Dear Brother:--

I have received two letters from Rowland asking me to come for him. I am willing to do so and for his comfort and encouragement, will you not please cable him to that effect? Let me know the charges and I will pay them. Ask him to answer as to what time I must come. I could get away within a week or so. I suppose it is not best to wait until February when Lizzie proposes to go ~~there~~ ^{over}, though I should be glad to be of any service practicable to her. ^{It would be pleasant if we could go together} Please inform me of the date when she proposes to start.

I have yours of the 5th. enclosing a letter of Seth Howard. I have just made up the estate account and find that the Estate is owing me, and hence there is nothing in my hands to pay the proposed contribution, and as it will take considerable funds for me to go to Europe, it does not seem best for me to advance it. In course of time, we shall make good the subscription in mother's name of \$100, and this you could say to Seth Howard, giving him the circumstances and informing him of Rowland's very serious illness. That seems to be all we can do under the circumstances.

Affectionately yours,

C. H. Howard

Dear Sir:-

We are sending you under separate cover samples of our Compressed Pea Soup, and ask you to give it a trial. This soup, although new to this country, is in general use throughout the civilised world, and used largely in the English, German, French and Austrian Armies, with best results, both on account of its cheapness and nutritive qualities.

It was used in the Franco-Prussian War of 1870, and later in the Afghan, Zulu and Egyptian Wars; and it is commonly said in Europe that the victory of the German and English Governments is attributed to the value and genuine merit of Mr. Kopf's invention.

The success of this product has past the most sanguine expectations of its projectors; and the sales bid fair within the coming twelve months to exceed in the United States, the present sales in Great Britain.

I want to let you know
that the Union Members and Citizens of
St. Augustine are proud of the United
States Troop stationed in the Garrison
The officers are perfect Gentlemen, the men
are perfect ladies. The men as a whole are the
best looking, neatest and best behaved of
any I have seen in St. Augustine for a number
of years - In my Christian Endeavor meeting
in the Presbyterian Church, I have frequently seen
many of the soldiers present - Many of
them take part in the meetings - one of the
young soldiers leads next Sunday night -

There have as yet appeared

As we are

to write you before going
to let you know that the

what had I better do about
