My Dear General

I notice by the newspapers that
Genl Sherman died last Saturday. I am not advised what if
any arrangements are made for funeral ceremonies in N.Y. all of
his comrades in the War of the Rebellion would, without doubt, be
pleased to attend his funeral. I don't know how many of the General
officers who served under him are living. In the Corps to which I
belonged all the division commanders are deceased. ^{4th Capt Gen Butler field} Of the Brigade
Commanders ^{in the 3rd Div} The President Gen. Harrison. Coburn myself survive. I
don't know how many of the Brig. Commanders in the 1st & 2^d Divs survive
of them are to be funeral ceremonies in N.Y. I am desirous of being
present if the surviving officers are to attend and take part in the
ceremonies as such. The gall bravos will I conclude be taken from
the officers highest in rank in army, volunteer & regular. If my
presence will add any thing to the solemnity & imposing effect ^{of the profound ceremony} it will
afford me melancholy pleasure to ~~part~~ take an humble part in them.

I know the honor to be funeral. Very Respectfully

Yours obt Servt James Wood

Dear General

I see by this
mornings dispatches

that you are requested
to take charge of the
funeral of General Sher-
man and to accompany
the cortege to St Louis.

As we are on the
direct Pittsburg line
from Columbus to St
Louis I presume your
train will pass through
here but probably we

would have no opportunity of seeing you as you pass through but we thought as the funeral was to take place on Sunday in New York and the final ceremonies would probably be on Saturday in St. Louis you might be able to spend next Sunday here as by leaving St. Louis Saturday night you would reach here Sunday morning.

I need not tell you we should all be very glad to see you and Mother especially. If you will write us from St. Louis sure if we will meet

you at the station.

With love from us both to yourself and all the family

I remain

your affectionate

New York -

General,

It was the desire of my associates that this Society should in an appropriate and dutiful manner express our regard and esteem for Genl. Sherman, our fellow Californian Pioneer, and former Treasurer and always a member of the parent Society at San Francisco. The arrangements announced seem to denote us of that privilege - it being, as it naturally should be, an almost strictly Military affair, and there being no church services, as we had anticipated there must be, leave us at San

so far as the "Pioneers of California" are able to participate - and under the circumstances I do not see how it could be otherwise - he was endeared to us by many ties, and so he was by other ties to millions of our fellow citizens -

I met you at the funeral of the late Genl Fremont - where Genl Sherman, yourself and myself were pall bearers - Just three years ago I was with the late Genl Sherman - at Monterey, Cal, and we were ever since warm friends -

The Pioneers of California are too far advanced in age to permit of fast parades, in fact they are not parades, they take means to express their esteem otherwise -

Can you or Genl Sherman suggest to us any plan by which we could show our esteem and respect to the deceased Pioneer of '47?

Respectfully
Francis D. Clark.
