Dear Mr. Howard:-

We are planning for a special service at our <sup>ly</sup>gospel meeting on July 5th as a semi-annual celebration of the "Triangle Meetings", which were organized January 1st, and a Fourth of July celebration. Our idea will be to have special music on that night, the first part appropriate to the Fourth of July, and then turn it right over to a thoroughly evangelistic meeting, and if you can possibly arrange it, we should be glad to have you "take command" that night.

We had a Memorial Day service last Thursday night and had 200 men present, this is 150 more than our average, and if you can be with us, as requested above, I am sure we will have a rousing big time, and good work accomplished.

Kindly let me know at your earliest convenience if we may count upon you, with any suggestions that you would like to make for the meeting.

*Remember our work in your prayers  
as the mission, "Soul Winning" is our word.*

Capt. W.W. Wootenpoom, A.S.C.  
Governor Island, N.Y.

Captain:

In reply to yours of 6<sup>th</sup> inst.  
relative to General Howard's recommendation  
for a promotion by brevet in my case and  
as for a statement of "details connected  
with ~~my~~ your (my) gallantry" in certain  
actions I beg leave to state as follows:

Under orders to report to General Howard  
in the field for staff duty I left Fort Lapwai  
Idaho July 3<sup>d</sup> 1877 with Capt. Perry's troop of  
Cavalry which was returning to the field escorting  
a large pack train. On the morning of July  
4<sup>th</sup> 1877 we were joined by Capt. Whipple with  
2 troops of 1<sup>st</sup> Cavalry. Soon after we were  
attacked by a large force of Indians. Capt.  
Perry who was in command occupied the  
hills surrounding Cottonwood Rauche with

his troops. Although, as above stated, I was only traveling with the command to obey my orders to report to Gen. Howard, I volunteered my services to Capt. Perry and was assigned by him to command of a detachment with instructions to intrench and hold the hill in rear of the said ranche which I did successfully.

At Camas Meadows, Idaho, Aug. 17, 1877. I was a staff officer of Gen. Howard's (Acting Chief D.M.) and in command of the Headquarters.

In the engagement at Umatilla Agency Oregon, July 13, 1878 I was with Capt. Miles' command ~~also~~ although at the time a staff officer of Gen. Howard's (Acting Chief D.M.). I had been left by the General temporarily ~~to~~ with Capt. Miles' command to organize and arrange the transportation of that command. While with this command Capt. Miles outtook and engaged the hostile Bannock & Puute Indians at Umatilla Agency. I took part in the action and participated in the charge which drove the Indians to flight.

These are all the details I am

2) able, at this time, to give. I do not lay claim to any special distinction for my participation in the above engagements. I did my duty - nothing more; - and if this be thought worthy of a brevet I should be glad to have such recognition added as part my military record.

Very Respectfully,  
Your obedient servant  
Fred W. E. E. E.  
Capt. 2d Inf.

My dear General.

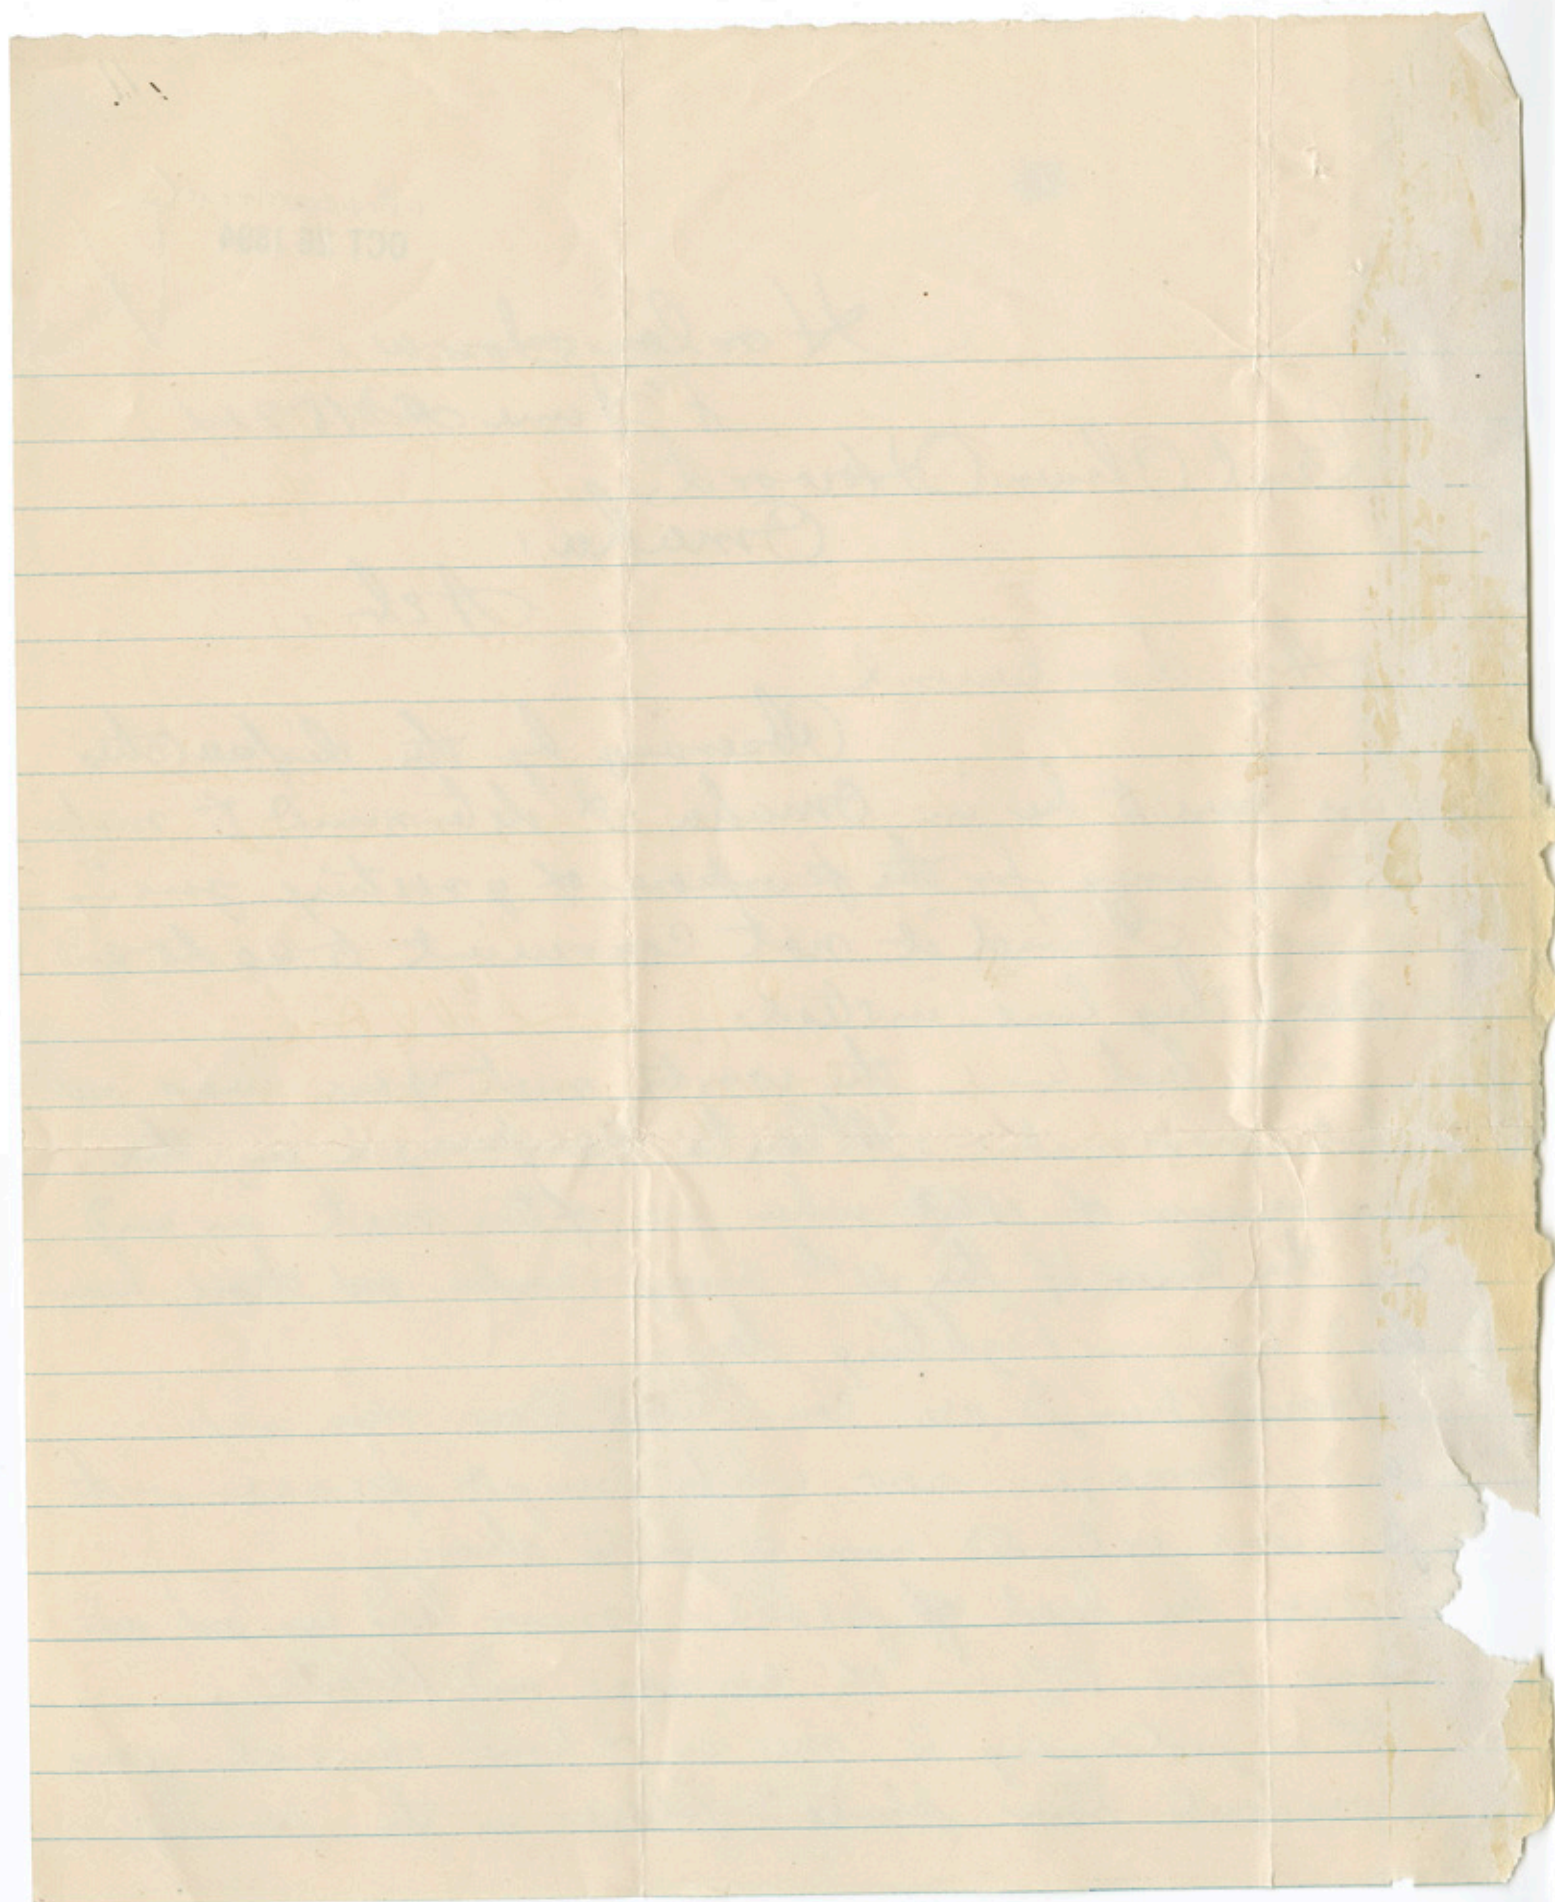

Observing by the dispatches you were to be in Omaha I determined to make the journey for the purpose of greeting you in person. I find it not convenient to do so and send this line instead.

The last time the writer met you was on that memorable Atlanta Campaign in the summer of 1863 when we often met in and on the lines of the 4<sup>th</sup> Army Corps on those hundred trying, fighting days.

How changed are conditions now, then rapine and carnage, now white winged peace with pinions extended from shore to shore.

May the God of peace forever lead us on and away from scenes of carnage and blood.

It is gratifying to me as I have observed your movements from place to place in the passing

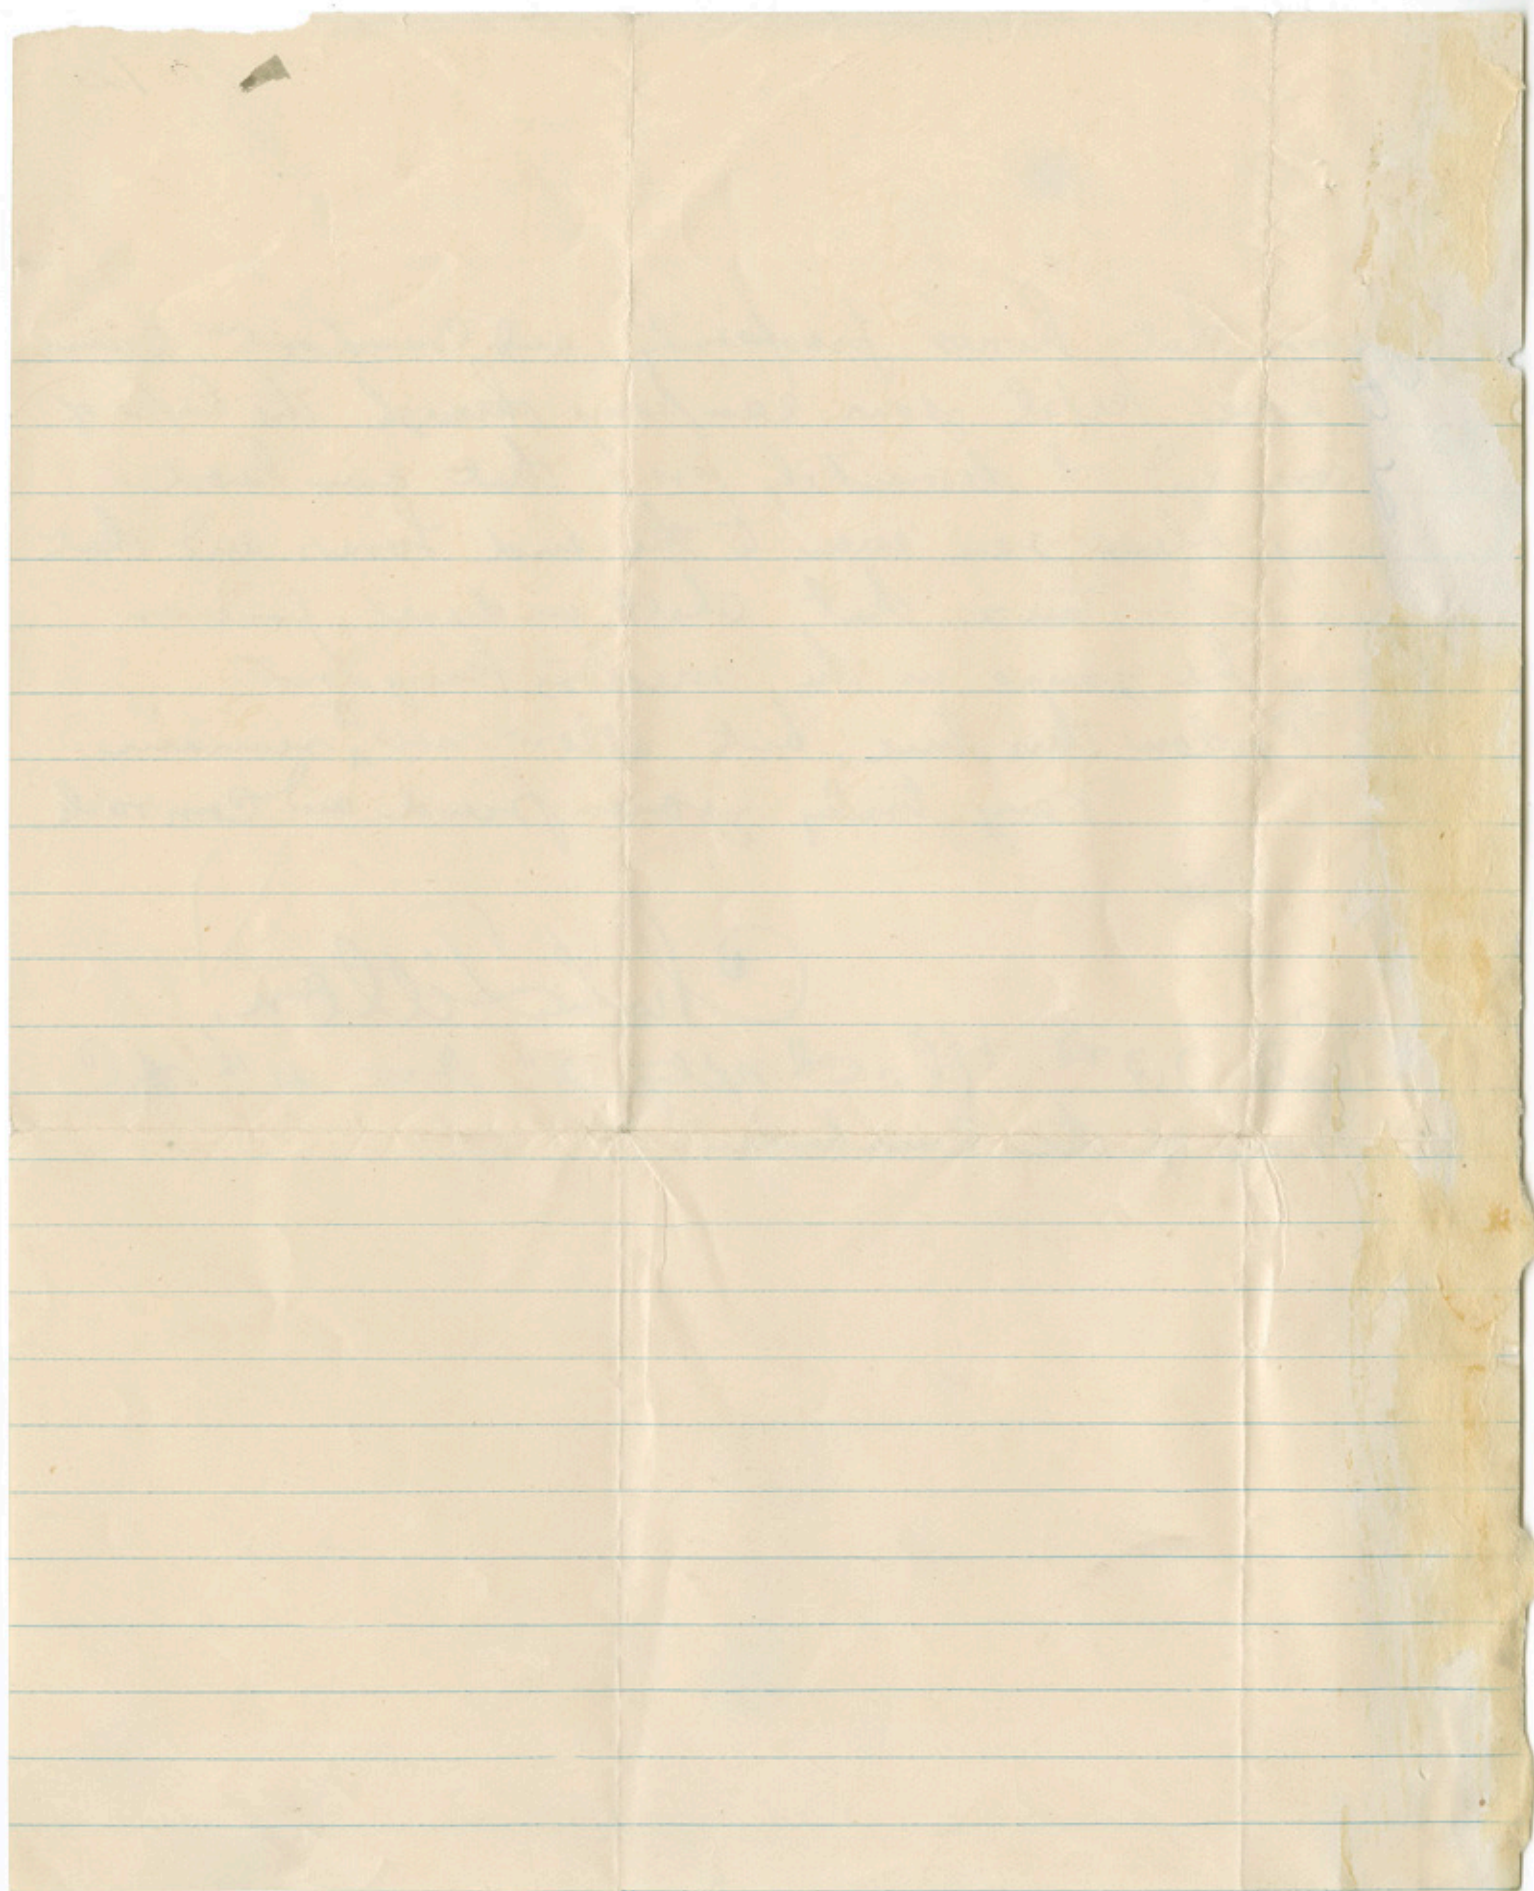

years, that honor prosperity and Comfort seems  
to have kept your company through the laps of  
years, and I devoutly pray that our God  
may bless you even to the end here, and that  
an inheritance that shall endure forever  
may be yours in the masters Kingdom.

Pardon this line, but allow me to remain

Very truly your friend and Comrade

The certificates must be obtained of ticket agents at starting points, thirty minutes before starting time, if possible, and are to be indorsed by the Recording Secretary at the meeting, and to be presented by the holder to the ticket agent at place of meeting to obtain the concession returning.

The return journey to be made by the line over which the going journey is made; and the return ticket shall in all cases be closely limited to continuous passage to destination.

SIR!

IN REPLY TO YOUR LETTER, OF THE 6TH. INSTANT, STATING THAT MAJOR GENERAL HOWARD HAS BEEN REQUESTED BY THE ADJUTANT GEN' L. U. S. A. TO FURNISH A "SPECIFIC RECITAL" OF MY SERVICE IN THE BATTLE OF THE CLEARWATER JULY 11TH. & 12TH. 1877. I HAVE THE HONOR TO STATE THAT I HAVE ONLY MY MEMORY TO GUIDE ME, BUT I BELIEVE THAT THE ACT WHICH CAUSED THE GENERAL TO MENTION ME "FOR GOOD CONDUCT IN ACTION", AND TO IMPRESS UPON HIS MIND THAT I WAS WORTHY OF BREVET, WAS MY VOLUNTARILY SUPPLYING A PORTION OF THE SKIRMISH LINE WITH AMMUNITION ; IN ORDER TO DO THIS I UNDOUBTEDLY RISKED MY LIFE, FOR I HAD TO GO ACROSS THE PLAIN TO WHERE THE SUPPLIES WERE, IN VIEW AND UNDER FIRE OF, SOME OF THE INDIANS. RETURNING, A NUMBER OF SHOTS WERE FIRED AT ME AND I HAD TO CRAWL A CONSIDERABLE DISTANCE, PUSHING THE AMMUNITION IN FRONT OF ME. EITHER JUST AS I STARTED, OR UPON RETURN, I MET THE GENERAL, WHO SPOKE KINDLY TO ME. I WAS ADJUTANT OF THE INFANTRY BATTALION AND AS SUCH MY DUTIES WERE MANY AND VARIED AND I WAS FREQUENTLY EXPOSED TO THE ENEMIES FIRE. THAT I WAS ENERGETIC, ACTIVE AND UNSPARING OF MYSELF IS EVIDENT FROM THE FACT THAT I CONTRACTED A SERIOUS ILLNESS - FROM WHICH I HAVE NOT ENTIRELY RECOVERED - AS CAN BE VERIFIED BY CERTIFICATE OF SURGEON MATTHEWS U. S. A. HEREWITH. IT SO HAPPENS THAT MY 1ST. SERGEANT, WHO WAS A SERGEANT AT THE TIME, REMEMBERS PERFECTLY MY GETTING THE AMMUNITION SPOKEN OF, I HAVE NOT THOUGHT IT NECESSARY TO SUBMIT HIS TESTIMONY BUT CAN DO SO IF IT IS DESIRED.

VERY RESPECTFULLY.

Dear father:-

Mother received your letter on Saturday and we were all glad to hear that you had a pleasant welcome in Omaha. By this time you are on your way to John's and I will send this to Governor's Island trusting that they will forward it to you. All are well here. Mother I expect will return home in a day or two. She intended to go last Friday but stayed over Sunday and heard Dr. Hawes. Sunday previous we all went to the Episcopal Church, to the confirmation. Bishop Hall preached and being an Englishman, his manner interested me greatly. He preached without notes or even pulpit, and very well too. It seems too bad that you haven't heard from us but you have been on the go so that we didn't know where to reach you. Mrs Merrick has written mother that she and Wm. want to visit you at Gov. Island June 22nd. and mother is anxious that you have no engagement that day so as to be at home. If you have she wants them to come earlier. Bessie and I are having a nice time socially. Guy's money ran out unexpectedly so I was discharged sooner than I expected. I have opened an office in his back-office and advertised that I am ready to do typewriter work, indexing and balance all kinds of accounts. My Dear General Howard:-

On July 4th, as you will see by the enclosed program, William Lloyd Garrison delivers the oration at Prohibition Park on "Whittier, the Abolition poet." This will be a great occasion. A large number of the original abolitionists will be present on the platform; also many Quakers (because Whittier was a Quaker,) and many G.A.R.'s because Whittier and Abolitionists were so closely allied with the War.

We wish you to preside, introducing Whittier to the audience. The time will be 3 P.M. Also we would be glad to have you present at the 1 o'clock banquet with Mrs. Howard, and respond 10 minutes to the toast, "The world moves forward sometimes on a powder cart." This could be worded otherwise if you so wish.

Our people were disappointed that you could not be present at the Temperance Congress. It was a grand occasion. If possible, say Yes, now,

And greatly oblige,

Yours as ever,

Dear Uncle Otis:- Once more  
in my varied career I am  
in San Francisco. I came  
out to examine some mines  
in Nevada County but owing to  
the snow I will be delayed  
several weeks before I can  
accomplish my purpose.

I have written for Helen  
to join me and expect she  
will be here next week. We  
may be in California all summer  
for if I find the mine what  
it is represented to be I shall  
have to stay out here and  
superintend the erection of

the mills etc. I am interested  
with Mr. F. L. Underwood the same  
man for whom I was in the  
east three years ago. He backs  
me financially and I believe  
an era of success has begun  
for me at last. The Big  
Utah mine is still under  
negotiation.

A Mr. Sumner W. Bugbe  
who represents the Boynton  
R.R. came to me this A.M.  
He wants a letter from you  
which he can use among  
business men here in raising  
a company to erect a road  
to Babcockfield. He letter

tal line. He seems to be  
much in earnest and says  
a letter from you will do  
more good than anything  
else. He does ask what  
Boydton will be as he  
has not a very high opinion  
of his business ability. He  
expects Boydton's son to  
succeed him soon. I told  
him I would present his  
request to you. The address
