis being absent) It would seem as though some of the posts within cities, or very near, might better dispense with a chaplain than some of those of the frontier. You may have no chaplain in your Division you can send, but possibly elsewhere one can be spared.

Very Respectfully, Your Obedient Servant,

Major General O. O. Howard

Dear Uncle Otho:

Your favor of the 12th inst. at hand
Today. I should not have asked you but it seem-
ed as though no one else could help me.

I saw Mr Harry Saturday at Colo. Exp.
and he told me that the position was open
to me Jan 1st and that mean time he could
offer me something that would give me a
chance to keep Exp. My back bone will carry
me a while and by hook or crook I can
manage through I hope. Please say nothing to
Nathan in regard to the matter as it only
wornies him and does not mend matters.
Everything looks brighter ahead and if I
can bridge over till Jan 1st I will be
all right. I have cleaned up my small
bills and got things into the hands of two
men who are friends. Love to all at Governors
Island. Helen is pretty well and sends love

When I saw of the 1st inst. at last

I saw Mr. Henry at the office at 10:30

be done in regard to the matter as it only
occurs but and also out around matters.
Every thing like rights which and I

Ever dear Sir

I received a kind letter
from you and thank you
many times over it found me
just getting around I had been very
near death's door from nervous
prostration the result of sun stroke
and as I grow older the harder they
come and in a little while they will
be the last for each time they are
worse than death and in his own
good time I shall be taken and
I will abide his time though it
seems hard to bear them, but
I know he doeth all things well
and I have only to wait I thank you
for the little book you sent
me and will say I would not

with it I have to depend on ~~the~~
for reading but thank God I have
my senses but I have a hard lot
three of our family the past year

mother Old Hosea Bolton was my
mother's great uncle and when she
was a girl he used to come then after

My Ballou killed at Bull Run

Dear Sir:
