

Detroit, Mich., Nov 16th 1860

Dear Sir

Do you know of one opening for a young married man, who writes "Short Hand", is familiar with the duties of a Railroad Managers office, has had over 6 years experience in the Head Office of the Grand Trunk Railway Company of Canada, for which I hold Credentials, and can refer in this City to W. L. Muir Esq. Asst. Genl. Supt. of the Michigan Central Railroad, is a member of the young Mens Christian Association in this City, came from Montreal with Credentials a little over a year ago, and would be valuable as secretary to any conscientious Gentleman, who wished such, and wished to avoid the drudgery, or had not time to write his own Correspondence, retaining at the same time the advantages of personal dictation.

I would prefer a Railway Manager,
one not very particular, have a delicate
wife who must go in a south-easterly
direction, the nearer the sea coast the
better. Without trespassing further on your
time, could you quote the names of one
or two Railway Managers in the Southern
States to whom I could write. I should
have written several of them before this,
but feared to get into the hands of per-
haps bad men. Would have no fear
about going south at all provided I knew
I was going to serve the right kind of
man. Can bring letters from, or refer
you to the offices of the F. M. C. A
here & will be extremely thankful for
any information you may be kind enough
to afford. Please address the undersigned

Joseph Burton.

Maj^r Gen. O. O. Howard
Commissioner B. I. & F.

General

I desire respectfully
to submit the following personal report of
service in your Bureau during my con-
nection therewith.

Nov. 3rd 1866. was appointed A. A. Luyam and
assigned to duty as visiting physician on Cap-
itol Hill.

April 15th 1867. was ordered to take charge
of the hospital and Asylum at Freedmen's
Village Va.

May 25th 1867 was ordered
to Boston Mass. on public business connected
with the Bureau. With permission to visit my
home in Maine.

July 10th 1867. in addition to my duties as
Medical Officer, was ordered to assume the
duties of Superintendent of Freedmen's Village
Receiving. Capt E. B. Gates U. S. C.

In the latter part of the same month
was attacked with severe intermittent fevers,
which disease continued, constantly
until June 1868, and at periodic
intervals up to the present time.

January 3rd 1868. on account of this
continued periodic sickness of myself

and family. was permitted to remove my residence from Freedmen's Village to this city. But to continue to make office hours daily at the Village.

At the same time my salary was increased from one hundred, to one hundred and fifty dollars per month.

Feb. 25. in addition to my duties as Superintendent and Medical Officer was ordered to receive all public property pertaining to U. S. Department and to Bureau B. F. & A. L. relieving J. C. O'Steal Property Agent.

April 30. 1868. In further addition to duties already enumerated, was given the supervision of that portion of Va described, described by a radius of three miles with Freedmen's Village as the center. During this period, (one year) the dependent population of the Village had increased from a little less than five hundred persons, to seven hundred and fifty, and added thereto a population of upwards of one thousand outside the Village, requiring my attention, and no corresponding increase of Clerical assistance was given.

July 1st 1868. By reason of constant ill health - was granted a leave of absence

of thirty days, - which was subsequently
extended fifteen days -

During this absence the hospital and
Asylum were discontinued, and the in-
mates removed to Freedmen's Hospital
Washington, and all other dependents
ordered to be discharged.

This breaking up of the village, involved
me, in the loss of the following articles
of public property - to wit -

460. Wollen Blankets, 46. Sheets,

77 Counterpanes, 145 towels, 3 hair Mat-
trasses, 160 pillows, 50 Dressing gowns
196 shirts 97 drawers, 1 case dressing
instruments, 11 bed-side bottles, 25
Chairs 20 Stoves, upwards of 100 tin-
cups - as many tin plates and knives
and forks and many other articles
not born on my list of property.

Together with one public horse and
several pairs of harness and carriages.
The horse &c. belonged to L. M. Sep-
mund and was made up by me by
purchases to replace them lost.

Besides these public losses - there
disappeared from the Office buildings
and from the stable private property
of my own to the amount of \$2500
nothing of which has been recovered.

[Faint, illegible handwriting on lined paper, likely bleed-through from the reverse side.]

August 21st 1868 all agents and
employees, except five, were discharged,
thus compelling me to close my official
business with no clerk or assistant
whatever. And in addition to these
duties, I was ordered to visit - sick
freedpeople in all that part of the
city east of the Capitol, at Lincoln
Buildings, and at Barry farm,

Oct 21st was discharged as A. A.
Surgeon, and on the 15th of Nov.
as Agent, &c -

During the year past I have
been accustomed to give aid to
self-supporting freedmen, by the loan
of money ^{for the purchase of} ~~to~~ purchase horses, farming
implements, seeds &c, to assist
them in their farming operations.

During and since the public sale of
buildings &c, at the Village, I have
loaned money to twenty-seventeen
persons to assist them in the purchase
of tenant houses in which they lived.

These loans have been attended with
considerable losses. But have been in-
tended for the best interests of the people,

I am very respectfully,

Gen O. O. Howard,

Dear Sir.

I write at
the request of Theodore Tilton,
who sends you his best compli-
ments, and wishes to know if
you can send him the account
of the difficulties in the
Congregational Church in Wash-
ington, of which you were speak-
ing with him. I understand
that you said that you would
either yourself prepare a calm
judicial statement of the facts
or could get some one else to
do so. It would appear
as a communication, and
I suppose you would prefer

anonymously. Of course we
would prefer to receive the facts
from you, and would pay for
the article - I was hoping,
being the editor having main
charge of the Religious needs,
to visit Washington during
the meeting of the Council,
but that will be impossi-
ble, as we are just now in
the throes of enlarging the
Independent -

I write for Mr. Tilton
as he is just gone out of
town, on one of his lecturing
tours -

My sister, Miss
Hetta C. H. Ward, whom
you may remember as a
teacher in your Sabbath
School, and who often
speaks enthusiastically of

General Howard, wishes
to be remembered to
your daughter Grace,
who was one of her scholars.
I am.

Very respectfully Yours
William H. Ward.
