

**EARLE SPAULDING THOMPSON**, of the Class of 1914, Trustee of the College. A former Chairman of the Board of the Allegheny Power System, Inc. of New York City, a benefactor of your Alma Mater, you brought to a distinguished career in the public utilities field the wisdom and humanity of a native-bred Down Easter. You have always emphasized the duty of business to the public, and have given generously to the establishment of a scholarship fund at the College for students from Sagadahoc County. Winner of the Alumni Service Award in 1965, you epitomize the best in quiet and generous service to higher education. Unstinting in the sharing of your time, wise in the expression of your counsel, warm in the bestowing of your friendship, you have contributed a great deal to making Bowdoin a stronger college.
