

**WILLIAM ELLERY WING**, of the Class of 1902; Principal of Deering High School; recognized as one of the ablest, coolest, and most progressive of those men engaged in the great business of administering the public schools of the State of Maine; well known in the State and outside for his independence of judgment and straightforward dealing; the excellence of whose policies may be seen from the fact that his school has twice in the last four years won the Abraxas Cup awarded annually to the school whose graduates maintain the highest average in their freshman year; member of the committee of the alumni on the needs of the college, and always a friendly, kindly critic.

*Honoris Causa*, MASTER OF ARTS
