My dear Genl. Howard

As the time is fast approaching, when I will in all probability have to struggle to obtain what is simply due me, namely, the appointment to the position of Commissary General of Subsistence, I naturally turn to my friends for such assistance as they are willing to lend me, and any thing you can do my dear General, in the way of a letter, as to your satisfaction with me during my service with you in the Dept. of the Columbia, will be highly appreciated. I assure you. I served as your Chief Clerk from November 1879 to Oct. 1887. The vacancy will

occurred in January 1899  
with kind regards to

My dear General,

We have come to the pivotal point at Camp Mt. Ch. Last Friday we held a Regular Meeting of the Trustees at the Office of Mr. Strevens. The financial outlook was discussed and plans made for the future. We have absolutely nothing to depend on. The result of the meeting, at which Mr. Strevens seemed very much in earnest was that 10 men be secured to pay \$100. each and at once to raise \$1000. for current expenses. Mr. Strevens wishes you to interest and secure part of this from Mrs. Van Ess and Mr. Borden. He hopes that you will come back at a not distant day and see these people, or write to them. Mr. Strevens himself will urge Mr. Stinson to take hold and secure not less than 100 from the Omnibus fund of the Broadway

Tabernacle. To further push the matter  
and place Camp Mt. O. on a proper financial  
basis. Mr. Knevals suggested a Meeting  
of the Trustees again at his office or elsewhere  
anytime at your convenience upon your  
return to the City: or when passing through  
all he desires is a 24 hours notice. The  
Trustees also have properly organized themselves  
arranged their records. Elected Mr Fred  
Camp. one of their number Treasurer of the  
Board. Arranged that all receipts and  
Expenses be made through them. The  
Board consists - you know of - yourself, Chairman  
Caleb Knevals, J. H. Meyerholz. N. H. Camp  
Mr Fred Camp. Mr Meyerholz is the Secretary.  
This action relieves Mr Francisco from all  
responsibility - as Treasurer - except as to  
the Ordinance of the Church. Gifts of the  
Church to Missions &c. In view of  
the above contemplated meeting of the  
Trustees, if you drop me a line letting me  
know when you will be in N.Y. and it  
be convenient for you - how & day, I will

206

arrange for the meeting. Another item was the discharge of Geo. R. Lewis from his place as janitor - to take place 2<sup>nd</sup> of March. But Lewis is on a big drunk and as his own request he steps out on next Saturday - This is a great relief to me - and I know to others - It would simply nullify all good that otherwise might be done at Camp Chapel.

Dr. Birnie has been down with his trip the past ten days. Of course I have his fullest sympathy in all my work - I have tried to come into touch with Dr. Stinson, but somehow it is a little hard - until I told him of the purpose of the board of trustees and their determination to push the work, ~~that~~ did he manifest ~~his~~ ~~much~~ - much interest.

Our Finances are simply - a blank it seems as if - every channel was closed - my own disbursement is in arrears. But I feel hopeful now that when we get down to work - The Lord will

warm hearts and open portals -  
and give us what we need.  
As soon as Lewis is gone - I shall open  
Sunday Morning service. I feel quite  
sure that all - or most of the Yeager  
converts will come over with us - And  
then I will open night service - and  
run them as long - I mean hours as  
night as interest manifest itself - I  
mean to open a soul saving campaign  
And I want to utilize the beautiful  
and complete plans for what I think  
God wants it used - And what I think you  
purposed when you put your heart and  
energy into the work for it -

How soon I will talk about it all  
when you come to N.Y. - I feel as hopeful  
and as enthusiastic as when Pickett was  
driven back at Gettysburg - The outlook  
now is all for us - for God - and  
for salvation -

Yours in His name  
A. G. Miller

Dear General,

I cannot tell you how disappointed I was this morning on my return from San Francisco, to find that you had been here and had gone, and I had not seen you. It is so rare an occurrence for one of my old Eastern or Army friends to drop in upon me that they are veritable angel's visits. I would have been delighted to have shown you such attention as your distinction (saying nothing of old time friendships) merits.

Our people to-day are all amazed that so great a soldier was in their midst and they didn't know it. But it was like you to come and go just as any humble citizen might have done. However, it is the glory of American citizenship that our most distinguished men are permitted to step into the ranks and move along like ordinary people.

Your coming has awakened a flood of memories and have made me live over again some parts of the Golden Period of the Republic where with others I find your name imperishably emblazoned.

I hope <sup>the</sup> your passing years are dealing gently with you, and that it may be long before you are gathered to your final reward.

I send you by mail a little book written to refute the charge made by Jefferson Davis that Wirz--the Andersonville jailor--was a martyr, and that our Government was responsible for the death of prisoners in that horrible prison pen of Andersonville.

I was also sorry not to be able to tell you something of our County and take you over to my place and show you how I have developed into a practical horticulturist.

I send you a copy of my last year's report to the State Board of Trade.

Sincerely yours,

it was last winter, at any  
time. We had a sand and  
snow storm continued the  
other day. So instead of pretty  
white snow, everything is of  
dirty brown. I am fairly well  
acclimated, for although  
I have been out every day un-  
til this extremely cold spell,  
and have not had a single  
cold. Capt. Pope thinks I am  
the most energetic man in  
the Post, for I exercised one  
hour in the morning and  
the other in the afternoon.  
John is so busy he seldom  
goes with my and driving  
in the cold makes him sleep.  
You will hardly recognize  
Frank he is so fat, and is  
getting quite lazy. Bill is  
working over at the Club  
and every time I meet him  
he stares and stares at  
Frank. I do not wonder for  
he looks like another horse  
these days.

Ft. Leavenworth, Kan.  
Feb. 8, 1895.

Dear Father,

I think John  
wrote to mother the other  
day, so I will write to you  
this time.

The weather is a little cold-  
er than I like it at pres-  
ent. Every pipe in the  
house is frozen up, and we  
have to be careful not to  
have a boiler explosion. I  
feel the cold much more this  
winter, but they say you al-  
ways feel it more the  
second winter, although it  
is much colder now than

John still protects one his  
lessons and her Shuttlesworth  
quite agree with him. Her  
Shuttlesworth is taking his medals  
her now. His wife is in Florida.  
Examination times are pretty  
awful times in this house.  
I think I could find a few  
gray hairs in about two  
years more of this school.  
John has all three in in  
the family at present.

He is working up his ex-  
ercise now, and I have been  
writing letters, lots of them.  
I occasionally hear his lessons,  
and always read the books,  
and help coach him for exams.  
So I am getting quite a mil-  
itary education myself. I  
take most kindly to the sub-  
ject of "horse" (they are study-  
ing Cape. Carlisle has took  
on that subject).

I think John would like  
a school detail for the sake

of the practice. It was his  
own proposition about the  
college at San Rafael. He  
knows better than I do at  
which place he can learn  
the most, or I never influence  
him as to where or shall go  
next. He would like to stay  
here for a year on account of  
the drills, but I do not think  
he can manage it. I did not  
expect to get back to the Pacif-  
ic Coast very soon and although  
of course I would like to, I  
shall not be at all disap-  
pointed to stay east. Of  
the 14<sup>th</sup> and 19<sup>th</sup> would be  
chance I think that would  
be likely, but I fear there is  
no truth in that rumor.

We are both looking forward  
to seeing you all in your  
way home. We can pick you  
all up very nicely I think.

Give our love to the family,  
that includes Grace.

Yours

Dear Sir,

Knowing how prominent you were as an officer in the Civil War and being very interested in said war I write to you and ask you for your autograph. I am a scholar of the Germantown Grammar School and last term we studied about the Civil War. This opened my thirst for knowledge which was followed by my reading a number of leading books on the subject liking best Bruce's "History of the American Civil War" and C. C. Coffin's "Boys of '61." I am a collector of stamps and autographs having very few of the latter. I am trying to get the autographs of all the distinguished surviving officers of the Civil War. If you will be so kind as to give me yours I would be very much obliged. If you will please follow following directions: Place "Autograph" on enclosed card with date and address. Then put whole in stamped envelope addressed to me.

Dear Sir:-

On communicating with Judge C. C. Kohlsaas of Chicago, regarding getting an engagement here for April 27th, Grant's birthday, he replied that he and his brother are going to Galena, Grant's old home, on that day. His brother, H. H. Kohlsaas, will on that day present to Galena a painting of the surrender at Appomatox. A party will leave Chicago on the morning of the 27th and return the next morning. Judge Kohlsaas invites you to go with them from here as their guest-his and his brother's. He says they will be very glad to have you go and that he is sure Grant's former neighbors will be glad to see you.

The Marquette Club of Chicago usually has a banquet on the evening of Grant's birthday, and sometimes they have an address given at the Auditorium. I have communicated with the President of the Club suggesting an engagement for an address at the Auditorium. He is out of town for a few days. They may make an engagement for the address at the Auditorium, or may invite you to be their guest at a banquet in the evening. I presume they would not pay for the latter, though I do not know about it. Possibly this Club may conclude to hold its exercises on the evening of the 26th so that you might be here and also at Galena.

Please let me know whether you care for either or both of these complimentary engagements, and whether you wish me to give them preference over a paid engagement. I think I can get enough regular engagements so that you will be at or near Chicago by April 27th.

Dear Sir,-

Under date of February 4th, 1895, your Secretary, Mr. H. S. Howard, wrote me that you would stop over in Ashland in March for One hundred dollars. After canvassing the matter with our people, we have decided that it would be quite uncertain in a town of this size, 2500, whether we could make anything for the Assembly by having you lecture during the month of March, as at that time our country roads are liable to be in poor condition for travel. Consequently will have to let the matter drop. Personally I am sincerely sorry that we cannot listen to one of your lectures as it would afford me very great pleasure, but our Assembly is young and we must not take many chances between our regular sessions.

Were you to be here in July, doubtless we could make arrangements to have you with us.

I remain with best wishes,

Respectfully yours,
