

Brunswick Maine April 65

Dear Sir

Tho a stranger I bear  
you in mind, hoping that you  
may ever stand by the truth,  
firmly resisting temptations  
and in due time be returned  
to anxious friends unscathed  
receiving the kind wishes and  
thanks of from every loyal heart  
which you have so richly merited!

Are you sick, are  
you wounded? gladly would I  
minister to your necessities, if I  
cannot - I can point to One ever present  
with you abundantly able & wil-  
-ling to do all for you that you need.  
Trust Him. A Mother who has two sons  
in the Army
