My dear General Howard:

Although I had a pleasant talk with Mrs. Howard, I did not get any photographs from her of the house, interior, etc. If you have any, perhaps you would be kind enough to loan us them long enough for our artist to reproduce them. We should be pleased, also, to have any pictures of the family you might furnish us.

If, however, you have none in hand at present, we might send our artist to take photos or sketches of same. Awaiting your reply, and thanking you for your kindness,
I am
Respectfully yours

My dear Friend,

It is so long
that I have not ^{wrote} ~~wrote~~

thought of you and prayed
for you. I am at Mt. Hermon
now & I have been here since
last February. And I like
this place very much,
I am getting along in my
studies very nicely. I do
thank the Lord that he
has send me here and

I praise him for it. But I have so many trials. You see I have no home on earth here except in school here. I need so many things for the winter, and I need a pair of glasses very bad, I got sore eyes for studying in the nights so long. And if you could send me a little money or clothing, I would be so thankful to you for your kindness. And some day I may pay back the money. I expect to get out in 98 sure and from there I will go to college if it is the Lords will. open up the way as he has done for me to come to this noble school. Mr. Moody pays all my way through but I have to look out for my own clothing. And I would like to know if you could please help me in some way for I need it very bad. And I know God will bless you for the deed. I have prayed to the Lord for help and all I could get was to send to you for it. I expect to work for Mr. W. R. Moody this winter till school begins again and I hop to earn a little, I am studying very hard to get through. I love the boys and the people that live here very much. The Lord is very good to me dear General. I will never forget

Gen. O. O. Howard,
Governor's Island.

Dear Sir, --

I note in the "Fourth Estate" of the 6th inst., that the "Magazine of American History" is to be revived under your management.

This suggests to me that my services might be availed of by you for the preparation of the MS., the reading of the proof-sheets, indexing the numbers and the volumes, --in short, similar work to that done by me on The Forum, which, however, does not occupy all of my time.

I shall be glad to give you full particulars about my work, other than those found in the enclosed, if you desire. I need hardly do more for the present than refer you to Mr. Walter H. Page, of The Forum; to the managers and editors of The Century Co., both in the Dictionary and the Magazine departments; to Messrs. Longmans, Green, & Co., Baker, Voorhis, & Co., Henry Holt & Co., publishers, of this city, --any or all of whom will speak from long acquaintance and business experience, ~~with~~ⁱⁿ favor of my work.

My long experience (20 years) in literary work gives me facilities for other bran

ches of magazine production than those mentioned above.

I shall be glad to hear from you in regard to the matter, and to have an interview.

Very truly yours,

E. E. Treffry

I would mention particularly the feature of Indexing, --that being a special branch of my business, and also one of peculiar importance to such a publication as yours.

All we want is a short talk of about twenty minutes suitable to the occasion. We thought you might ask for fifty dollars the amount paid you when you delivered the commencement address some two years ago for the YMCA training school. Could not you come to us on the same conditions considering the purpose for which this festival lasting six days, is given, namely to furnish the new building, a rendezvous for our young men call that this means. Dear General:

I have just received your letter of September 17th, enclosing telegram from Colonel Lewis, asking permission to occupy quarters at Fort McPherson.

I would of course very gladly do anything that might be agreeable to Colonel Lewis, and I do not know of any objection to his occupying the vacant quarters at a military post, but you will observe that the order issued yesterday contemplates the filling up of Fort McPherson at an early date by the 5th Infantry, when, I take it, there will be no vacant quarters remaining. It would not be worth while for the Colonel to occupy a house there for so short a period.
