Berea, Ky., June 20, 99.

Dear Gen. Howard:-

Your letter of the 14<sup>th</sup> from Burlington, Vt. at hand.

I am looking for Mr. Myers every day, and we hope to be together at Berea for a time. He wrote me from Hillsdale, Mich; and planned to come here by way of Chicago. After seeing him I will probably know more about the J. M. Williams matter. I am quite sure Mr. Williams is still in California, and you may remember he wrote that he could not pay the balance of his sub. (\$500.) until next year. I hope to develop some plan with Mr. Myers by which we can do more effective work together. Of course hot weather is an unfavorable season, but we can lay our plans for the future. If you want anything of us, write to Berea.

Most sincerely yours. E. P. Fairchild

Maj General O. O. Howard

Dear Sir:

Enclosed

I send a letter from my  
sister Miss Martha Mason  
whom you may remember  
having met at my father's  
house in Raleigh N. C.  
at the close of the war -  
It is in regard to my place

Dear Sir it is in -  
deed a matter of life and  
death both to myself and  
my invalid daughter, for  
us to be thrown upon the  
world without a cent  
would kill her - She  
is slowly recovering the  
use of her eyesight - which  
she lost from the effects

a severe attack of grippe  
followed by typhoid  
fever of the most violent  
kind.

My salary is only  
fifty dollars a month - and  
not being under Civil Service  
Rules I am threatened  
with dismissal - The secre-  
tary is kindly disposed  
towards me and if suffi-  
cient influence is brought  
to bear I will be retained  
For God's sake do what you  
can for my father's daugh-  
ter - I am given to under-  
stand that it is influence  
they require.

We will ever be grate-  
ful and the blessing of  
the widow and the father-

less always be yours.

My sorrow  
and anxiety is such  
that I hardly know how  
to write - I have only  
just discovered through  
Genl. Vincent how this  
letter may reach you.

Hoping you will excuse  
my boldness, believe me  
Dear General

Covertruly your friend

General, O. O. Howard,

Dear Sir

Remembering

the pleasant relations  
between yourself & my  
dear Father, The Rev Dr-  
Mason, Rector of Christ-  
Church, Raleigh N. C.,  
at the breaking up of the  
war, when you were  
there, at his house several  
times, I have ventured  
to write & ask your kind  
influence, in behalf  
of my sister, Mrs W.  
S. Mitchell, who is at-  
present - working in S.

in the assignment -  
division, of the Patent  
Office, & has always  
been considered a  
first-class worker  
& is entirely dependant  
on her own exertions  
for a living, she has  
some fear, & has reason  
to believe, that some  
persons are trying to  
deprive her of her place  
I know of no one of  
influence, but your-  
self, in Washington,  
to whom I can apply  
for help in her trouble  
& knowing your great  
influence, there, I

hope you will pardon  
the liberty I take, in  
asking that - you will  
use it - to prevent the  
wrong done her, & I  
will always have a  
grateful remembrance  
of your kindness.

Respectfully  
Yours,

Martha Mason

My dear Sir:-

Doubtless you will remember me as being one of the speakers in Mr. Moody's World's Fair meetings at Chicago, and also perhaps may have heard of my being in the campaign for the soldiers last summer. I was speaking chiefly at Tampa.

You may, perhaps, know some thing of the orphanage work which I have been carrying on for a number of years and which I am now planning to extend by establishing a home for the orphans of our soldiers and sailors. I enclose a clipping from the New York "Tribune" of June 21st which outlines the plan. At present there is no place to which a dying soldier or sailor, serving under our National colors, can look as a refuge for his destitute children. It is my purpose, with the help of the philanthropic people of our country, to provide such a place.

You will see enclosed a little leaflet containing the approval of our orphanage <sup>work</sup> by many prominent men whom you will recognize as acquaintances and friends. I desire very much to have a few words from you also, specially in regard to the effort to provide for the orphans of our soldiers and sailors. If you feel that you can commend the work, kindly write me at Hotel Savoy, New York City, where I am making my

I have your P/c and regret  
that you could not have come back  
this way. We were already for you at  
the house and the "Prophets Cham-

Shall be glad to hear

I hardly expect to call
