Dr Sir

Knowing the interest
you take in young men and
the spirit that prompts it.

I write you, I have a brother
in the Treas dept John L. Lewis,
and I ask of you in the
name of our "beloved Master",
that some time you will
talk with him upon religion
I wanted him to join
the Young Mens Christian
Assn but he has not done
so yet, lately he joined the
Episcopal Church, if he has
experienced a change of
heart. and desires to
become a true follower of
Christ I shall feel that

God has been very merciful
to our family.

Pardon the liberty
I have taken, but I know
no one in your city who
I believe loves Christ as
you do and cares for
his fellow men.

Yours truly
J. A. H. Lewis

General

I to-day met J. J. Eius of North Alabama, who tells me that in a conversation with you in Washington you informed him to his surprise that "Col Callis had treated you very other way than with the respect due an officer, a gentleman or a Christian when you were here."

This statement gives me pain, and thinking it due to myself as an officer and Agent of the Bureau of which you are the Chief,

I most respectfully ask you to inform me how any disrespect was shown you, or the party with whom you were traveling by me - I think there must be a mistake somewhere, for I was the first man to meet you ^{when you} left the cars; went to the spring with you; back to the supper table, and thence to Stearnson where I left you on the platform, and returned to Huntsville on a tender the same night. I trust General, that you will pardon me for writing this letter, and I assure you that I flattered myself that I had shown you all the courtesy that could be asked for, and was only sorry that your short stay would not permit of your going to my office, where I could have shown you many letters and records of the Sub. which I know would have been of interest to you. I recollect that I was suffering very much (over)

pain from my wounds when you were here, If I did not
extend every courtesy that could be asked for, it may possibly
be attributed to that,

May I ask General, that you write me freely on this subject
as I still think there must be a mistake somewhere,

I have the honor General to be

Dear General -

I have a scheme for putting
the Sabbath Schools at work for the
Freedmen - making every teacher
& pupil a working member of a
sort of juvenile Am. Miss. Assoc.
Indeed I think I will create
a Juvenile Missionary Society
of which every S.S. child who
collects \$1 or more for our treasury
shall be a "Working Member," &
shall have a certificate of
membership. Our traveling
collecting agents can put
the experiment in definite shape
with great rapidity. I shall

push it ^{here} out west, at any rate,
& ^{shall also} lay it before our New York
people, to be extended eastward
if they like. We want a President,
some Vice Presidents, & a Secretary.
I mean to be secretary myself,
as I must "run" the machine.
Of course I have elected you
President, & I think it will be well
to make every S. S. Supt. who puts
our scheme through his school
a Vice President. This will rank him
next to Gen. Howard! a great
honor for the Supt., & sure to make him
a warm personal friend for the General.

I will not detain you

now with lesser details: they
are nearly complete, & will
interest you more after full
proof & fair success.

Every certificate of mem-
bership will be attested by a
printed fac-simile autograph
of the Pres't & the Secretary, &
the written signature of the local
Treas'r (the Supt.) These autographs
of the General will be highly prized
& carefully preserved.

Now in addition I want
to print on the back of each
certificate the full text of your
note accepting the Presidency. If

There is room, I will have a
fac simile of the original MS
engraved: if not, it can
be printed in common type.

Please send me therefore
such a note as would suit
such a place, & we will cir-
culate it by thousands &
tens of thousands.

Everything else will be
ready by the time your note
can arrive.

Always faithfully, fraternally

General

I take this liberty (at the suggestion of Col Jewell who passed through here last week) I desire to obtain a Bot authorized by an Act recently passed by Congress.

And would like very much to elicit your good office in my behalf. Could I get you to present my case before the War Dept.

The Act provides that officers apart from the Vol Force, may have a Bot rank confirmed, for services rendered while in the Vol service.

Other Lynch Representative from my Dist is at Portland and is not likely to be in Washington till next Dec. If you will take the trouble to enquire what course I must pursue to get the Bot apart, I will be under great obligations.
