Kind Sir

I take the liberty of addressing
you a few lines hoping
you will oblige me by
giving me what information
you can. I beg to tell you
kindly, tell me if Peter
Muminger served in
the late war with you I
have been a widow some-
thing over 16 yrs and know
there is a pension due me
but as he lost all of his
discharge papers long before
he died it left me no
claw to begin with I

Remember he having
told me his captain's
name was Howard
Supposing it was you
I write these few lines to
you - anything you can
ascertain for me in
regard to getting a pension
and finding out what
you can will be well rewarded
as well as thanked.

I do not even know the
regiment he served in
he enlisted in Morristown
New Jersey.

Please oblige me by
answering me immediately.

Gen O. O. Howard - Dr. & Comrade;
Kindly oblige a stranger Comrade
of 1861-5.

I was a member of Gen Joe
Mower's Division of the 7th A.C. Army
of the Trans, and altho Gen Mower
was in some respects a reckless
man he had many qualities which
endear'd him to the men in his
command, and it would gratify
me much to know more of his
personal history. I wish, General,
you would please tell me what
you know of him, & in addition
to that, tell me to whom to apply
for further particulars concerning
him, for all of which I shall
feel under many obligations. I am
preparing a sketch for publication

and if I may intrude to this
extent upon your time the
favor I feel sure will not be
inconsiderable.

Your retirement, my dear general,
marks the advance of time for
both Commander & men, believing
also that it is the harbinger of
better things for each & every one
of us, I salute you, as of old!

out there. I hope some day I may see
that part of the country. Dear General
you make me think of my father,
because he looked so much like you.
He was a soldier in the German
Army for fifteen years. I did love
my father very much, because
he love his native land, and told
me to love the country that I live
in now. Well I must close my
letter now. I want to thank you
for kindness to me in sending me those
things. God Speed to you all and

My dear General Howard
I thought I would
write to you and tell you
that I received your gift, and I
am proud of it. They will do me
so much good this winter. I
do praise the Lord for his kindness
to me. Dear General I am getting
along very nicely in my studies,
but my eyes are very sore, that
I can't study in the evenings. I
ought to have a pair of glasses, but
I have to wait till Christmas comes
that I can work for about three weeks
and I shall buy me a pair. We have
no school soon for about three weeks.

I am sorry that you ^{had to} leave your office
but I guess the Lord has some other
work for you. I wish I could serve
this country in such a way as you
did. I want to live as God would
have me to live and honor him
and when I get my education I want
to do some work for the Lord. I do
thank the Lord that he has open
up the way for me to come here,
I can look back when I was converted
in Chicago in 1891 Sep. 25. I am so
glad I took the step then, because
I would have been ruin now, because
I had no good home, and have no
home on earth to go to, but I know
there is a home for me above, and
I can look for that. And I know
that will be a good home, were
there are no trials, sorrows, tears
or any other troubles will all be wipe

away. I am young now and I
am going to make the best ^{of my} time
as I am here. I love this place
very much, but in winter it
is kind of a trial for me, because
I am not used to the weather,
~~Last winter~~ I frozen my feet
and fingers last winter. We
have quite lot of snow here now.
I hope I will here you lecture
down here some day, I do love
to see you and here you speak,
For I know that I got lot of good
out of your talks in Chicago in
1893 during the Worlds Fair.
I have got quite a hard trial to
face now. But I know the
Lord will deliver me from
it. I hear that you was ~~going~~
west for the winter, I know you
will have a nice time and a blessing.

The Executive Committee of the Evangelical Alliance for the United States of America has received with regret the resignation of

Major General O. O. Howard, on account of his permanent departure from New York City, and desires to place on record its grateful appreciation of the wise counsel, devoted piety, and Christian charity which General Howard brought to the service of the Alliance. Punctual in his attention to all duties in the committee, genial and friendly in his association with its members, and heartily in sympathy with the objects of the Alliance, he will be greatly missed from our company, though we are glad to know that he still retains his connection with the Alliance as one of its Vice-Presidents.

His associates record their high esteem for General Howard's character and their personal affection for the man, and hope that his life in the new home to which he goes, may be long and his happiness constant.

Resolved, that this minute be engrossed upon the records of the Executive Committee, and that a copy be sent to General Howard.
