Baltimore Oct. 9/66

My dear General,

I understand that you are to be here on Thursday night. Allow me to propose that you leave Washington by the 2.45 P.M. train. I want to ask Gen. Gregory to dine with you here at five o'clock. This will allow just time enough previous to the meeting at 7 o'clock.

We will expect you according to the above unless we hear to the contrary; and unless you decide to do still better; that is, come earlier & spend more time.

Very truly Yours,

Edwin Johnson

The Committee of arrangements have packed so many speakers into one meeting (Beecher, Russell, Patterson, Burroughs etc) that for any one of you the space must be small.

lecture, that can be deferred
longer if desirable for you.

Dear Sir

I regret very much to say, that our projected meeting in this city for the Lincoln Anniversary on the 18th of this month, will have to be postponed, on account of the Ecclesiastical meetings of the Presbyterian Church especially, which would so much interfere with it, that we would not realize the results we wish.

I regret also to have given you so much inconvenience in writing in the attempts to fix a proper time, but it has all been in hope of good to the cause - Our meeting of trustees also will be postponed - we will anticipate the pleasure

My Dear Sir,
