

335 East 13 St.

New York April 7 1897

Apr. 6 1897

My dear General:- I almost feel  
as if I had neglected you and failed  
to keep you fully posted about our  
Camp Memorial work. But there has  
not been a day all this winter nor a  
more made in the work, but what I  
had you on my heart and mind and  
many a time I have wished you  
could have been with us. The work  
itself has been prospered of the Lord  
and blessed in every way. Our  
meetings have all been full of interest  
and the attendance this winter has been  
fully 30% larger than last year.  
Several Sunday nights the Chapel  
has been full and on one occasion  
crowded gallery and all. Extra  
tricks brought in. There also has  
been a deepening of the spiritual

life - all the factors are working  
in perfect harmony, and for the  
time at least, there is none, if  
any criticism of each other -  
We have a meeting every Sunday  
evening of young men, in my  
study. When we get together  
for prayer & fellowship with Jesus.  
The purpose is the deepening of  
spiritual life and entire consecration  
and self-surrender. This is a  
wonderfully interesting meeting -  
a sort of Pentecostal meeting.  
This meeting is at 6.45 and lasts  
until 7.20 when the young men  
go down to the Y.P.S.C.E. meeting  
and thence to the evening service -  
The influence of this meeting is  
felt in the service. The Power  
of the Holy Spirit is manifest -  
We have had a number of

additions to the Church, and all  
of the Excellent and promising  
Members -

The growth of the Church can be  
noticed and our figures are, encouraging  
Since Jan 1895 - we have received 90  
members on confession of faith in  
the Lord. During the same time we  
have dismissed 10 to other Churches,  
Lost 4 by death and dropped 21  
leaving us a net gain of 55.  
And we have several to unite with  
us during the next two weeks before  
our next Communion -

Another matter indicates our growth  
in Jan 1895 - our weekly Envelop  
subscriptions amounted to \$350<sup>c</sup>.

Last year in Jan \$500 - This  
year \$1050.

And all this gain is in an environment  
unsympathetic, and ~~unfriendly~~ <sup>unfriendly</sup>

4  
every thing against us but the  
Lord - And those few of His people  
who believe in the work amidst  
dark and adverse conditions.

At the Meeting of the Trustees  
in December you gave me 3  
letters one to Dr. Lyman, one  
to Dr. Storrs and one to Dr. Virgin  
asking each to keep in the work.  
Dr. Virgin promises to get us  
the \$100 asked - Dr. Storrs, will  
give us a Collection in May  
and Dr. Lyman wants to refer  
the matter to the Church Extension  
Society - Dr. Virgin has already  
sent us \$25 - That is all  
we have thus far realized  
from outside sources. And yet  
at this writing we have no  
debt crowding us. By the 15<sup>th</sup>  
we shall have some bills to pay

5  
Thus our outlook is good -

Dr. Virgin suggests for the  
work that you write to Mrs.  
Frederic Billings 279 Madison  
Ave. She has a summer home  
at Woodstock Vt. - is the widow  
of Fred<sup>d</sup> Billings formerly Pres-  
t of the Northern Pacific R.R. a  
Congregationalist; she keeps  
the Judson Memorial Church  
(Baptist) each year \$1000 -

Dr. Virgin thinks you can induce  
her to give something to Congregational  
work of the same class & character -  
When you get to N.Y. and I can  
see you for a short time we  
may talk this matter over -

There is also now in contemplation  
the making of Camp Memorial  
work - The work itself, the  
work of the Congregational

Churches in darker New York.  
To make it a large institutional  
Church so as to present to the  
foreign and heathen element  
surrounding us all that is  
best and helpful in the Religion  
and work of Jesus - Dr. Merriwell  
Dr. Wood - Dr. Abbott, Dr. Clark  
of the Home Missionary Society -  
All are interested and pushing  
the idea - agitating it wherever  
opportunity offers. And I think  
in the near future an attempt  
will be made to hold a Conference  
with you and these brethren and  
others to consider the matter.

I see you will soon be in  
N.Y. - to arrange for the Grand  
Ceremonies which take place  
on the 27<sup>th</sup> Easter Sunday  
is on the 18<sup>th</sup> Can you not be

7  
with us at Camp Memorial on  
that day, at 8 Pm. It will  
be our "Easter Service" and we  
want you to be with us on that  
day and see us and we will try  
to cheer each other - Can  
you come? We all hope and  
pray that you will - The Chapel  
will be crowded that night and  
we have arranged for a service  
that will tell the Story of the Risen  
Saviour to all that come.

I should like to take some  
part - do some work - in the Grand  
Exercises, - I have not taken any  
part in any of our ~~former~~  
Exercises or parades since  
the Grand Review in Washington  
on the 23<sup>rd</sup> May 1865 - When I ~~was~~  
with the staff of Genl. Custis - I  
was attached to his Head quarters

is order and did carrier service  
 through the Shenandoah and  
 Appomattox Campaigns - My  
 membership in the G. A. R. is  
 in California and since I came  
 to N.Y. have not kept up my  
 membership - Is there any  
 way for me to take part in  
 this which will probably be  
 the last great gathering of  
 the ~~happy~~ days of 61-65. I  
 think I can ride as well now  
 as I did then - I

Now one word more about the  
 Camp Memorial. The annual  
 election & meeting takes place in May.  
 But you think we ought to have  
 a meeting of the trustees before that  
 time - There is to be a change, so  
 as to conform to the new laws  
 and also to straighten out some

9.  
matters that don't seem to her  
is conformity - to the old law is  
in organization these things  
are to be voted on at the  
Annual meeting and the F.A.  
Camp is now arranging them  
It would be a good thing if  
we could have the meeting  
while you are in N.Y.

I hope and trust you  
are strong and vigorous in health.  
And that the Lord has been  
good to you in every way  
this winter - I want the  
Administration to be good  
to you and I am watching  
with the keenest anxiety - every  
important appointment.

Yours Sincerely  
H. G. Miller

My Dear General.

I presume you are constantly importuned to give your endorsement to candidates, until you have become accustomed to it. I am a candidate for the office of Collector of Customs <sup>at</sup> Astoria Oregon, and would be thankful if I could receive your help and good words. I have splendid letters from Genl. George H. Williams and others, a petition signed by nearly all the best business men of this city, you are fully aware of my qualifications for the office, and lifelong working Republicanism. I was a candidate for this same office, when President Harrison was elected, <sup>was</sup> but given the Post Office, which I resigned to the Republican County Convention <sup>that</sup> <sup>chose</sup> my successor, I resigned because of the great amount of work, and no adequate help in the office at the time, <sup>and</sup> more especially, because ~~having~~ <sup>not</sup> having only one hand, I could not handle the mails expeditiously, or to the satisfaction of the Public or myself. I was defeated before, because Mr. C. W. Fulton the Presidential Elector at that time, did not keep his hand off, as he had promised. I shall have three or four opponents. Mr. Samuel Elmore a fish cannery, Steam Coasting Schooner, and Newspaper Proprietor, as to his unpopularity it is not my place to relate. Mr. John Fox the principal owner and President of the Astoria Iron Works, importers of coal and Iron, and owns interests in Puget Sound Salmon Canneries (that reports say, can Opium as well) and two or three other candidates, that I do not consider formidable. Mr. Elmore is the nephew, or cousin of H. C. Paine a member of the National Committee, which is really all the strength he has. H. W. Scott editor of the Oregonian told me he was very sorry he had signed Elmore's petition, and would aid me in every way he could. General if you can assist me in securing this appointment, I shall be very thankful, and will gladly pay the necessary expense of your trip to Washington. James family as well as my own are quite well, Mrs. Gray joins in kind regards to yourself and Family.

Very Truly Yours.

I shall not send my letters and petitions on for 20 or 30 days. If you do anything for me I will write you more fully.

be very much pleased to have you speak

Sunday evening at Plymouth &  
the offering, thought you to any cause you  
may name. What would you say to the  
sufferers from the flood in the South? It  
struck me there would be a rather touching  
sort of appropriateness in such an ar-  
rangement. We can give you a much  
larger audience, I think, than you addressed  
two years ago. Kindly let me hear from  
you - Have you any advertising matter to  
concern me in looking up our "rally"?

Yours respectfully  
Wingston L. Taylor

P.S. Your last letter was addressed to Columbus -  
i.e. the Envelope was, the letter being all right. Fortunately  
the Columbus Office had enterprize enough to  
re-mail it. It did not reach me however till  
Monday - hence an apparent delay in replying.

Dear General Howard

A while before the close of the last Administration, efforts were made by different parties to supplant me. The Secretary of War gave no countenance to them. In this new Administration there will doubtless be some who will again try to get my position.

I am unknown, so far as I know, to the Secretary of War, and fearing that he not knowing me may on learning that I have been here over 15 years, give a willing ear to some one seeking my place.

I came to the determination  
to write you and ask you  
should the same be consistent  
with your judgment, to take  
the opportunity when you  
next write to Genl Alger, or  
next see him, to say to  
him whatever you may  
please relative to me, that  
he may be posted about  
me.

I will be 59 yrs of age  
next October and I am  
candid enough to say  
that having been here,  
thanks to you, as long  
as I have I would  
like to finish up my  
term of active service  
here, unless of course

We should have war, which  
I hope we may not have  
In this connection I will  
state that Col Ernst informed  
me not long since that  
he expected me to remain  
here, but as stated before  
being unknown to the  
Secretary I do not feel  
so easy in mind as  
I should knew I that  
he was informed about  
me

I trust that this may find  
you and your family  
enjoying the best of health

With much respect

Yours Very Sincerely

General O. Howard Lt. T. F. Spurgin

My Dear Sir:-

I had the pleasure of a call from your son on Monday. He tells me that you are available for the lecture field the coming season. What will be your subjects, and how much do you expect to get out of it? I told the young man I would be very glad indeed to take hold of your business, and to push it for all there is in it, and that if you did not expect too large a fee, there was some business for you. At from \$100. to \$200., I think you could secure considerable business. If I took hold of your business I should want the exclusive management so as to make it worth my time to push it. If other agencies have your time, and you are also making dates, there is nothing in it worth my time. I should want to book at least twenty to fifty nights of your time if I took hold of it.

Yours Very Truly,

*J. B. Pond*

Gen. O. O. Howard,  
Kind sir,  
After

repeated effort, Command  
Hopkins accompanied  
me to the Greas. this  
Morn. Every one seemed  
to think the mere pre-

signature would do  
a great deal, but I  
received very little  
encouragement from  
the appointing power.  
I thank you for

responding so promptly.  
My husband always  
did what he could  
to assist his comrades,  
their widows and  
orphans. I believe  
you were the means  
of getting him into  
the Treasury; where he  
faithfully discharged  
his duties in a most  
responsible position.  
I have no relatives,

me. My only <sup>and</sup> income
