The Messrs F & E Reed, have the
policy of Insurance ready for
you. The old one renewed & an
addl one for the other 1/2. I have
not heard from Capt Jordan for
One Month I suspect he feels so bad
about his being Caught so that
he does not like to write until
he sees his way out. I wrote to
Boston yesterday asking when the
Mr Worster who's Signature is needed
on that Bill of Sale will return. He
has been looked for at home for some
time and if he does not come
this week I shall go up Monday or
Tuesday and see if I cannot
do something to accomplish it. I think
he must be home in a few days
Certainly. It has annoyed me
