

BENJAMIN FREEMAN KINGSBURY, Professor of Histology and Embryology at Cornell University; Bachelor of Arts of Buchtel College; Doctor of Philosophy of Cornell; son of a distinguished Bowdoin father in the well-known class of 1857, and father of a Bowdoin son graduating today; in his own right eminent scientist distinguished both for research and teaching, which has placed many students of biology and many students of medicine in his debt.

Honoris Causa, DOCTOR OF SCIENCE
