Gen. O. O. Howard, U. S. A.

Dear Sir,

I have recently received a letter asking me to use my influence to persuade Congress to ask - 1st That Chaplains shall be authorized to select their own quarters; 2nd, That they have Rank, Pay and Allowances of officers of their grade; 3rd. That in insignia of rank, and in uniform, they have the same as other staff officers of their grade;

I do not wish to act unadvisedly in this matter and so will be greatly obliged if you will kindly give me reasons why Chaplains should not be allowed these privileges.

Is there any hostility toward the Chaplains, in depriving them of their rank?

Does the absence of any insignia of rank

degrade him in the eyes of his associates?
Or will it on the contrary tend to put him
in a position to do greater good among
the soldiers?

Will you please give this matter
your early attention. and oblige

Yours respectfully.

General O. C. Howard
New York:

Dear Sir:-

It is proposed by the Christian Endeavor Societies, of Mountclair, N. J., to hold a convention of the local and neighboring societies, with the design of accomplishing for the members of these societies a result similar to that accomplished by the Philadelphia Convention for those who were able to attend, and also to arouse in the community a real appreciation of the Christian Endeavor Society and its work. The meeting will be held in the evening at one of the churches, and the exercises will consist of one principal address and one or two short talks, after which a resolution will be introduced providing for a similar meeting every six months.

Although I am personally unknown to you, I take the liberty of extending to you, for the societies, an earnest invitation

to make the principal address on this occasion, and if you can make it convenient to so favor us, I will ask you to name two or three dates within the next month or six weeks, from which we can select the time of meeting.

If your reply is favorable, I will communicate further details as soon as arranged and if desired, will take pleasure in calling upon you to explain our plans more fully.

Very respectfully,
C. S. Olcott

Dear Sir:

St. Augustine, Fla.,

Jan 11th 1890

I learn from officers at the Barracks, that as the orders now stand they will return to Atlanta with their commands in the spring; that they would prefer not to move, and I feel confident that Col Jackson in command would record any efforts made to change the orders.

I consider the removal of the troops every spring, returning in the fall as a serious reflection upon the healthfulness of St. Aug. and fear that this action of the Government will be quoted as evidence that it is admittedly unsafe to reside in St. Aug. except in winter.

Permit me to suggest that you present this matter to Gen Howard and while there have the orders for the removal of the troops in the spring countermanded. Yours W W Dewhurst

I have four officers of the 1st Cavalry, that in the order
 was stated they will return to Atlanta with the command in the spring.
 The other would prefer not to move and I feel confident that the Government
 in command would accept any effort made to change the order.
 I consider the removal of the troops unnecessary, returning in the fall as
 a serious reflection upon the healthfulness of St. Louis and fear that the
 action of the Government will be quite as serious that it is absolutely
 unsafe to reside in St. Louis except in winter.
 Permit me to suggest that you present this matter to the President
 and advise that in this hour the order for the removal of the troops
 in the spring is unbecomingly. You W. W. Woodburn

Dear General Howard,

I enclose a letter from W.W.Dewhurst, my attorney in St. Augustine. It seems to me that Mr.Dewhurst's deductions are correct, and that the removal of the troops from St.Augustine every spring, is a serious reflection upon the healthfulness of the town, and I fear that this action of the Government, will be quoted as evidence that it is unsafe to reside in St.Augustine except during the winter. Since Nov.1885, I have had employed in St.Augustine, a force of nearly 1,000 men, many of whom have taken their families south, and I am yet to learn of a single man of all this force, who does not regard St.Augustine as one of the most healthy places, for an all the year around residence.

I was in St.Augustine about two weeks in the latter part of Dec., and found the place more attractive than ever. Mrs.Flagler and I hope to return to St.A. on or before the 15th of Feb., and I sincerely hope that we shall have the pleasure of a visit from Mrs.Howard and yourself during the winter. I have completed the R.R.Bridge across the St.Johns River at Jacksonville, and the Vestibule train runs through to St.Augustine, as do also several of the sleeping cars.

Hoping that you have escaped the prevailing epidemic, I am,

Very truly yours,

Gen'l O.O.Howard,

Dear Genl.

I am here
looking after sister Lizzie
Howard's chances for the
P.C. at our place Lebanon
Ky. Your very kind good
and strong endorsement
of her is conspicuously
on file and for which
and your good wishes
allow me to say for her
and self we thank you
most sincerely.

I should have written you
to this effect on rec'd. of
your favor had I not

expected to have been
in N.Y. last month
and thanked you in
person. I feel we have
a good case and with
your endorsement did
Mr Wannamaker decide
it would have more
hopes; but as he leaves
most of these small
P.C. to the decision of
Mr Clarkson his first best
P.M. I am afraid of the
petition; though the
two leading applicants
have preferred charges
against each other
which I have no doubt
are true and the depor-
tment may compromise
on sister Lizzie.

If you could give me

any further advise
in the premises
it would be most
highly appreciated.

Sincerely &c
O. W. Howard

Englewood P.O. Chicago Ill. Cor 6th & Halish Ave.
Major Genl. P. O. Howard: Jan 16th 1890

My Dear Friend: I have just rec'd a letter from my dear Br. Otis Smith, who writes, of receiving a letter from Genl. Bauman Commissioner of Pensions, informing that they had received the report of the examining Board, and that he had rec'd a communication from Genl. P. O. Howard in his favor, and his case would receive prompt attention "when his turn comes". While we are very thankful for thy thought of our suffering brother, yet, I despair of help coming from Govt, before he is called by the Great Commander, to the mansions of rest, where sorrow, pain, and dying, are no more known. What have we to base a hope of relief, if we are to wait for his "turn"? when not only hundreds, but thousands are ahead of him on the docket? I have known of suffering cases, that have received their pensions, without their regular turn, being waited for. Then why not in my brother's case? Knowing what he and his noble wife have suffered, for these many years, I cannot help feeling very sad, as he is

beyond my reach to aid him in any possible way.
But as I wrote thee, I must leave my suffering
brother in the hands of the Lord and with the
Authorities in Washington D.C.

All of earthly goods they have left is
their mountain wilderness home, where they
built a little log house, or hut. And both cleared
a garden spot, where they raised 3 tons of potatoes
they both dug and put in sacks, upon their hands
and knees, as neither of them could stoop, on ac-
count of ulcerations in the rectum with him;
and the rupture in her side, caused by lifting and
hard work. But as their friends helped her to a truss,
she is somewhat relieved. But no relief can
come for my poor brother, unless pension
can come to his temporary relief. I know I am
too presuming upon thy precious time. Please let
my sad heart over my brother, plead my excuse
for this trespass upon thy attention. May God ever be
thy rich reward. With highest regard, accept prayers
for thy present and everlasting wellbeing. Laura S. Flanigan

Gen. O. O. Howard,

Governors Island, N. Y.

Dear General:- I have the honor to acknowledge the receipt of your favor of January 10th, inclosing remarks *on* the bill to facilitate promotions in the Army, etc. If the bill has been introduced in the House it has not yet reached my committee. If it should do so, it will go to the sub-committee of which I am Chairman, composed of the five leading members of the committee, and it will have careful and deliberate consideration. It does not strike me, however, that such general legislation is advisable. An officer may have served as a general *officer*, of volunteers for a very brief period, perhaps, just at the close of the war, while his actual rank, at present, in the establishment may be only that of captain or major. This bill would retire him on the highest full grade that he held as an officer of volunteers. With all due deference, I am under the impression that the bill would not be popular in the House, and would probably fail of passage, and would prove an injury rather than a benefit to the retired list.

Dear General: I have the honor to acknowledge the receipt of
your letter of January 1st, inclosing remarks on the proposed
amendment to the Army Bill. The bill has been introduced in the House
and has not yet reached the committee. It is possible that it will be so
early as to reach the committee on the 1st of February, composed of the five leading
members of the committee, and it will have to be considered con-
sideration. It does not strike me, however, that such general legislation
is advisable. As of now we have served as a general, and it is
necessary for a very short period, perhaps just at the close of the war,
while the actual work is present, in the establishment of only that
the spirit of war. This bill would retire him on the highest full
grade that is held as an officer of volunteers. With all the defense
I am under the impression that the bill would not be popular in the ho-
use, and would probably all of passage and would prove an injury rather
than a benefit to the United States.

There is a little jealousy among the old volunteer officers, who are either receiving very small pensions or no pensions, ^{of} the retired officers who live somewhat easily upon their three quarters pay, and many of them, at the same time, carry on some prosperous private business.

We need to be a little careful in handling this matter ~~of~~ the retired list, but the bill shall have, as I said, careful consideration.

Yours truly,
