Post Office at Lead, S. D.

Dear Sir:

After several days of delay

in the mail I have at last received your letter of the 19th inst.

in relation to the Homestake Mining Company. I am sorry to hear

that you have been unable to obtain your request.

I am very glad to hear that you are able to work

at all. I am sorry to hear of the trouble which the strike

has caused for your own work, but for the

lack of the strike itself in the which our school has been

closed I am sure that the school has not been

earth, and to His blood-purchased,
blood-washed people, I feel em-
boldened to call your attention
to this deserving case, hoping
you will not consider me as-
saudacious in so doing. Should
you feel disposed, dear brother,
to contribute a mite, kindly, either
send it to me, or, direct to
our needy sister, at No. 82
Williams Avenue, Brooklyn,
N. Y. 26th Ward.

Sincerely your humble
brother in our adorable
Lord and Saviour,
Chas. D. Schaffer.

General O. O. Howard.

Dear Brother in our Lord Jesus Christ:

I send you herewith
a newspaper clipping giving
an account of the falling away
in our blessed Lord, (1 Thes. 4:13-18)
of our beloved Bro. Frederick
Pranks, the late Supt. of the
Tillary Street Mission, of this
city. He was a clergyman con-
nected with the Evangelical
Association of North America.
I well remember the Lord's day
evening when it was my great
pleasure and joy to hear you
explain God's way of salvation
to poor, lost sinners, and to be
introduced to you by our departed
brother. It was in the Helping
Hand Mission, corner of

Willoughby and Lawrence street,
Brooklyn, of which he had
charge at that time. You
took quite an interest in
this earnest and zealous preacher
of the glorious Gospel, and en-
deavored, you doubtless will re-
call, esteemed brother, to secure
him for a work, on the east
side of New York City, in
which you were deeply inter-
ested. Our never-to-be-forgotten
Christian friend departed from
this scene of sin and woe, to be
"absent from the body and
present with the Lord," while
faithfully preaching Christ
to the unsaved. He leaves a
wife (a truly Godly woman) and
five children, the oldest of which
is eleven years old and the
youngest about four. Unfor-
tunately they are in straightened

circumstances. The City Mission
and Tract Society have very
kindly paid the funeral expenses
and have raised a little fund
for the family; judging from
indications they will do no
more. Bro. Dranks' life was
insured, but, if I am rightly in-
formed, it seems doubtful if it
will materialize, the company
having a shady reputation. At
time of writing I do not know
the name of the company.
Having been a personal friend of
the couple for some years, I feel
it laid on my heart to solicit
aid for our needy sister and
her precious ones. Will you have
fellowship in the matter dear
brother? The smallest amount
will be gratefully received.
Knowing your warm love to our
blessed God and Father's cause on

Dear Gen. Howard:

I have just-
seen Gen. Garcia and extended to him your
kindest regards and expressed your friend-
ly feeling towards him and the Cuban
people. Telling him that it was your
desire that no differences should exist
but that the greatest harmony and
good will should prevail between
the American and Cuban people.

He thanked you for your kind and distinguished consideration and would be very happy to meet you. He inquired if you were in Washington.

I told him that I presumed that you were in Burlington, that I would write to you for I knew that you also would be pleased to meet him.

He is going on to Washington in a few days and will probably remain in this country a few weeks. If you can tell me when it will be convenient for you to be in New York I will be very happy to arrange a meeting. It will be conducive of great good for you to meet, I am sure. Gen. Garcia is a kind hearted, noble minded

man who would be congenial to you.

I trust my dear General that you will see and that some day I may have the great pleasure of seeing you and telling you of what I saw in Cuba.

I will not soon lose your friendship; I might never have seen of me as he I was so greatly indebted.

Some day I hope to return to Cuba and establish a hospital. I cannot remain contented here, knowing of the suffering that when you come to N.Y. I would be proud and happy to entertain you at my little home if convenient to you. Take the most pleasant boat that goes to Fort Hamilton. With kindest regards and gratitude I am as ever

it safe to submit them.
They would be specially glad

your experiences among

Gen. O. O. Howard;

Dear Sir;

I was disappointed
in not seeing you here at the
time of the banquet of the
City Council. Mr. Woodruff told
he had written you to come &
where to stop.

It would have been no
time to interview Mr. Carnegie
as he was beset on every
hand. Dr. Holland who went over
to Europe with him & followed
him closely here could get nothing
for the Boston University here

The best place, in my opinion,
to see him would be at
5 W. 51 Street, New York where
he now is. I wrote him there
a few days ago. I think if you
could see him there you
would get a handsome sum.

success I am

Philadelphia, November 23d, 1898.

Gen. O. O. Howard,

New York City,

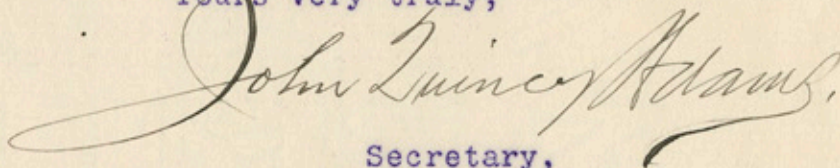

Dear Sir:

After several public meetings held at the above address for the purpose of selecting Officers, Directors and Charter Members, looking towards the purchase and preservation of the Old Flag House, in which the first Flag of the United States of America was made by Betsy Ross, and subsequently adopted by Congress June 14th, 1777, and also the erection of a suitable memorial to that distinguished woman, the enclosed list of gentlemen were duly elected on November 5th, 1898.

The plan for the organization does not entail any financial obligations of any character upon the Officers, Directors or Charter Members. The method of raising sufficient funds for the objects above stated have been fully arranged for through the sale of reproductions of the original painting "Birth of Our Nation's Flag", in Certificate form, showing the interior scene, a picture of the Old Flag House and also the grave of Betsy Ross. Offers have been made and accepted by which, through the sale of the above described certificates, these most laudable objects will be attained.

As required by the laws of the State of Pennsylvania, a Charter has been applied for and is now being prepared, and since the Charter Members will be invited to place their signatures on the same when presented to them, should you accept the honor we desire to confer, you will oblige the Secretary by an acknowledgment at your earliest convenience.

The audience. But the
audience could have a
good deal to do
with it. A good many
who expected to come,
were older people and
did not dare to venture
out. Besides there were
several deaths which
occurred just about a
day or two before the
lecture.

The people who were
there have said so
many nice things

Dear Father
Knowing that you would

I have not written
you before this to

the fine lecture
you gave us.
I was greatly dis-

about the lecture that your ears
surely must have been ringing
a good deal. They enjoyed it so
much & thought it ~~so~~ beautiful
that a Westminister should pay
such a tribute to the Volunteer ~~idea~~
A good many have asked me, whether
you portrayed a certain Volunteer
you had in mind, & the ideal type
of the Volunteer. This I was unable
to answer but said, I thought you
meant it as a general type of the
Volunteer. Was I wrong?

I suppose you will be back by Thanks-
giving & hope you will soon come
to see us. I had hoped to have you
all here for Thanksgiving, but Harry
said you had invited some of your
friends to your house and would
therefore be unable to come.

I am a well educated man, with a family consisting of sick wife, on whose account, I am here, and three girls. I left a paying school Supt. East, to secure to my wife a hope of a few unobstructed breaths of air, and have fallen into a steady run of misfortune that follows me as my own shadow.

I am a good teacher. I held the Principalship of the North La High School 8 years, and taught in the city twelve. I am able now to do my best work. I have a State Diploma for Del; and other degrees that will assure my education.

I am used to hard work and enjoy it. I can do anything with the pen, I passed the Examination for Supt. of Indian Schools, but there was no vacancy, I think the Civil Service is a semi-fraud.

I want some kind of work that will afford me a decent living and arrest this pain of anxiety I carry as Atlas the World. I am a steadfast believer, and I have read and admired so much of your work and aims, I thought perhaps you would not be averse for doing something for a worthy man though he may have no political pull. Yours truly

Springfield, Mo., Nov. 26th 1898

Dear General,

Though tardy in acknowledging receipt of your favor in the advice contained in your last letter to me, I wish to tell you that I appreciate your counsel which I have followed. Col Kerens of St. Louis has promised to one of his friends to see the President in my behalf and to ask him for me the appointment which I seek.

I have resolved to help the institution in which you are interested (in Cumberland Gap) as soon as I can, both in the name of Lincoln and of you.

It was with a view to find something remunerative to do, that

I came here and I believe I will succeed.

To-morrow, D.V. I shall supply the pulpit of a Waldensian Church near Monett, Mo. It will be on a patriotic subject, in French.

Should I succeed in obtaining a chaplaincy, I will communicate the news to you.

It would be a real pleasure to me to know that your son obtained the position in the Army which he desired.

Hoping that this will find you in good health, I have the honor to be, Sir,

Your humble servant & brother
