

LOIS DICKSON RICE

Lois Dickson Rice, a Phi Beta Kappa graduate of Radcliffe College and a former trustee of that distinguished institution, you have served education, government, and business in a variety of demanding roles. Now Senior Vice President for Government Affairs at Control Data Corporation, you had earlier demonstrated your qualities of leadership with the College Board in the 60's and 70's and with the National Scholarship Service and Fund for Negro Students in the 50's.

Throughout those years, innumerable Councils and Commissions benefitted from your wisdom and guidance. In 1977 you were honored with the Department of Health Education and Welfare Award as "Outstanding Citizen" for Distinguished Service to Education.

Today we welcome you back to your native state and to the College from which your four brothers graduated.
