

LEON ARTHUR GORMAN

Leon Arthur Gorman, graduate of the Class of 1956, *cum laude*, you have greatly expanded the business founded by your grandfather, L. L. Bean, and yet you have retained the quality and concern that makes Maine proud of that remarkable Freeport enterprise. You have been generous in your commitment of time to your college as a member of the Alumni Council and as an alumni representative to the Governing Boards. Your state has benefitted from your service to the United Way; the Pine Tree Council, Boy Scouts of America; the Maine Audubon Society. Your contributions to the welfare of Maine and to higher education attest to your belief that business leadership means community participation.

Honoris Causa
Doctor of Laws
