In the absence of a formal introduction to you, I know of no better, or more fitting way to introduce myself just at this time than by signifying my pleasure to subscribe \$50.⁰⁰ towards cancelling our Church debt, which you have so generously and promptly assumed and paid.

Major Genl. O. O. Howard Major
Washington, D. C.

General,

Now will, in your kindness, please forgive the liberty I take in asking of you a very great favor, but my excuse is that I have no influential friend in Washington to vouch for my claims to a hearing in the War Dept., and as my Character and Services are, to a certain extent, perfectly well known to you, I presume upon that fact to beg your ^{fav} assistance in procuring me the transfer asked for in the enclosed application.

Having been left out in the Consolidation of my Regiment (15th Infantry) with the 35th Infantry, and retained on duty in Texas, and having a strong liking for the Cavalry arm of the Service, in which I had five (5) years experience

on the frontier, induce me to make this
application.

Hoping you will - Pardon me for
troubling you.

I am General
Very Respectfully
Your Obedient-Servant.

Genl W Howard
Respected Sir

I have watched
your course to with the most intense
interest, & rejoiced to see that
you are not only delivered from
the difficulties & obstacles thrown
in your way, but have the prospect
of accomplishing the great ends
& purposes for which you have
struggled so nobly.

It seemed at one time
as if you were beset & hedged
up on every side, but I know
there are many who feel deeply
for you & the object you represent
& more than all I believe our
Divine Savior is in sympathy
with you & your Cause is dear
to the heart of everlasting Love

for saying that it seems to me
very important that You secure
the right man for Your Church in
Washington after Your past experience
& it is on this account alone that I
take the great liberty of asking You
whether You are fully acquainted
with the qualifications, character
& antecedents of Rev. Mr. Rankin
of C. who is said to have a call
from Your Church in Washington
& if he is a true & earnest advocate
of the great objects You have in view
he has failed to manifest it, at
the very time it was most needed.
In a late conversation with my friend
Dr. Gulliver (now of Galesburg) we both
agreed that Rev. G. Buckingham Wilcox
of London would do You most
admirable service & would be as
true as steel to all Your principles
& purposes, & it is but just to him

to say that he has no knowledge of our
opinion, or that I have told them Yourself
on the subject — He is a relation
of Dr. Barton's by marriage & is at present
supplying the pulpit of New St. M. & Beecher
in his vacation —

Wrote You entirely above board & seems
to seek information — But consider
Your Cause of more importance than the
position of any man —
With sentiments of sincere
regard I am Yours very respectfully

Auditors Department - Room 2.

Custom House, New York.

September 6th 1869.

General,

Pardon me for this attempt - to enlist - your aid in my behalf, for it is only after mature thought - and with the advice of friends, that I address you; In 1861, I enlisted as Sergeant - in the 23rd Mass Vols, and lost my Leg at the battle of New Bern N.C. Mch 14th 62. was discharged, and re-entered the Service as 1st Lieut. ~~and~~ R. L. M. 35th U.S.C.V. and served with this organization in all its Active field Service, Morris Island, Florida, ~~and~~ South Carolina. Was appointed Captain in the 104th U.S.C.V. and assigned to duty on the Staff of General Saxon - after serving in this capacity - for some six months, my Appointment as Captain was revoked, on no other grounds than I had "lost my leg in the Service of my Country (Exhibit - II. Special orders No 501, A.G.O. Washington D.C. Sept-19th 1865.) and returned to my rank ~~and~~ position in the 35th Regt. Subsequently - I was appointed Major by Brevet and served on the Staff of Major General Daniel E. Sickles, until June 2nd 1866. When I was "mustered out" with my Regiment. Causes of a private nature prohibited me from saving any of my salary as an Officer; with nothing put away against a possible hour of distress, and at a salary so small as

to preclude any hope of saving for the future, if I properly support my family in the present.

During last-falls Political Campaign I took a very active part for the election of Genl Grant, - Organizing "Grant & Colfax Clubs", "Boys in Blue" etc, which is vouched for by Generals Graham and Sickles in letters addressed to Moses H. Grinnell Esq. Collector Port of New York. urging my appointment to the position of "Inspector of Imported Segars." The very last-thing Genl Sickles did before sailing for Madrid, was to write Mr Grinnell, calling his attention to my case, and referring to his previous letter and Interviews in my behalf. Col Frank C. Howe ^{also} has had several interviews with the Hon Collector for the same object; other gentlemen equally prominent have written him; but so far without success; Since filing my application for the above mentioned position, another has secured the Appointment; his name is Harvey and comes from Washington where I understand he has held a Clerkship for a number of years in the Treasury Department.

If it is so fixed that I can't have this position (?) I will then ask for that of a Gauger, and to this end, I respectfully solicit your aid and Influence, relying on your indulgence for a full pardon for engrossing so much of your time, and for presuming to address you on a

Subject - wholly personal.

I am, General, very respectfully,
Your obedient servant -
John D. Terry.

Charlestown, Mr.,

Sep. 10th 1869.

Dear General:

I have been
a week along the coast
of your native State, & among
"the blue rocks" in St. John &
Frederickton, N. B., I find a
package of letters awaiting me.
Yours reached me, however, before
I left home, & I was rejoiced with
you at the manner in which the
mutilation was removed. It was "grand
& generous." I should have replied

was spending too much time in my
sermons for yesterday, all of which
I wrote, reading to & for in my book,
with my notice as a writing desk.

I have just written a "Boston
Letter" to the Standard, whose corres-
pondent I have been ever since
its establishment, & had some
little sadness to feel that it was
probably my last letter in that
capacity. The Chancery began longly
around Plymouth Rock & Waverley
Hill monument. But even England
is not a place, but a spirit, &
principle: & where that is, or where

it shall be at home.

I have received Rev. Hodges'
letter containing the very kind as-
surance of the church respecting
salary. I am more than satisfied.
I feel that I can leave myself
in your Christian hands, & that
God will help us to work together
for the glory of His Son.

I lay the case before my
church here next Friday evening.
Yesterday was communion. I durst
not think that it was probably our
last together. I am happy to know
that you are praying for me.
