

John Paul Bibber, Bachelor in Civil Engineering and Master of Public Administration of the University of Maine; Town Manager of Brunswick, whose daily labors on behalf of "the common good" translate the theory of the classroom into the realities of Maine Street; with tact and patience, he brings the varied forces of government together; a dedicated and respected public servant who has done much to foster good will between town and gown; Brunswick and, therefore, Bowdoin are better because he lives and works here; we honor him on his twentieth year of service to all the people of our town.

Honoris Causa
Doctor of Civil Law
