Dear Gen. Howard:

Mr. Reusch has just returned from Boston, where he attended the meeting of the Incorporators of the Boston & Lowell Road, yesterday.

Much to the gratification of all of us, the meeting passed off on the whole, pleasantly and harmoniously. The following gentlemen were elected as officers: Hon. F. W. Breed of Lynn, President; Mr. E. M. Boynton, Vice-president; E. L. Sanborn of Boston, Clerk, (this corresponds to Secretary, in this city), and also Treasurer. In addition to these officers, who are also directors, the following were elected Directors: Dr. J. B. Bell, William H. Boynton, H. M. Mawhinney, Albert Conant, Hon. G. A. Bruce and H. W. Moulton.

The Attorneys of the Company were instructed to proceed at once to obtain the necessary permission from the Railroad Commissioners of Massachusetts, to build the line.

As already stated, the meeting passed off harmoniously, and I believe, that a very good selection for president has been made in the person of Mr. Breed.

I send this line because I know you will be interested to know how matters went.

Before I left Omaha

to the manner in which  
I performed my duties while  
I served under your command  
during the Banquet  
campaign and also as

I fear that the matter  
has been overlooked in  
the press of other business  
or that your answer may  
have been mislaid.

I am not looking for any  
bravels or compliments as  
my duties were only such  
as would have been done  
in ordinary routine but  
I am preparing a record  
of my services for use at  
some future time and  
have letters from nearly  
every officer under whom  
I have immediately done  
duty and would like  
to add one from you

If you think my reasons

My Dear General Howard :

I am very anxious to secure an appointment on the Police force for the brave, Thomas Rogers, late a 1<sup>st</sup> Serg<sup>t</sup> in the 5<sup>th</sup> U. S. Infantry. Now is a very opportune time for him to file an application. One of the Police Commissioners, Hon C. H. Murray, is an acquaintance of mine - so I have given him a letter to Mr. Murray. I served for several years at Fort Knogh and Rogers was a 1<sup>st</sup> Sergeant during that time. I know that he was held in the highest esteem by all the Officers, as a most capable & reliable man. He thinks you will remember him. If you can add a line of approval to my letter, or what would be better, if you have an acquaintance with any

of the Police Commissioner, and <sup>will</sup> write  
them a letter to go in with these papers  
it would have great weight. If you  
have time, please look over his testimonials, and  
you will notice the high esteem <sup>in which</sup> he is held,  
by the Officers he served under.

My Dear Sir:-

In arranging a list of authors and topics for 1895, I have in mind an article from you as one of a group of articles under the general title of "Christianity and Good Citizenship." Will you favor us with such an article sometime during the year 1895? I would want the article to contain about 1200 words, and would be willing to pay \$30. for it. I would suggest the subject "Christian Ideals in Public Life." I would give you ample notice of the time when I would need the copy. All I ask now is, whether you would be willing to supply such a paper sometime during the coming year. You will remember that you contributed an article to this syndicate some months ago.

Hoping for an early and favorable reply, I remain.

Gen. O. O. Howard,

Dear Sir:

Please to let me know if  
you could accept a few  
lecture engagements this  
season, and if so at  
what price, to the committee  
that would cover your  
own expenses, and a  
15% commission to us.  
Our only chance of placing  
you would be in N.E.  
We have a few places in  
mind that would very  
likely take you at the right  
terms.

Sincerely,

O. E. Ryther

WONDERFUL EXHIBITION OF MNEMONICS,

(THE ART OF MEMORY.)

The whole forming one of the most refined and unique entertainments of modern times, suitable for all occasions. Time occupied from twenty to eighty minutes, as desired. Has been given with the utmost success, in Lecture Courses, Lodge Rooms, Parlors, at Fairs and Picnics, and in Churches of every denomination.

Large circulars, containing full particulars, terms, press notices, etc., cheerfully mailed upon application. Send for them.

**Revere (Mass.) Journal.**

PROF. W. E. FLOYD was a host in himself, and far above the average of modern magicians. He is interesting in his conversation, and his original and very wonderful experiments were performed as neatly as possible. Mrs. Floyd has no equal in exemplifying the very difficult art of mental telegraphy.
