

Charleston, Aug. 1<sup>st</sup> 1799.

Maj. Gen<sup>l</sup>. O. Howard:

My dear Sir,

You will remember  
my remarking the multiplicity of  
calls upon your kind offices, &  
perhaps your own reply, that had  
you all power, like your Master,  
you should like nothing better, than  
to be always engaged in responding  
to them. And this note comes, to ask  
your interests in the case of Mr. O. Ord-

may, Clerk in the 3<sup>d</sup>. Auditor's Office,  
who is at present sick in Charles-  
town, where he came hoping to be bene-  
fited by the sea-air. This disability  
was brought on by his labor in N., as  
his Chief Clerk has testified. Were  
he in N., his pay would be contin-  
ued, but in his sensitiveness lest  
he should ask too much, he request-  
ed "leave of absence sick pay";  
which was granted. And, yet, his  
family and his salary, as means  
of support. This I am accused of

Mrs. Ordway, a member of the church  
in Lowell, of which I was once pastor.

Mr. & Mrs. O., by the way, are now asso-  
ciated with the 1st Cong. Ch. in N. H.

Now, could I interest you, to say a  
word to Mr. Tullick, who has authori-  
ty in such matters, so that Mr.  
O.'s salary may be continued?

I ought to add, that Mr. O. lost  
largely in the South, where he was  
in trade, on the breaking out of the  
rebellion, & that himself & wife are  
among our most worthy & intelligent

New England people; & that anything  
you can say in his behalf, would  
be warmly appreciated by them,  
as well as by Mrs.

Mrs. J. C. Rankin

Dear Brother

Mr. Bardwell, just returned from Miss. informs me that Mr. Lynch has been reappointed <sup>as</sup> Capt. He says <sup>from there</sup> Mr. L. is ill-suited to the place. ~~Other~~ <sup>other</sup> ~~lecturers~~ <sup>lecturers</sup> inform me of the bad reputation he has as to drinking. I thought you must lack this information or he would not have been reappointed.

Mr. Bardwell is not to return so could not be advised by any selfish motives besides he is, I think above them. I have word also that Mr. Stringer lately appointed is very illiterate. A long letter from Gen. H. M. Whittlesey <sup>tries to</sup> explain why there has been so much delay about the Dugloo transaction but does not say that Capt. Pease has yet received instructions how to make out the necessary vouchers for the purchase of the building - Capt. Pease does not

( 2 )

seem to know how to do this though I  
told him over - last April. When  
the building has been constructed by the  
Bureau and paid for (\$ 15,000) then we  
can procure the deed of the land at once  
from M<sup>c</sup> Gee.

2. The statement concerning the Chick  
saw fund is clear. Could not a resolution  
extending the time of Colonization be got through  
the next Congress. If so the freedmen or some  
of them could easily be moved when Gov<sup>t</sup> land  
Arkansas and the money would be enough  
above the expense of moving to establish good  
schools among them. We found ourselves  
so much in debt at our Oberlin meeting  
we cannot well undertake any new enterprise  
unless we see whence the money is to come  
\$120,000 in debt! — I could not write  
about these things officially just as I wanted  
to put them before you. — 3. I intended to  
mention in my letter about Gen. P.

( 3 )

that your aide de camp, Maj. Swain  
is I am told a relative or at least  
a family connection of Gen. R. and  
that Maj. Swain helped Punkle out  
of trouble with you once before. Gen.  
Punkle himself told me this last  
post.

Your post letter was here on  
my return from Louisville. I will try  
Mr. Scammon & Mr. Farwell (for the  
University) though the latter has just begun  
a new benevolent subscription to cost him  
\$100,000 - a public library for Chicago.

I expect Rowland out here sometime  
for 2 weeks in September - though  
it is not definitely settled. You did  
not answer all the points in my letter  
on which I wanted light.

Affectionately  
A. Howard

P.S. I am particularly pleased to know  
Lizzie is getting on so well - Give my  
love to her & the rest.

Maj. Gen. O. V. Howard

Dear Brother,

After writing you from Louisville I saw again the City officer referred to. I still lack confidence in him but perhaps you will feel inclined to push the investigation further from what he said. He professed to have visited two gambling houses after I saw him and that the keepers told him that Gen. R. was accustomed to visit them and that he made \$800 at once on low time - that he had lost \$2000 and that his principal game was Roulette. I have a letter from a colored man Geo. W. Brown, a copy of which, he has sent you - evidently instigated by Gen. Runkle or Mr. Speed. Brown expressed

himself as uncertain about the grounds  
but your clear testimony as to the course  
he kept and seemed fully convinced of  
his libertinism. He told me he knew  
nothing whatever about his gambling and  
was not in a situation to know.

I have thought if you wished to make  
a change without further trial that it  
would be well to send a new D. O. and  
perhaps retain Runkle as Supt. of Education  
removing his Head quarters to Lexington or  
Covington. If at the latter place he would  
be seen frequently by <sup>Rev.</sup> Mr. Crovate who  
would know if he kept true to his promise  
not to drink any more. I thought  
Brown would be a good officer for D. O.  
at Louisville or perhaps Von Derlip in  
you do not wish to spare Messrs. Brown.

Respectfully yours  
C. M. Howard

Maj. Gen. O. O. Howard  
My Dear Sir

In my work  
for our College I have  
frequent inquiries about  
your work. I have taken  
pains to meet prejudices  
among many good men  
in New York & New Jersey.  
I regard your Institu-  
tion as an important  
auxiliary in all our  
enterprises for the Colored  
people; & so far from being  
antagonistic, I feel cer-  
tured it is cooperative  
with not only all our  
Schools for Colored Students

that also with all the edu-  
cational enterprises of  
Washington City.

In my own mind, from  
all our free intercourse  
I am satisfied you so  
judge. If I am right  
I should be glad to have  
from yourself whatever  
you are willing or de-  
sires I should say. I  
am working for our  
great centre; have devo-  
ted myself to it wholly for  
twenty eight <sup>years</sup>; & with  
God's help shall still do  
so conscientiously & ear-  
nestly. I feel that your  
heart is as mine. I would  
not do anything in any  
line of effort that will

not conduce to the good of  
all.

I go to Boston Monday  
where I shall doubtless  
meet more enquiries of the  
same nature. If you think  
best let me have a very  
few lines from you address-  
ed to me "Care of E. H.  
Smallwood, Box Beech &  
Lincoln Sts. Boston". If you  
see no occasion do not  
take the trouble to write.  
Yr. friend & co-laborer  
G. W. Garrison

P.S. I have pondered some  
time the propriety of this com-  
munication. I always do what  
after thought I think duty.  
My father & wife came out of  
the Congregational Church &  
always have loved it. I think  
I do!

Dear Sir,

Yours of Aug. 4<sup>th</sup> conveying the gratifying intelligence of my unanimous nomination to the Professorship of the Latin Language is received.

I prefer that Professorship, and if elected I will accept as soon as I can be spared from my present field of labour in the South.

I shall pass through Washington on my way South next month, and will then see you, and come to a final decision with regard to the House.

Dr. Schiff of New Haven promised me two years ago that he would aid one of the boys when he was ready to go

to [unclear] [unclear]

I then referred him to you, and  
he said he would correspond with you.

Dear Sir

I have the honor to acknowledge the receipt of your letter of the 27th inst. in relation to the proposed purchase of the land owned by the Providence Gas & Light Co. for the purpose of erecting a furnace and boiler for the use of the city. I am sorry to hear that the land is not available for the purpose. I am, however, glad to hear that the Providence Gas & Light Co. is willing to sell the land for the purpose. My dear General

You are right in the belief  
that I will rejoice at anything  
that shows favorably for the  
University. I congratulate you  
upon your success thus far toward  
aid the "endowment." I wish I  
had a hundred very rich friends.  
They should each subscribe a  
thousand dollars, at least, toward  
swelling your subscription list.

I am almost of the opinion that  
you are the most successful  
man in the world in the securing  
of money for educational aid

religions people. If all men  
were equally well disposed in the  
same direction there would be more  
joy in the world, and less selfish-  
ness.

I have often observed in North-  
ampton the form and influence of  
the Roman Catholics, and the as-  
similation with which these, as  
elsewhere, they select the most  
commanding points for their  
churches and schools.

I now rejoice in this, that  
Harvard University looks down  
upon them all, and from the  
very eminence of its position  
compels attention, and must elicit  
wise thought. But the chief charm  
is this, that in its principles it

stands high. Exceeds them nations and them men
