

Major

The 198th Penna Vols
left for home very early in the
morning taking with them all the
Regimental and Company records
in one of the officers trunks, and as
we did not know or expect them
to leave so early I did not see the
things packed. An Officer was detailed
from the regiment to take the Mustering
rolls from this office.

Capt. Webster is absent tonight and
I cannot ascertain who the officer
was to furnish the same but I will
see him early in the morning and
inform you immediately.

Very Respectfully

Yours &c

Handwritten text on aged, stained, and torn paper, likely a letter or document. The text is written in cursive and is mostly illegible due to fading and damage. The paper is divided into three horizontal sections by two horizontal folds. There are several holes and tears, particularly along the left edge and a large hole near the center. A ruler is visible on the right side of the page, indicating the size of the document.
