Joshua Chamberlain Jr Esq

Dear Sir yours of the 27th is rec^d - I have been out to N^o 5 R 9th at the expense of two persons who wrote me to do so and give them my opinion of the same, and I am much pleased that it was not at my own ^{as it is here} expense - I understand that Pales sent some one onto his Lands this fall and that he left them in care of S W Coombs at Mottawanking, - I have engaged to accompany the Committee who are settling of Public Lot in Westock County as an agent on some two or three of the Townships and they commence on the 1st inst consequently I shall not be down for some longer to come - I wrote some few days since saying if you had settled your Locating accounts you might send this bill me by mail - it would be convenient to receive it and if you send it now (as you have not received it) cast such discount as will be fair in the matter - I will see you when I come down

Yours truly

David Haynes
