My dear Minn, and
Christian Brother,

Your esteemed favor
of the 28th is this day received.

I feel quite as reluctant as you
are to having anything done that
may injure a fellow Christian
especially to one of the (coloured)
race. But the cause is more
than any one man, and we
must be careful of it. I can
not now furnish you proof
of Dr. R. unworthiness, nor have
the particular facts, except in
Chicago, been given me. I have
however such general statements

of his unworthiness that
I believe you ought to
insist on his returning
to you all your testimonia-
ls in his favor. If after
further investigation you
find him worthy you
can give him new testimony
that will do him good.

It is easy for him to
profess correct views, now,
but I see no reason yet
to doubt that the report of
his speech at C. is correct.

More than one party has spoken
unfavorably of him in N. Orleans.

Let me give you a copy of
a notice cut from one of your
Washington papers, ^{one week ago,} ~~the other~~;

"Spiritualism. Mrs. A. H. Kinnon will
deliver a discourse in Union League Hall
on Sunday Nov 25 at 11. A. M., and Mr.

A. E. Newton, formerly editor of the
 "New England Spiritualist" will lecture
 at 7 1/2 P. M. on "the Philosophy and
 the remedy of evil". Admission; Men
 free; evening 10 cts

I believe that Newton is the
 Supt of Schools of the Am. F.
 W. Conn. at Merthinton.

Spiritualism as "the remedy of
 evil". How long will it take
 us to counteract such teaching,

 not suppose you can act
 directly in this matter, but
 you ought to know the
 influences that are at work
 there.

Yours truly

to reply to your offer
that we will gladly accept
all the conditions. We

you can make connec-

and the next one after
this in due time.

Please reply as early as

Dear Sir.

When you come to this city to lecture before the "Institute," I shall be very happy if I may be permitted to receive you as my guest, and to entertain you during your stay.

I am indeed personally a stranger to you, but, besides the interest in you as a Christian Soldier, which I feel in common with others, - I am a Maine man, and am, as yourself, a graduate of Bowdoin. (Gen. Fred. D. Sewall was of my class.)

I should have some hope, therefore, of being able to make my

house seem a little like home
to you. 41

I have an impression
that you have had some ac-
quaintance with my father's family,
residing in Auburn, Maine. Am
I right? -

But do not understand me
as laying any claim to you. I
shall only be very happy if it please
you to honor me by accepting my
invitation.

I am, General.

Very respectfully
Your obedient servant.

I have just received your letter of the 10th inst. and am glad to hear from you. I am well and hope this finds you the same.
