

Boston July 31st 1839

Prof. Chamberlain,

Dear Sir,

I send you
my Part which I have reduced to very
near the required limit. If you have
any further criticisms to make, please
return by Monday's mail directing
Care Sanborn Richardson & Co. Boston.
otherwise, I shall commit it as it
stands at present.

I attended Commencement at
Harvard yesterday, but I think
I never listened to such ordinary
exercise as Pronouns - and some of
the parts were as undignified as they
were ordinary.

Yours Respectfully - H. O. Ladd.
