Gen. O. O. Howard U. S. A.

Washington D. C.

Dear Sir,

I am very  
desirous to obtain from the  
President an appointment  
'at large' for my son Walter  
Brown Fairfield, as a Cadet  
at the Military Academy  
at West Point.

He was nineteen years old  
in October last, & graduated  
at the High School in Waltham

Mass. last July. He has a  
fine certificate in his favor  
from the Principal of the school.

Thinking that a letter of  
recommendation from you  
to the President, in his favor,  
would be very valuable to me,  
I take the liberty of soliciting  
such a letter from you.

If you will send such a  
letter to me at West Grove N. C.  
it will be esteemed a very  
great favor by Your former  
College-mate & Friend  
George A. Fairpie  
Apt. Wp. Crast

BOSTON, Mar. 5. 1869.

Gen. O. O. Howard,

Dear Sir,

A year ago to-day I  
received your second gift of \$15  
for our friend Rev. Abram  
Bingham, which I sent to him.

You will see from the enclosed  
(which please return to me)  
that he is still needy. I presume  
your charity-purse has many  
& large demands made upon it.  
We have much to be thankful for  
in our new rulers, for whom many  
supplications have been presented.

Yours truly,  
H. Hill

P.S. I wrote to you Dec. 17, but I  
presume my letter failed to reach you.

My dear friend

Dear Sir,

I have the honor to acknowledge the receipt of your letter of the 15th inst. in relation to the matter of the Boston & Lowell Railroad. I am sorry to hear that the matter is still unsettled. I have been very busy lately, and have not had time to attend to it. I will, however, endeavor to settle it as soon as possible. I am, Sir, very respectfully,  
Yours,  
Wm. Lloyd Garrison

MAR 11 1869

Washington, Mar. 5<sup>th</sup> 1869,

Maj Genl O. O. Howard  
Chairman Building Committee  
of the First Congregational Church }  
General

I would respectfully reply to  
your note of March 3<sup>rd</sup> in regard to furnishing  
drawings of the stone work for the Church to  
Mr Harney, by referring to the Contract between  
the Building Committee and Mr Harney  
which says. — "It is also agreed that the  
said Architect is to superintend the work  
while in progress and is to decide whether  
materials furnished and work done are or are  
not according to plans and Specifications aforesaid  
and if the materials furnished and work  
done are not according to plans and specifica-  
tions, the same shall be altered and made  
good before further progress of the work."

The work done on the Building last  
fall, especially on the main tower, is not  
done according to the specifications. The

walls to the Pastor's study, and the Chimneys  
and Judgments, have been left in such  
Condition that the building is going to run  
as fast as possible - Therefore, I am  
in duty bound to stop all further progress  
of the work until this part is made good  
and for that reason did not furnish  
Mr Harvey with the drawings referred to  
though I will mention here that Mr Harvey  
has not called for them himself.

As Mr Harvey has in no way  
complied with his Contract and as I  
firmly believe does not intend to complete  
it, I respectfully suggest that a meeting  
of the Building Committee be called, and  
steps be taken to have Mr Harvey, or  
some one, put the building in proper  
Condition and complete it as soon as  
practicable.

Very Respectfully Yours  
Henry R. Clark Secy

Washington, D.C.

General:

In reply to your endorsement of the 2<sup>d</sup> instant, on application of Lieutenant R. E. Whitman, to be detailed on Signal Duty, I have the honor to inform you that no application for the detail of particular officers is made from this Office, and that officers are usually sent here for instruction by order of the War Department upon recommendation of the Commanding Office of the Department in which they are serving. Thus far it has been the practice to detail only one officer from a Department.

The name of Lieut. Whitman has been placed upon a list of applicants whose claims will be considered as soon as the officers specially detailed have been thoroughly instructed.

I am, General, Very Respectfully,

visit to Annapolis, until your  
return to Washington. I  
consoled myself with  
the prospect of seeing you  
shortly after at your

I mean now to visit

Major Gen. O. O. Howard,  
My dear sir.

Pardon the liberty of a letter from one who has not the pleasure of personal acquaintance. But I know you and love you as a disciple of Jesus Christ. I heard a portion of your address in Rev. Noble's Church, this city, a few weeks ago. God bless you!

I have mailed you my sermon on "Radical Reconstruction" and "Memorial Tribute" to Dr. Sticklon, late Chaplain to Congress, which please accept with my compliments.

It is my purpose to attend, as a fraternal messenger, the Maryland Conference of the M. P. Church, Georgetown, D. C., next week. Expect to be in Washington City neighborhood over Sabbath,

The 14th. Think of worshipping in the  
city—perhaps in the Congregational Church.

It would be a privilege to meet  
you some time during my visit. If  
agreeable to you, please drop me a  
note to Georgetown P.O.—care of the  
Rev. L. W. Bates, D.D.—pastor M.P.Ch.

My Dear Sir:

You will not remember my humble name among the multitudes introduced to you at the Cong. Reunion in W. Beecher's church; but are no doubt familiar enough with similar applications from strangers not to be greatly amazed at my boldness.

We learn that Mr. W. W. Brookings, of Yorktown, has been named for appointment as Governor of Dakota, & that he would like the appointment. Knowing yr. deep interest in the work of our denomination in Western West, I thought it might not be amiss to say to you that though Mr. B. is not a professed religious man, he has done

very much - perhaps more than any  
other man - for the Securing of  
Capt. Chas. Porter in Yankton, &  
now doing nobly in sustaining Rev.  
W. Ward, an excellent friend of mine  
when this Socy. sent (with his young  
wife) to help to suppress them.

It is not at all on a basis, connected  
with political affairs; but it does  
seem as if Mr. B's appointment - rather  
than that of some officer or unbeliever  
w<sup>d</sup> be a great help to the cause of  
religion in that Territory.

His wife is a sister of Rev. W. Wheeler,  
Hartford (A. B. C. F. M.). Mr. W. called  
our attention to W. B. in 1st place; &  
Mrs. B. have no doubt has much to do  
with his interest in religious things in the

I know personally none of our N.Y. New  
of Congress, & have taken liberty to say  
these things to you, that if you should  
have opportunity to say a word for W. B.  
& though it were to do so, you w<sup>d</sup> help  
on work in Dakota.

If you judge it not wise to speak  
of the matter, please let this be as if  
unwritten; & I shall not doubt  
either your wisdom or kind feelings.

With sincere respect,  
& all best wishes,

Faithfully

Yours,

OFFICE OF  
Superintendent of Public Instruction,

Tallahassee, Fla. March 6<sup>th</sup> 1869

Sir

My dear General,

In spite of the many troubles in this state of late the legislature adopted the school bill which I prepared for them without a word of amendment. It is the result of much hard study, patient thought and an honest desire to be guided by the All Wise Father who is still with us in our struggles.

The people are accepting it with evidences of marked satisfaction. Democrats are the first to ask for teachers for schools having colored & white under the same instruction. We are getting a good selection from all classes to act as school officers including the best men of the class recognized as the "wealthy & cultivated." The prospect is altogether cheering.

Your Aft. Comm. & Pub. Schs. are doing admirably well. I wish you would

Certainly then, They need more funds.

There should be twenty new school  
houses erected this season for the freedmen,  
where there are none now. & where they  
could have schools conducted under the  
State law if they had the buildings.  
Cannot you extend some further aid  
in that direction?

I send you a copy of the  
School Law - which, permit me to com-  
-mend to your perusal - It is calculated  
specially for the South - Please inform  
how you like it.

Impeachment has made some ugly  
scars among republicans in this state. Time & a  
Christian forbearance alone can heal them -  
Sincerely your friend & sister L. Thurston
