

## LEROY DUDLEY CROSS

LEROY DUDLEY CROSS, from 1942 to 1965 you served this College well as its first Faculty Secretary. Since your retirement, you have continued to be a good citizen of Brunswick and a helpful friend of Bowdoin. 'Me First Parish Church, the Brunswick Chapter of the Red Cross, the Pejepscot Historical Society, the Curtis Memorial Library, and the Hawthorne-Longfellow Library have all benefitted from your devotion and care during the years you have lived in this community.

Your avid interest in mountaineering has brought you recognition by the American Alpine Club, by the Appalachian Club, and by the many mountain climbing friends who have profited from your comprehensive collection of mountaineering books. Father of three Bowdoin graduates, grandfather of two, honorary member of the Alumni Association, welcome to your new Bowdoin honor.
