Dear Sir:

We are expecting to celebrate the 25th Anniversary of our Association on the 15 of January in 4 of the largest churches in the city and we are anxious to secure the very best speakers the country affords to properly represent the Associations work for us and for that purpose we are now writing to you to know if you would come up and speak in the First Presbyterian Church in the morning and one of the other churches in the

evening. We shall be pleased to provide for the payment of your expenses to and from Binghamton and anything reasonable which you may feel inclined to add beside.

You can leave N.Y. on the Delaware Lackawana & Western at 1 P.M. on Saturday arriving here at 8 P.M. or leave there at 9 P.M. arriving here at 4 20 a.m. returning you can leave here at 11 45 P.M. or 12 45 a.m. and arrive in N.Y. at 7 10 a.m. or 7 30 a.m.

The association at this point needs a great stirring up and a knowledge of what the work should be as a layman looks

Dear Grant

Capt. Birkheimer an old friend of mine has written me about his trouble with Lieut. Ludlow and I wish to say to you that I have written to him advising him to withdraw his epithet before the Mess in the same way he gave it, at the same time applying calmly to Lieut L's strictures and thus place himself

on good ground as far as he can by rightway be wrong - if he does that probably Lut L. will settle up the matter. I thought if you thought proper to give the matter a little time to adjust itself it might - both the officers & both were the victims of both headiness.

Yours sincerely

My dear General;-

I enclose herewith passes over the Q. & C. and R. & D. roads for Mrs. Clara H. McDonald, which I hope may be of use to her. She can come to Birmingham over the Q. & C. and from there to Washington over the R. & D., or to Cincinnati over the Q. & C. This is as near New York as I can control transportation.

Yours very truly,

Samuel Thomas
