My dear Mene:

I am sending you some tobaccos, tea, oil and alcohol by . I hope you get it all right. Also I am sending you a box of 95-70 cartridges.

There is plenty of time yet. If you come ten days (10) from now it will be good time so don't hurry yourself; but come as soon as you can after 8 or 10 days. Yesterday when Ootah, Egingwa, and the rest got here was March 24. If you wait 10 days it will be April 4th and after that we ought to get started back.

Mac left a few days ago. The weather has been bad and there has been much open water. I killed a big caribou a few days ago.

When you come bring an Eskimo with you. Siglo is the man if he comes to Nerke, but if he doesn't bring someone else.

Good luck to you. I hope to see you soon.

Ek.
