Sends this sheet as the Soldier's messenger to his home.

Let it hasten to those who wait for tidings.

Washington Jan. 5th 1864
Gen. O. O. Howard

Dear Sir,

I am directed
by the Managers of the Col's
Orphans' Home, to lay
before you the following
facts with regard to the
child of John Cole re-
ferred to in your note of
30th ult.

The child was brought
to the Home Dec. 9th by her
own mother who is ready
to sign the requisite paper
and give the child en-
tirely to ~~her~~ case. She
states that the father

had deserted her four
years ago refusing to pro-
vide for herself or the
child that he was in-
temperate and worthless.

Under these circumstan-
ces the ladies feel unwill-
ing to give up the child
to such a life as the
father and a woman
who is with him would
naturally lead her into.

Very respectfully

Dear General

I have seen Senator Nelson and he says as far as his Committee ^{act} it will not be to embarrass you. That no investigation has been thought of, that he knows of, by any member of it. That if it should be advised, the time should be considered, with regard to your wishes.

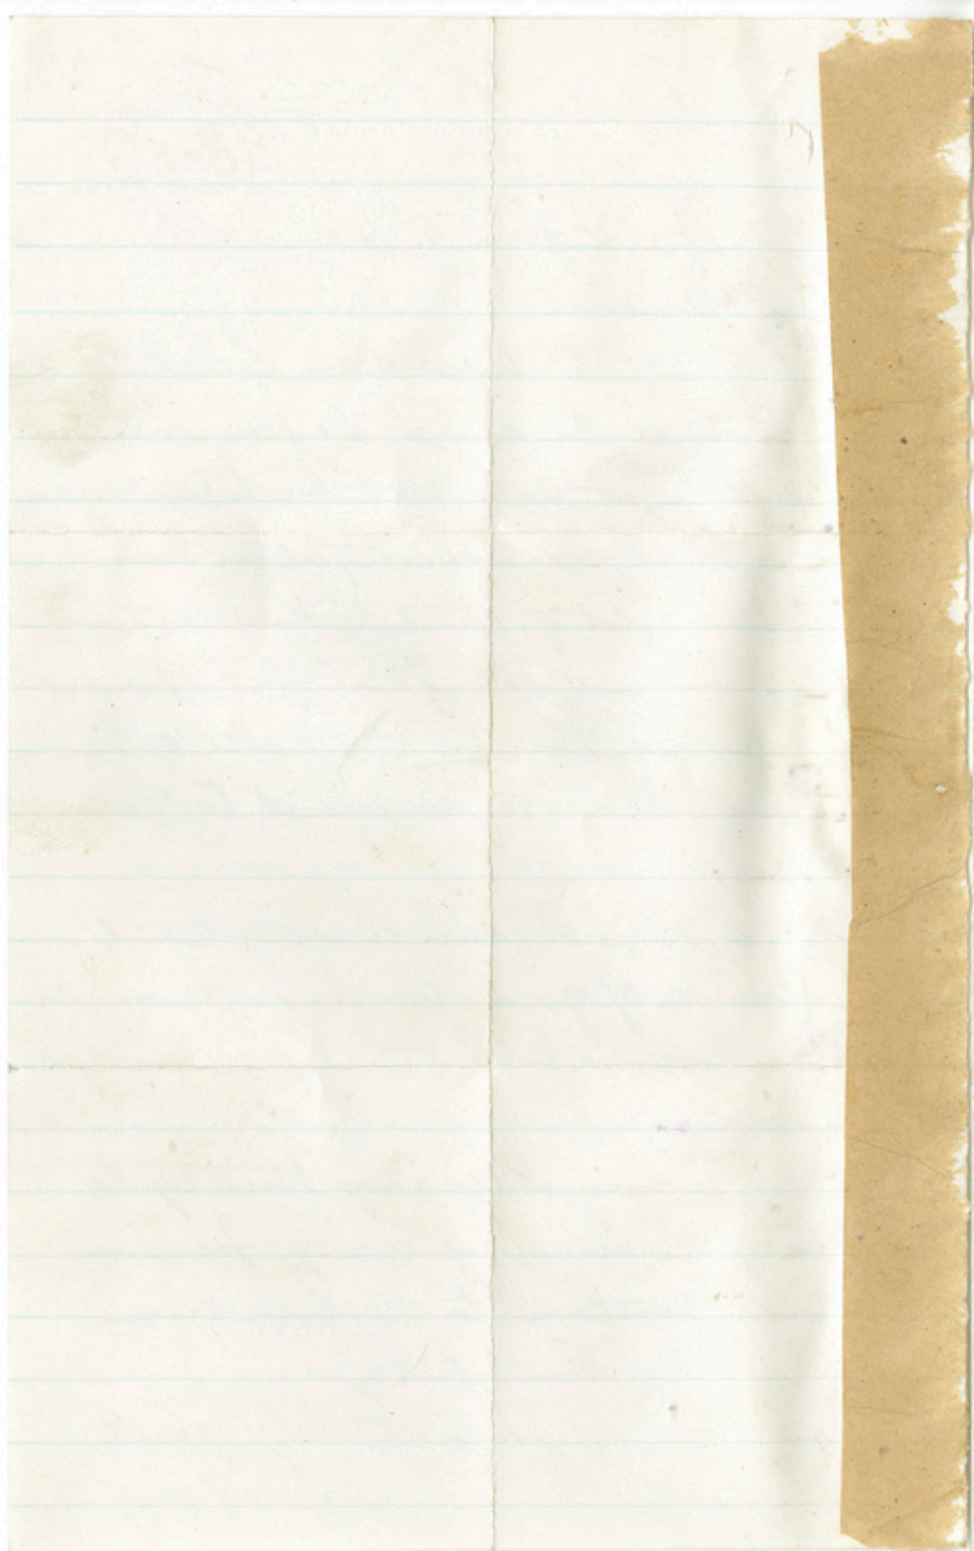

Says he can understand the course of your enemy - through the Gazette. & I think judges of it wisely.

Can I do any thing to serve you, in any way. - please do not hesitate to advise me

I hope you will not think
I am "taking liberties" in writing you,
but I have felt such an intense
& increased interest in you since
I had the honor of meeting you
& taking that interesting ride with
our steamer & beloved friend
Genl. Buckingham that I hope
it will be a sufficient apology -
I have been connected with the
Army as Chaplain since 20th Apr 1861 -
have made many dear friends
both among rank & file, & formed
a very ^{high} opinion of many in the service
But I know of none whose character
& welfare seemed so dear to me & for
whose success I entertain more
earnest desires than your^{self}, long
before I had the honor of meeting you -

It seemed to me that no Officer
in the Army was placed in more
critical & trying circumstances, involv-
ing the interests of millions of poor
oppressed & wronged fellow beings,
& the welfare & honor of our Country.
Thousands in the North as well as
South were watching & wishing for
Your defeat - and I have trembled
lest through some injudicious friends
or bitter enemies plotting Your ruin
You might be placed in some false
position which would be disastrous
to the Cause entrusted to You & distressing
to Yourself. But prayer has been offered
unceasingly for You, & our Government
keeping & prayer-hearing God has
redeemed Yourself & Your noble Cause
& our beloved Country out of our
threatened danger.

And now my honored & esteemed friend
(for so I must call you) it seems to me

The Secretary of the War Department
Washington, D.C.
Dear Sir:
I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the matter of the purchase of land for the use of the War Department. I am sorry to hear that the land is not available for the purpose intended. I will endeavor to find out the cause of this and report to you as soon as possible.

I am, Sir, very respectfully,
Your obedient servant,
John A. B. [Signature]

You are justly entitled to repose
 upon your laurels, & while you
 only hold up your empty shield
 to your assailants—look up to God
 for strength & wisdom to do all His
 will, following in the footsteps of our
 Divine Redeemer, who when he was
 reviled, reviled not again, but
 when smitten on one cheek, turned
 the other also — I wrote Mr Cushman
 that I considered the very spirit & animus
 of the opposition to you in the Church at
 Washington, the same as that which
 instigated & sustained the rebellion
 And just as certain as you triumphed
 over them, just so certain with
 God's help & blessing you shall triumph
 over these — Be firm & calm as you would
 be in battle, but do not yield a single
 iota, & do all in your power to build
 up & establish upon the Rock of Ages

My dear friend

Through the kindness of some one in Washington I have the statement of the Ministry of the Baptist Church of the District of Columbia. It is a very interesting and valuable document on all the points of the migration of the Negroes to the West. It is a very valuable document in itself and the information it contains is of great value. My dear Genl.

I hope you will not forget to do me the favor of seeing Sec Schofield with reference to having my son ~~Adjutant~~ (Capt. H. Brewster) & A. F. Fessenden ^{son} U. S. A. - now at Smithville - Ark - called to this city for duty.

I inferred from what you said, that your staff is full; but I did not understand that the Sec of War could not find some place for him here where his services are needed. I had rather have him under you (or with you in some capacity) than any other - but if this cannot be - we must do the next best. Secretary Schofield knows what he is as an officer, & I am sure, will be disposed to act as you may suggest if possible.

May Genl O. O. Howard

Dear Sir

I trust my necessities, & another ^(yesterday) failure to see you, will be a sufficient excuse for again intruding myself upon your attention.

Your denial of doing or saying any thing reflecting upon my Medical Character, Apparent friendship & proffered aid within your power, led me to hope for something in the distribution of Offices at your disposal.

I am free to confess my disappointment, inasmuch as two new ones ^{are} provided with places, thereby furnishing seeming evidence of want of confidence in me to fill said places. Besides, permit me to respectfully to inquire, why I am now employed to do what I did when I was in the Hospital. I attended to all the females, - the lying ward included - 1 Male Ward, the Dispensary prescription, from 50 to 70 families in camp, besides attendance at all meals

giving me full employment; not as they ^{have} now,
to spend on home or two, & then to look after their
private practice. The numerous families in Camp
were fully equal to the additions from the Village,
so that there is now no more to do than when
I was there.

I am centrally located for my limited acquain-
tance, with plenty of practice, but little pay. I am
ever ready to attend to the calls ^{of the poor,} hoping for my bread
and butter. Giving the Orphan home to one already
well provided for - having a £1600 Clerkship, besides a £1000
Professorship - savors of injustice.

I wish here to say, that Mrs Bartlett going to you
was unknown to me, & should be viewed only as
an act of kindness on the part of an old friend
as there is not the slightest sympathy between
us in Church matters, on the contrary, I have
been exceedingly pained that ~~they~~ ^{she} with other
Oberlin friends should so persistently defend
and sustain Dr Boyington.

Yesterday, I was compelled to sell one of
the 3 bonds - all I had laid by, while in N. - & will
soon be compelled to take my son from
College, with ^{out} some assistance while working

into practice. If any thing yet remains and
you can favor me with some position
you will greatly oblige a needy & tired friend
besides showing ^{the reports} from you, reflecting on
my Medical practice and me.

Very Respectfully,

J. H. Russell M.D.

Wishing

several years of incessant
labor may be rewarded
by a final success and
that you may be assigned
to a sphere where the
result may be of equal
importance to the Country
