General,

Having seen a press notice of your book
"The New York Campaign '1889", I should very
much like to know where I can obtain it, as
I served all through this campaign, under your
Command, being a member of Colonel W. H.
Miller's Battery "C" 11th Artillery, and attached
to the Newitzky Battery, under Lieut. W. G. Otis, from
its formation at Port Lapwai, ID to the termina-
tion of the Campaign.

My Dear General: -

I remember you were kind enough to say that you would be glad to be of service to me in the matter of that now famous Court martial, if you could be, an offer of which I shall be proud to avail myself now.

The Catholics are straining every nerve to defeat my confirmation. Mr. Gorman, the Clerk dismissed from this Office, and who in revenge stirred up originally this Catholic opposition, now fearing that it may not accomplish all he wishes, has ransacked the files of the Cincinnati Commercial-Gazette and copied its garbled account of the court martial. This is being used against me among the Senators, and will be used to the utmost.

The nomination has been sent to the Senate, has been referred to the Committee on Indian Affairs, and is now under consideration. They have had one meeting, will have another next Thursday, and meantime will learn what they can.

I will be very greatly obliged if you will be kind enough to address a letter to the Committee, stating as strongly

Dear Sir, I am very much mortified at the mistake of several correspondents. I simply mentioned some names of acquaintances, stating that they were merely "personal", having nothing to do with business. I gave, as I thought, no one any right to address you at all, and of course you will not reply. If I did wrong, it was unintentional. While perhaps I might incidentally mention knowing you and several other prominent men, I thought I fully guarded any information on the part of my correspondents.

Very Respectfully, W. F. Bainbridge.
