Dear General Howard,

I have your favor of the 16th inst. with stated enclosure, which I return herewith. Also, copy of a letter I wrote Mr. Alpheus H. Hardy on the 29th ult. As this letter to Mr. Hardy covers the ground, I do not see that I can add anything to it, and, while I am disappointed that I am unable to assist in this work, I feel that justice to myself and family compels me to decline.

With kind regards, I am,

Sincerely yours,

Dear Sir:--

Upon my return to N.Y. after an absence of several months in Fla., I find your favor of ---- date, asking "aid for the building of a Students' Church near the National University and other National Schools in Tokio, Japan."

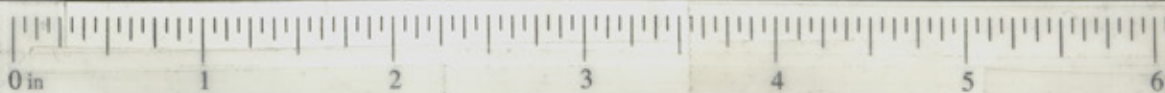

I note your reference to Mr. Ise, and his remark that I had promised to write to the treasurer of the fund for this subject. I am unable to recall making such a promise, and think Mr. Ise must be mistaken. The subject about which you write is an interesting one, and the amount asked for, may to one of my reputed wealth, seem small. Your appeal however, is but one of many daily received, and though often disposed to respond favorably, it would exhaust the purse of a far richer man than myself to do so in every case.

My expenditures during the last few years in the erection of churches, for Christianity and Charity, have been enormous, and have reached a magnitude so far in excess of my expectations, that I find it necessary to discriminate with the utmost care. I feel therefore, that in justice to pledges already given, I cannot consistently grant your request.

Wishing you success in your undertaking, and that the requisite sum may be speedily forthcoming,, I am, Dear Sir,

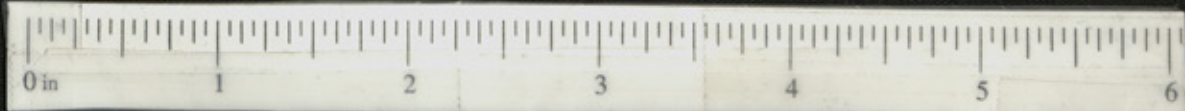

Very truly yours,

Signed, H.M. Flagler.

My dear General:-

I had some talk with your son about visiting Sandy Hook and the Forts.....It is now my intention to be in New York next Wednesday morning and if on time I can get to Pier #3 soon after eight o'clock. I do not know whether the Quartermaster's or the Ordnance boat is the better one, and have not written the Quartermaster, but will leave you to make the arrangements. If I find Tuesday morning --as is possible-- that I shall not be able to make the trip, will telegraph you.

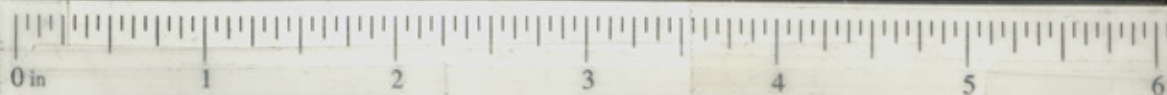

I have asked Senator Plumb, who is one of the Committee on Appropriations which has the Fortification Bill in charge, to meet me in New York Wednesday morning and take the trip. It is possible he will do so but hardly probable.

I should be glad to have you and your son go with me if entirely convenient but not otherwise.

Respectfully yours,

Maj. Gen. Howard:

Dear Sir:

My friend Capt. C. C. Duncan has informed me that he has invited yourself and Mrs. Howard to be his guests at the time of our graduation exercises. I told him that we should hope to have the privilege of entertaining you Monday night, as there will be prize declamations that evening and we desire you to serve as chairman of the committee of award. Mrs. Sawyer and myself would consider it an especial favor if Mrs. Howard would accompany you. Our graduation exercises will close with a collation at 1 o'clock.

Mr. Moody is very desirous that you should deliver your lecture on General Grant, in the Seminary hall, Northfield, Tuesday evening. Graduation at the Seminary occurs Wednesday. We are about four miles from the Seminary. If you can gratify Mr. Moody as to the address Tuesday evening you could

go to Capt. Duncan from here Tuesday afternoon.

As trains are now running you could leave New York at 9 a.m. and arrive at Mt. Hermon about 2:30 p.m. - or you could leave New York at 11 a.m. and arrive here at 5:17 p.m. Usually a White Mountain train is put on before June 17, running through from New York without change of cars and passing here about 2:30 p.m. Will inform you if such arrangement is made this year. Conveyance will meet you at Mount Hermon station.

My Dear General:- I wrote you very hurriedly just as I left Washington, and in thinking of it fear that I omitted to state that I wanted to return to take the Congressional Limited at 3:40 Wednesday afternoon. On account of the short time, think my visit all around had better be entirely informal. The purpose of it is to get from personal observation a little general acquaintance with the posts about New York. If Senator Plumb should come, I should consult his wishes about the places to visit; he may prefer to go to Willett's Point, but otherwise should go to Sandy Hook and Forts Hamilton and Wadsworth first and if there was time after that to go to Willett's Point to do so. Shall take my breakfast on the boat, and as I am not in the habit of taking lunch shall not need to delay for that purpose, as I can dine on the train. I do not wish, however, to starve you on the trip, but mention it to let you know that I shall need nothing of the kind.

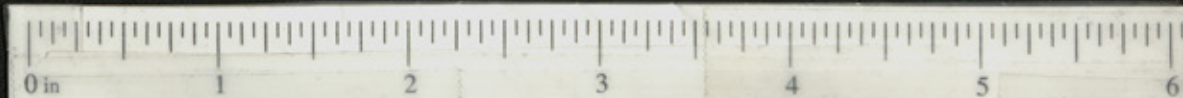

Very truly yours,

My dear General,

I am going to close the lecture course here the Academy of Anthropology on the 27th inst. at 3.15 p.m. at 129 University Place, N.Y. City. My topic will be "Our Republic; her citizens and her needs". After briefly reviewing the history of the Republic's politics, I shall proceed to take up the various reforms necessary, viz: The necessity for Coast defense & a good navy; Municipal Reform in the cities of the U.S.; Labor Reform; The Alcohol question; The necessity for Christian Statesmen to replace machine politicians; Ballot Reform;

An Educational qualification for
voters; Restriction of immigration,
etc. and finally the Family - The Church
and the State. Will you not be
present, take a seat on the platform
and follow my paper with some
marked relation to a letter by Stein
Coast defense, necessary for
the highest good of our country and
also as to the necessity for the young &
progressive men of both parties to
unite in an endeavor to place
Christian Statesmen in office in
place of Machine Politicians, who
in all our large cities (which have an
80% of foreigners) are chiefly chosen
from the liquor elements. Bad & incompetent
men do not make good laws.

Very Respectfully,
Yours Obedt. Servant,

Gen. O. O. Howard,

Dear General,

The annual ~~June~~
parade of the Sabbath Schools of
the Eastern District (all denomina-
tions) takes place on June 5th.
Twenty thousand children in
bright array with banners
will be in line & march
on Bedford Ave - the finest
street for such a purpose
in the city. It is, every year,
a spectacle such as can
hardly be seen in any other
place in the land.

Before the parade, each
school has exercises in its

own church; music, addresses,
+c.

Last year Mayor Chapin
spoke in my church.

This year the school re-
quests me to offer to Gen.
Howard assurances of our
high regard & to invite
him to make the address
in my church, - an address
of fifteen or twenty minutes.

Will it be possible for
you to do so on Thursday
June 5th at 2 P.M.?

After the exercises in the
church, ^{+ during the parade} the schools would
be glad to have you oc-
cupy the reviewing stand
with the Mayor, the stand
being near my church.

Please come if at all possible.

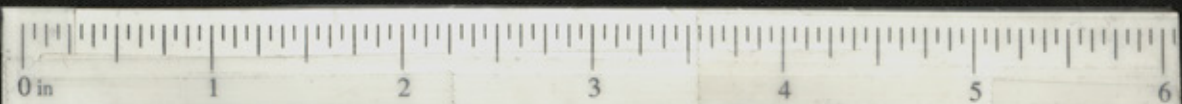

If you have never seen Bedford Ave. with
the Sunday School Army parading on it, let
me assure you that it is a sight
which even a war-general may con-
sider worth seeing; especially if he be
a Christian General who himself belongs
to the army of the Lord.

My dear General,

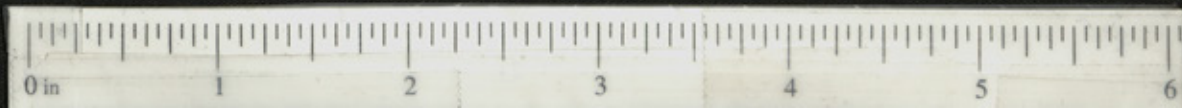

After so long time the matter of your entertainment - and Mrs. Harwood - in this neighborhood is arranged. I wrote to "General" Moody as soon as I received your letter, and enclosed it, asking that you might come to us; but "large bodies" move slowly; and after waiting a week I wrote again and then received a verbal message to the effect that he was very willing you should come to us, but that the whole matter was in the hands of Prof. Sawyer (the Major General, Commanding the Mount Herman

Department.) and that I must
apply to him. I did so and
have this reply. You are
needed at Mt. Hermon on Monday
evening 16th at some exercises
in which you are to take
part. So if you come up
from New York on Monday, you
will reach Mt. H. about 2.30 P.M.
remain there all night with
Prof. and Mrs. Sawyer. Next
day, Tuesday, the College exercises,
at which you are to speak,
will be in the forenoon. After
that a big public dinner,
the whole closing at about
3 P.M. When I shall be
permitted to pick up you
and Mrs. Howard and bring
you to our home. So far
a pleasant and convenient
programme.

On Tuesday evening you

are to speak at the Seminary
Hall - a short mile from
my house and to this I will
drive you and bring you back.
Wednesday I believe is to be
the Seminary Commence-
ment. So the first three
days of that week are to
be pretty full for you. And
I would suggest that you
- and Mrs. Howard - come up
on Saturday 14th. Come right
to my house, have a quiet,
restful and pleasant Sunday,
very likely hear Mr. Moody
preach. And on Monday
evening I will drive you
over to Mt. Hermon. Come
prepared to stay the week
out, and bring Mrs. Howard!
Please let me have a line
in reply when your plans are made.
Very truly yours C. C. Deming.
