Mr. Chamberlain

Having always trusted to Miss Morse to exhibit the Sewing Machine and she not being able to attend to it to day the Machine was not properly shown.

I sat down to it for about a half hour this evening and have got "the hang of it" very well for a beginner, and if you or your wife or both will call in early in the forenoon or in the evening when I shall likely be at leisure I will endeavor to show it to you properly.

Yours

Wm. G. Boardman
