

March 17 [188]8

Mrs. Sarah Winnemucca Hopkins

Lovelock, Nev.

Madame:

Gen Howard has been  
detained by business, so that  
he will not be in Lovelock  
till Thursday March 22.<sup>nd</sup>

He hopes this delay  
on his part will not delay  
his seeing you. He will be  
able to stay only a few hours  
in Lovelock so that it would  
please him if you met him  
at the station when the

overland train from San Francisco  
reaches Lovelock, Thursday  
morning. March 22.; or, at least  
have someone there who can  
take the General directly  
to you.

Very truly yours

E. St.J. Greble
