

**LEONARD AUGUSTUS PIERCE**, attorney at law. Throughout his distinguished career in law he has never lost his fidelity to the traditions of his Aroostook birthplace; his perceptive discrimination, his shrewd discernment, his sagacity and his sharpness of mind, have multiplied the effectiveness of his industry and loyalty many times. As a Trustee of the College, as the father of four Bowdoin sons, as representative of his class on the occasion of its fiftieth anniversary, but primarily for the high regard in which he is held by Bowdoin, by the State of Maine, and by New England, we salute him.

*Honoris Causa*, DOCTOR OF LAWS
