

HARRY CLIFFORD KNIGHT, of the Class of 1898, of New Haven; Honorary Master of Arts of Yale University; President of the Southern New England Telephone Company; past President of the New England Council; one of the leading citizens of New Haven; a fine example of the oft-proved fact that a liberal education is an effective preparation for posts of importance in the technical field; straight forward, honest, public-spirited business man.

Honoris Causa, DOCTOR OF SCIENCE
