Mr. Chamberlain, will you please read the following notice to the Freshman class?

There is, in college, an organization whose object may be inferred from its name - The Praying Circle. Its members are composed of such students as are desirous & determined to live, as far as may be, a Christian life. Its regular meeting is one for prayer, - public to all members of college - & is held in the Senior Rec. Room at the ringing of the first church bell Sabbath morning. An invitation is hereby extended to all members of the Freshman class, who may feel disposed, to join us in that meeting.

Per Order,

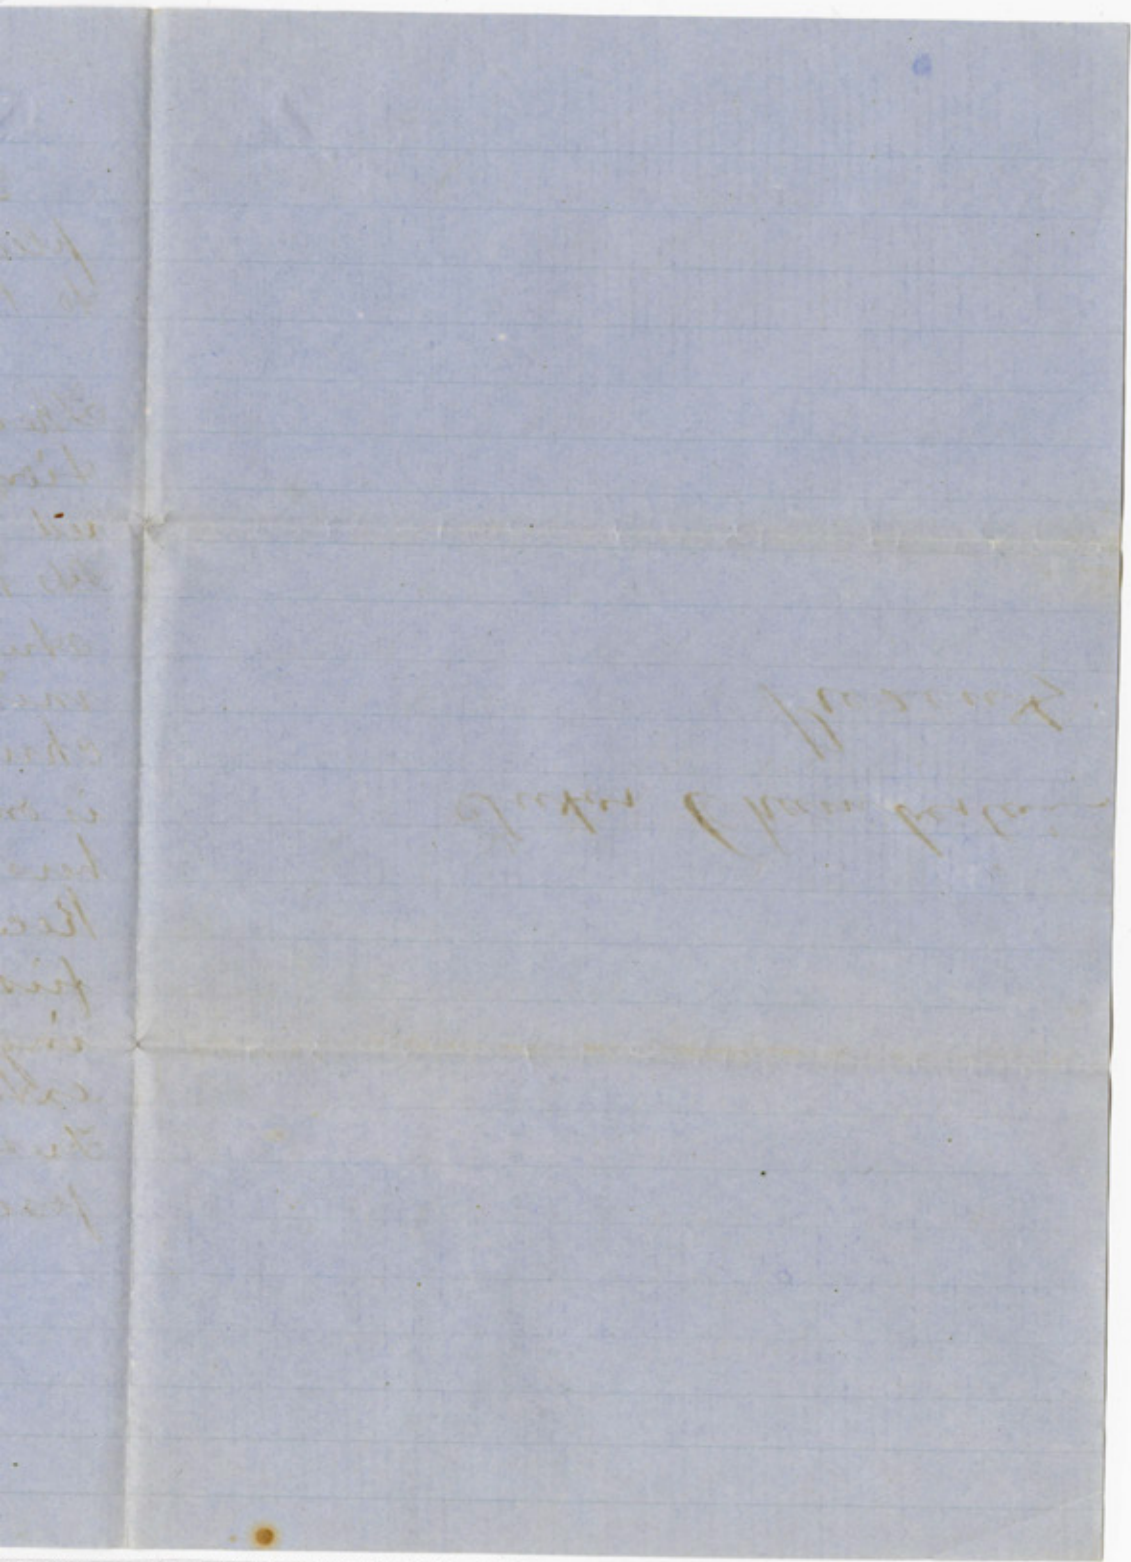

J. H. Taylor,  
President.

The Commission will be  
pleased to read the following  
to the American people.

There is an effort to organize  
them in a way which will be  
not from the American people.  
The members are composed of  
individuals who are themselves  
interested to find out for our  
education. The regular meeting  
is one for people who are  
hard of hearing. It is held in the  
Red Room at the University of  
first school but the school is  
very much interested in the  
collected to all members of the  
American people, who are  
pleased to find out in that meeting.
