Helena, Ark., Oct. 2, 1900

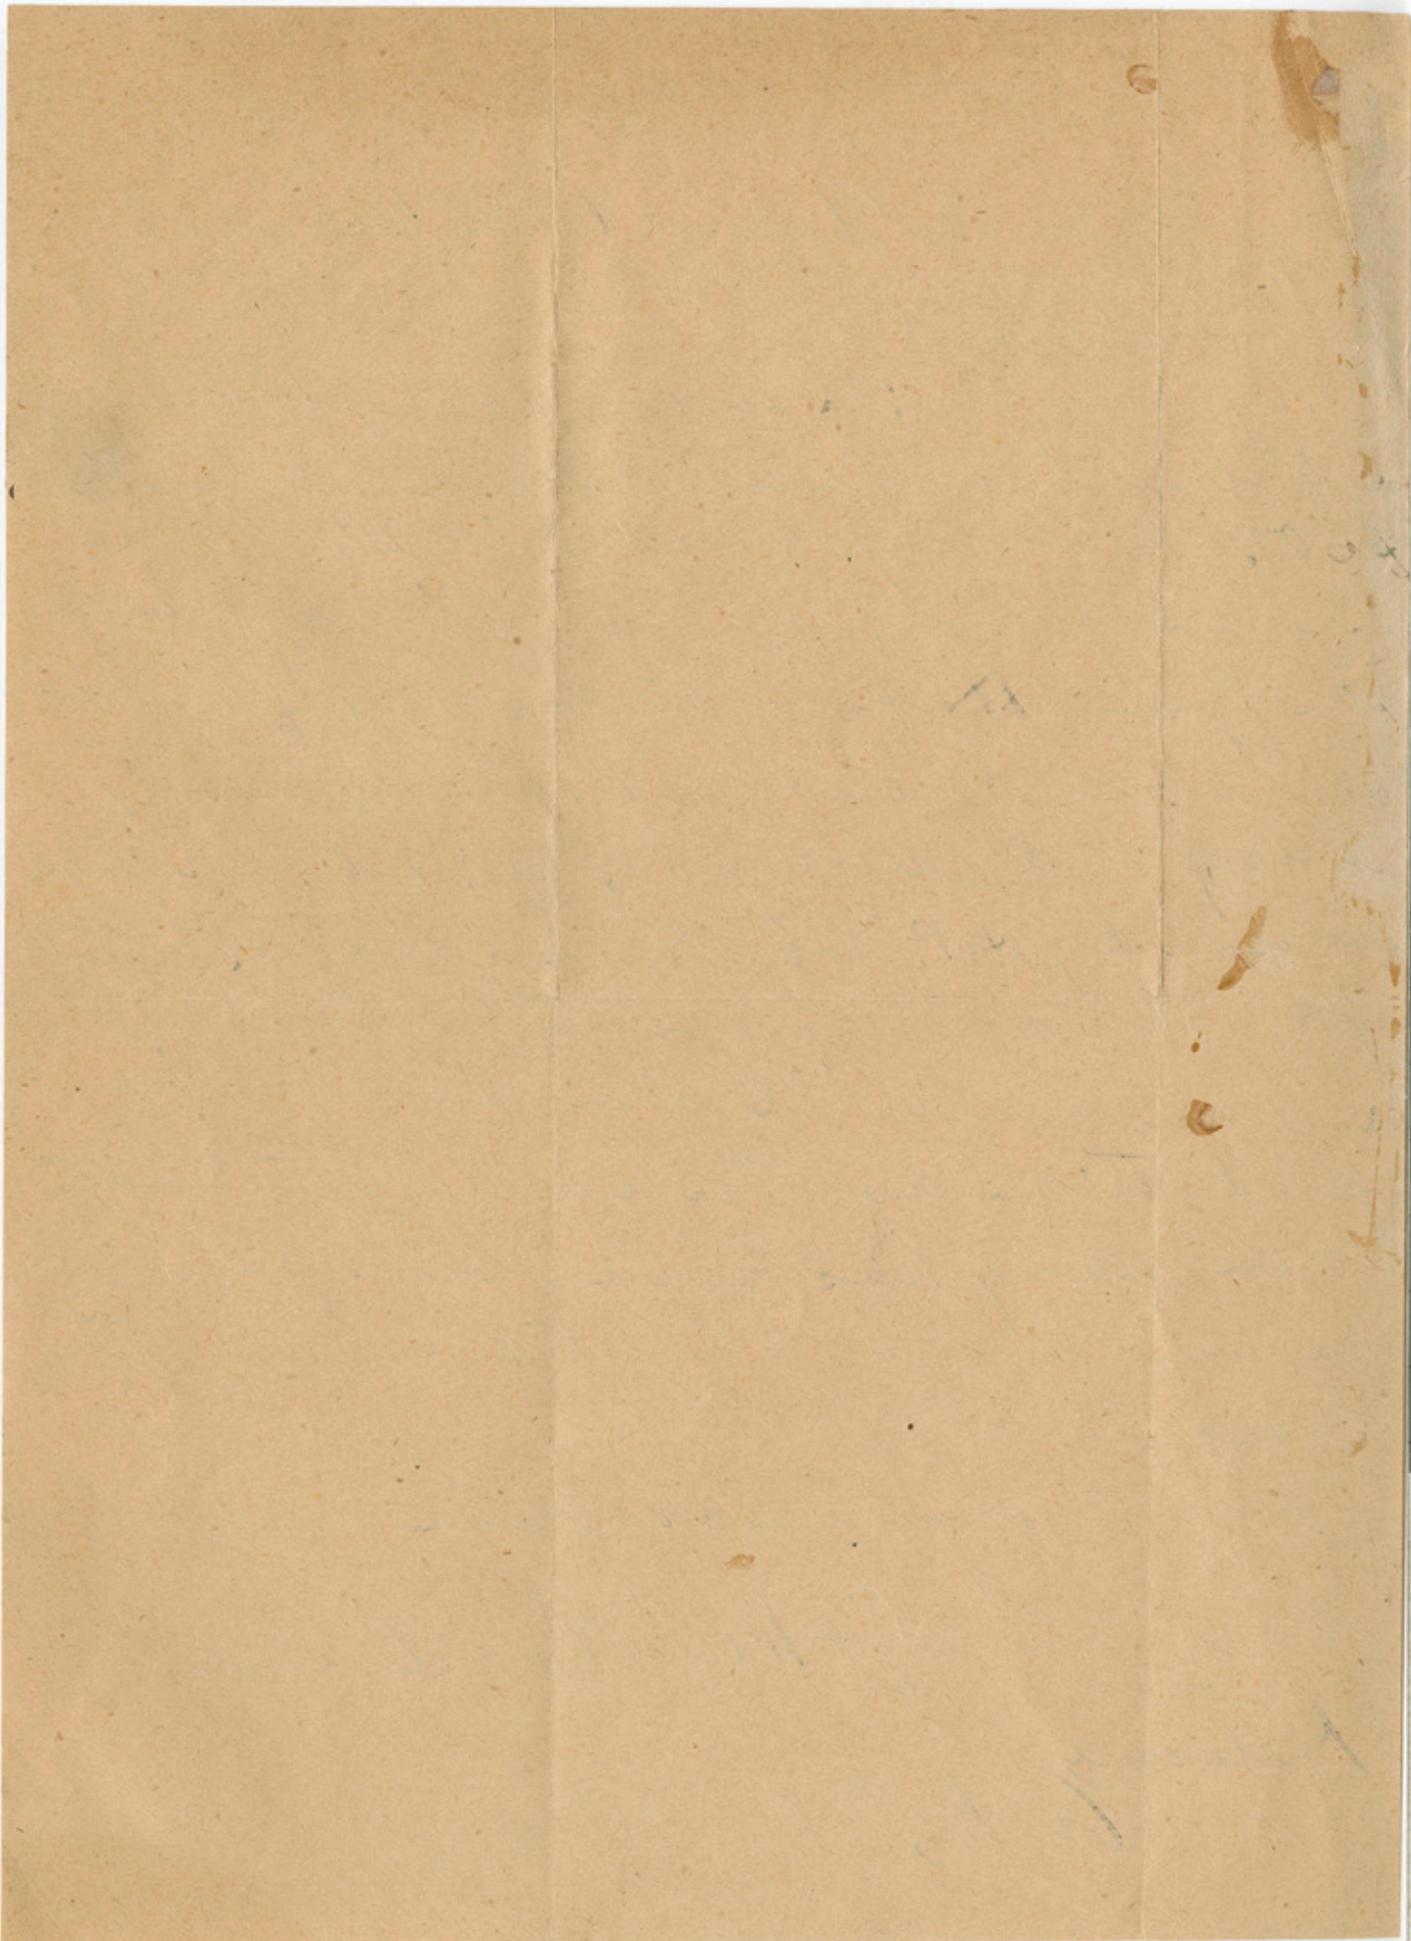

Gen O. O. Howard,

My Dear Sir:- I write to say that when I enlisted in the army I was promised \$500. The money was put in the hands of my Captain, I never received it, but it appears ~~to~~ from the records of the Sub-Treasurer at New York that the money was paid on the 5<sup>th</sup> of Nov. 1867, on check drawn by H. P. Wolcott, in favor of you for John Henderson etc,

I hope you will give me such information as you can on the matter as the money has never been paid to me, and I want to take the proper steps to secure it,

Very much obliged

John Henderson,

My dear Sir.

I have had a Red  
Letter Testament - send me  
and on a printed form  
I see your name thanking  
The Christian Herald for the  
book.

I will put in your words so  
you will know that it came  
with my book. These are the words  
you have delighted my heart  
by sending me the words  
of our God in red thus  
distinguishing them in  
the charming book of the Red  
Letter New Testament.

The book itself is so unique  
and so handy for a traveler

that - I commended your esti-  
mation with out - doubt. I pre-  
dict a great - circulation of  
this new and beautiful work.

Signed O. A. Howard.  
Maj. Gen. U. S. Army

The reason I am writing  
you is because by your words  
I believe you are a Christian  
man and that I can  
depend on what - you tell me,  
that - is if you care to tell me  
any thing at - all.

My Brother Stephen H. Leonard

was killed in the Spanish-  
American war on July 30<sup>th</sup>  
1900. We have not had much  
satisfaction about him.

1<sup>st</sup> we were notified on or  
about 5<sup>th</sup> of August 1900 of his  
death, and they wrote my

him, his body would be  
sent home.

<sup>2</sup>The next word that came  
said he was buried 24<sup>th</sup> Aug.  
the same day as Mother's  
letter got there and that  
he could not be moved.  
Poor Mother and indeed  
all of us feel it very hard.  
We did not even know he  
was in the Philippines. It  
seems he went to San Francisco  
in Oct-98 and we expected he  
stayed there, but by letters  
that have come he must have  
went pretty soon to war to die.  
He was a fine big fellow, dark  
complexion, 6 ft tall, and  
his average weight was 190  
lbs.

He was in Military army  
for five years <sup>in U.S.</sup> and has been  
living there about 15 years.

No one knows<sup>4</sup> I am writing  
but I thought if you could  
find out any thing in any  
way about himself or his  
things, it would be such  
a blessing & comfort to all.  
My Cousin went to the  
National Cemetery in San  
Francisco, <sup>last week</sup> where we were  
informed my Bro. was buried  
and the man that has the list  
of names of buried says there  
has been no one of such a  
name buried there up to that  
date Sept 2<sup>nd</sup> 1900.

And that if they was they would  
send him home at once if want<sup>ed</sup>  
He was Drum Major, in 48 Inf  
Band, I think this is the number  
of Band but would have to  
go to Mother to see the letters.  
How ever I think if you can  
(and I don't want her to know I am writing)  
till I see my ans.

Find any <sup>in</sup> information  
at all you would be able  
to have a little idea about  
him by knowing this much  
His name ought to be some-  
where among the ones that  
have gone out there.

The War Dept; at Washington  
woud give any satisfaction  
as that he could ever be sent  
home as he was buried, and  
that it was against-rules to  
lift-them again, and the other  
man says he is not <sup>buried</sup> there in San  
Francisco at all. So where in the  
world is he. His letters were all way  
posted from S. Francisco & that is  
why we expected he was there. You  
are the first person that we  
have had any surety that  
they would do the right thing,  
and as <sup>are</sup> you followers of the Lord  
we may be sure if you can.

give us any correct  
statements as to his  
whereabouts you will.  
I am a mother and I know  
I should feel it - terribly  
should I loose one of  
my boys.

Do you think it - would be  
possible for us to get - him  
if he is in the National An-  
ctry?

Be it he is not there where do  
suppose he can be, or what has  
happened to him. Mother  
would be so thankful if  
any word comes to clear things  
up. I could not begin to  
tell you. He was 32 years of  
age. We wondered if there  
could be any foul play  
as his boys were sent home  
a long time ago and were

sent that his trunks  
were shipped 23 of June to  
a Mr Lewis Secretary of Green-  
wood Lodge (Macomic) New York

Brooklyn no 563 I think but am  
not sure with out seeing letters.  
My brother was a member in  
high standing in that Lodge.  
It was Mr Lewis that sent his  
keys and some letters that were  
there for my Bro. home again.  
But he has written several  
times since and says he has  
never heard of them since.

If you care to bother to  
send an answer at all it  
will be thankfully rec'd  
yours believing you will  
do what you can.

I am in receipt of your communication of Sept. 29 with enclosures. I am also in receipt of another package of manuscript both relating to the operation of the 11th Army Corps at Chancellville, Va in May 1863.

Please accept thanks for your kindness.

I observe that you request the return of these papers and manuscripts, I shall examine them at once; but if you are in no hurry for I would like to retain them for a few week and possibly into December for I am not certain that I shall be able to read my paper before December. If there is any occasion for returning them earlier I will return them without delay; but you can readily see that might want to use the manuscript on the evening which I read my paper.

Dear Sir:

We have just received a letter from Mr. Deacon stating that the Abstract Bureau has not yet been able to complete the Abstract, owing to rush of transactions in Oil lands. Mr. Deacon explains that the abstract was to have been delivered to purchasers attorney over two weeks ago, and was astonished when he went to Bakersfield yesterday, expecting to find the money in the Bank, that the abstract had not even been completed. The Abstract Bureau now promises to complete and deliver the abstract Friday (the 12th).

We anticipate that the attorney, who resides here, will require fully 10 days to examine the abstract, and several days more for correspondence between this city and Bakersfield, and that we may get the money, possibly about November 1st.

We regret the delay, especially as you have purchased bonds requiring a payment of \$1000.00. We have explained the cause of delay to Mr. Ames, to whom we will pay the \$1000.00 when we get it. *and as you instruct.*

We will ascertain who the attorney is, and do what we can to push the matter to a final settlement, as we had to do in the Alexander transaction.

Mr. Deacon seems satisfied that he will be able to sell the remaining 80 acres before January 1st.

Yours truly,

My Friendly Greeting:

Major General Oliver O. Howard, U.S.A.

The Septuagenarian and Veteran.  
From the Army of the Potomac, to the Army of the Tennessee.

A friend of the freedmen, as well as to the foemen;  
Staunch and true, in these dark-days, or at this bright omen.  
We all knew you then, and of your brave record too,-  
In the Civil War you were, and in it all the way through  
To the Appomattox Court House-at Fair Oaks and Gettysburg  
From the Potomac to the Rappahannock,-  
You were a soldier through and through,-  
And as a Father of soldiers-it is your best estate.  
(A late son-a victim of the Philippine warfare of hate)  
A Commander in the actual service-throughout:  
And taking your turn in the U.S.A. Stations about.  
We knew you at the Department of the East,  
At the Governor's Island, New York Post.  
You will remember the pleasant chats,  
And the place and purpose of our calls,  
And there was no idleness in your hours.  
You met us as a gentleman! and general!  
And we admired you as such, and more than all-  
An author, and a counsellor in the book lore,  
Again we meet you tonight; Let us grasp left-hands,  
How are you? God bless you, Dear General!  
The saviour and conqueror within our bands,  
Not yet relegated to be put upon the "shelf,"  
Not a cormorant of all the wealth,-  
But for virtue, honesty and humanity!  
We honor you and commend you verily,-  
Giving thanks to The Almighty! and say: Amen.

 And we admired you as such, and more than all-  
 An author, and a counsellor in the book lore,  
 Again we meet you tonight; let us grasp left-hands,  
 How are you? God bless you, Dear General!  
 The saviour and conductor within our hands,  
 Not yet relegated to be put upon the "shelf,"  
 Not a corner of all the wealth,  
 But for virtue, honesty and humanity!  
 We honor you and commend you verily,  
 Giving thanks to The Almighty! and say: Amen.

Yours most truly  
 Nathan B. Chassey.

My dear General:-

Your letter at hand and I have sent to Genl. Luddington the one directed to him, and we will wait and see what comes of it. I very much fear <sup>the</sup> my N.Y. representative may have some pecuniary interest in the Casket Co. that have supplied the Government. You know it would be a very easy matter to throw down a new thing, especially if there was some consideration behind it. It is a very wicked world, General, and such things have been done. It is very strange at all events that I get no reply to my letter written the N.Y. office over a month ago. If nothing comes of this last letter, I will interest some of my Congressmen in it, and see what is the trouble.

You are in a good cause now General, and we must overcome the opposition.

Very truly yours,

*Dear Sir and Mother,*

*A Mr Moore of the Ymca was told by Mr. Will Moody that you thought the Canteen a good thing. As I know you officially reported to the contrary I wrote a statement of which I am hunting for a copy as to the matter lost by drunkenness I cannot believe you have so changed a view established when in active service especially as the British army has proved value of abstinence by scientific tests as to health & order*

In pursuance of these objects and in co-operation with other agencies, its original program included (1) raising the age of consent to eighteen in State and National laws; (2) repeal of Oklahoma's 90 day divorce law by act of Congress; (3) raising divorce laws of D. C. and Territories by act of Congress to Christ's standard—absolute divorce for adultery only, as in N. Y.; (4) Constitutional amendment to give same law to whole land; (5) establishment of permanent National board of industrial arbitration; (6) appointment of a National Commission to investigate the labor problem; (7) passage of a Sabbath law for the National Capitol (8) enforcement in the same of compulsory education; (9) suppression of gambling by telegraph (as gambling by mail and by express have already been suppressed); (10) completion of the union of States in scientific temperance education by securing such laws in four states which then lacked them (11) the enactment of local option laws wherever nothing better can be secured at present; (12) the enforcement everywhere of existing laws; (13) prohibition of inter-state transportation of kinetoscope reproductions of bull fights, prize fights, dances and the like; (14) newspaper reform by forbidding transmission in mails or by inter-state commerce of papers containing (a) descriptions and pictures of prize fights; (b) or of suicides, except in scientific journals or on judicial order for identification; (c) or betting columns; (d) suppressing bad reading; (15) curfew ordinances; (16) anti-cigarette laws; (17) national law against Sunday work in Mail and Military service and in Inter State Commerce; (18) International arbitration.

ACHIEVED OF ABOVE PROGRAM up to Dec. 1, 1899:—(1) Raised age to 18 in Utah. Secured votes for same for District of Columbia and Territories from Commissioners and Senate—passed in weaker form in House; (2) Enacted, and pen with which it has signed presented to The Reform Bureau by President Cleveland. (5) Passed. (6) Passed. (7) Secured approval, with aid of Churchman's League, of District of Columbia Commissioners twice, and house D. C. sub-committee in 54th Congress. Secured from Postmaster General restoration of plan to close postoffices on the Sabbath by petition. (9) Secured approval of House Judiciary Committee 54th Congress. Defeat of District of Columbia racing bill 55th Congress. Gambling slot machines removed from Grand Rapids, Owosso, etc. (13) Senate favorable report, 54th Congress. (14) (a) Secured approval in both 54th and 55th Congresses of House Inter-state Commerce Committee. (a) In Pittsburgh, Harrisburg, Carlisle, Mechanicsburg, Reading, Vineland, Evanson, Kalamazoo, Portland, Oregon, Beloit, etc., secured removal of bad literature from newspapers, wholly or in part; also from Penn'a R.R., Delaware and Hudson Canal Co., Lake Shore, St. Paul and other railroads.

Dear Sir:-

Your letter of October 8th in answer to the one which I wrote to Gen. Howard is duly received and contents carefully noted.

It is true that it has been nearly forty years since I enlisted in the army, and yet my recollection is very clear as to the matter on which I wrote Gen. Howard. In order that you may better understand the situation, I will give you an exact copy of the letter received from the Acting Asst. Treasurer of the United States at New York, viz.:

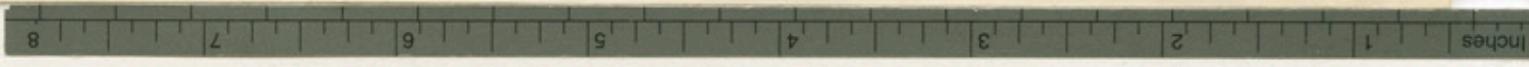

"In reply to your letter of the 19th inst. inclosing two letters from the Auditor for the War Department, which are herewith returned, you are informed that check No. 3692, drawn on Nov. 5th, 1867, by H. P. Wolcott, then Major and Paymaster, U.S. A., in favor of Maj. Genl. O. O. Howard, for Jno. Henderson, Sol. H. 51 U. S. C. T., for \$500. was paid here on Jan. 22nd, 1868, and that it is endorsed: O. O. Howard, Maj. Genl. Commissioner,  
<sup>his</sup>  
John A Henderson, witness: John Jacobs, Merrimac Station, Mo.,  
<sup>mark</sup>  
W. Borgsted and was collected through the German Bank, St. Louis, Mo."

You advise that I might apply direct to the War Department but I did not desire to do that until I could hear from Gen. Howard direct. As soon as you have read the Asst. Treasurer's statement I would be glad if you would write me.

~~It appears from the Asst. Treasurer's statement that~~  
You will see from the Asst. Treasurer's statement that the money was drawn in favor of Genl. Howard for John Henderson. As I have never received one cent of it, I would thank you to assist me in tracing it.

Very truly yours,

THOMAS K. CREE,  
SECRETARY.

Oct. 18, 1900.

General O. O. Howard,  
156 College St.,  
Burlington, Vt.

Dear General Howard:-

I have noted in the papers from time to time that you have been exceedingly busy in connection with philanthropic and political movements, and it is possible you may have been away from home all the time since my letter at the opening of September reached Burlington. It is even probable that you have not seen it at all, as it may be entirely forgotten. I write to remind you of it. You will remember that your contribution has been \$15.00 annually. *and I wrote to ask a renewal for 1900.*

Since I wrote you we have held in Philadelphia our annual conference of railroad men, at which 1,300 railroad representatives were present. More than 300 railroad men professed their acceptance of Christ as a personal Savior at the closing meetings last Sunday. The progress of the railroad department is most remarkable, and I am sure a brief report of its work for a year, which I enclose, will interest you.

I do not want to burden you with documents, but I am sure the report of our army and navy work which I also enclose will interest you. Our new building in Brooklyn for sailors, to cost \$400,000, the gift of a lady, is now well under way. The pictures of the buildings in the Philippines and elsewhere for our "boys in blue" will show you we are doing a good work for this class, which now numbers 100,000 young men.

I sent a subscription book, and stamped envelope asking its return. I do not wish to hurry you, but it is possible my letter and book may have been laid aside for future consideration and forgotten. If the book has been mislaid, do not trouble yourself to look for it.

The opportunities in our work are very many and the need for it very pressing, and I ask, my dear General Howard, as large a contribution as you can give us for the closing year of this most eventful century.

Sincerely yours,

*Thomas K. Cree*

Dear General Howard:-

I have noted in the papers from time to time that you have been exceedingly busy in connection with philanthropic and political movements, and it is possible you may have been away from home all the time since my letter at the opening of September reached Burlington. It is even probable that you have not seen it at all, as it may be entirely forgotten.

I write to remind you of it. You will remember that your contribution has been \$15.00 annually. *and I want to ask a renewal for 1900*

Since I wrote you we have held in Philadelphia our annual conference of railroad men, at which 1,300 railroad representatives were present. More than 300 railroad men professed their acceptance of Christ as a personal Savior at the closing meeting last Sunday. The progress of the railroad department is most remarkable, and I am sure a brief report of its work for a year, which I enclose, will interest you.

I do not want to burden you with documents, but I am sure the report of our army and navy work which I also enclose will interest you. Our new building in Brooklyn for sailors, to cost \$400,000, the gift of a lady, is now well under way. The pictures of the buildings in the Philippines and elsewhere for our "boys in blue" will show you we are doing a good work for this class, which now numbers 100,000 young men.

I sent a subscription book, and stamped envelope asking its return. I do not wish to hurry you, but it is possible my letter and book may have been laid aside for future consideration and forgotten. If the book has been mislaid, do not trouble yourself to look for it.

Mr. H. S. Howard,  
Burlington, Vt.,

Dear Sir:-

In the sketch of Gen. Howard's military career, it appears that gen. Howard commanding the 11th Corps of Gettysburg "received marked credit, especially for his work the first day, from Gen. Meade and from Congress for selecting the famous field of battle, and holding it with his reserve troops, while keeping superior force in check all day from the time of Gen. Reynold's death till near night."

We would especially like to have a certified copy of the action of Congress giving these thanks and of Gen. Meade's action if such a document is extant. It would add very greatly to this book. If you do not have it, can you tell us where to procure it?

Possibly you have the thanks of Congress as conveyed in the Blaine letter, but at all events we wish to have these features of the biography well represented.

Very truly yours,

G. L. Shearer

Dear Harry-

I met Neely's old stenographer this morning. She is working for his estate and is no friend of his, judging from her conversation. She asked why "General Howard" had not filed a claim for Royalty on his books. The last day for this is October 21 - next Sunday. I suppose this will give you until Monday. I never saw the contract your father held with Neely, nor do I know anything of its contents- but I am informed that there were over 3000 books printed and that nearly all were sold. It seems to me that there would be something coming to your father, and I understand that it is the desire of the receivers to settle all claims, and that they have the wherewithal to do it with. The man with whom you file your claim is, Morris S. Wise, of 40 Exchange Place, in this city.

I am under the impression that your father was to receive a certain per cent of the sales over and above cost. Now these 3000 books could not have cost over \$600. They were sold for \$1.00 each, say 50 cents any way - that would make about \$1500 - where is it?

I am sorry I did not stumble on to this before, so you could have had plenty of time to make a claim - but even now I think there is a few hundred dollars in it.

In haste, but sincerely,

*W. C. Howard*

My dear Harry:

Thanks for your kind note received this morning. I have written to the Century Company and doubt not they will help us to the extent we need. I am very glad you are sending to Doctor Shearer the articles you refer to. One other thing we especially need is a certified copy of the Resolutions of Congress extending to your father the thanks of the American people. Can you send me this? It seems to me also that we ought to have copies of the entire series of his commissions, both actual and brevet. I dislike however to trouble you personally with so serious a request as this. Have you not some one in Burlington whom you can trust to handle these papers and make out all these copies, at the expense of the Committee? If so, please let me know.

With kindest regards to your mother and her family,

Yours very truly,

Wager Swayne
