My dear General:

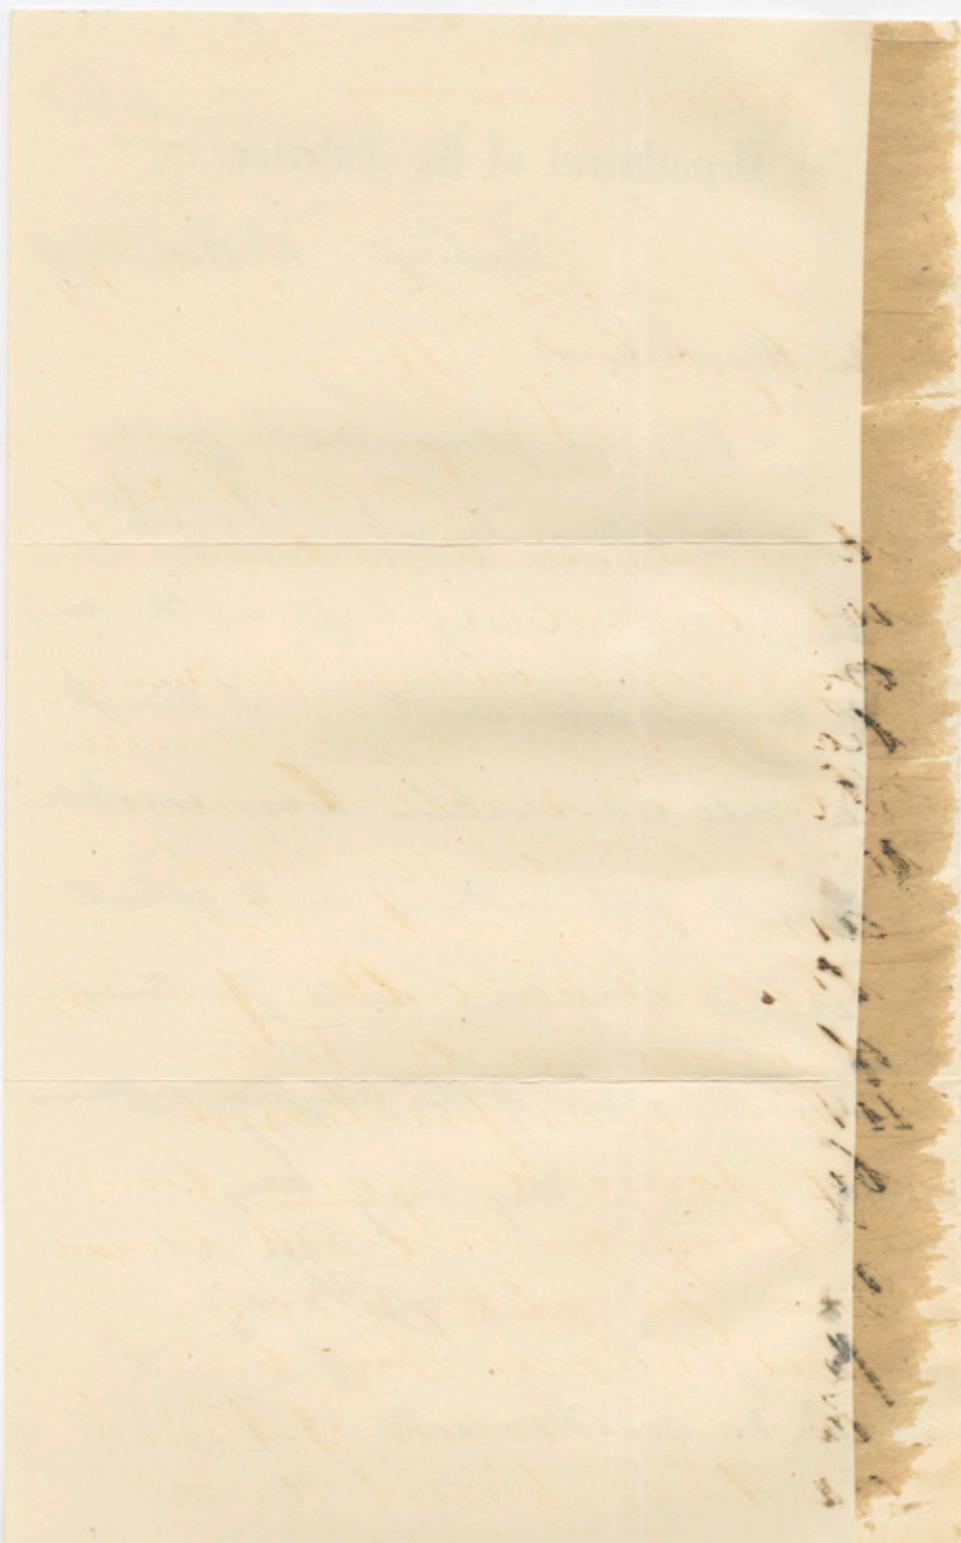

Will you please talk fully
with the bearer, by whom I send
the paper already left with me
of a new affidavit. I think
a full conversation may enable
you to feel certain as to what
ought to be done as to further
investigation of the Asylum affairs.

Washington, D.C. Nov. 15th 1869.

Dear General:

On the 6th. inst. I mailed
you a note enclosing a letter of recom-
mendation written by the Rev. W. F. L.
Weech for a Mrs. Byron, a worthy mem-
ber of our Church, whose husband had
recently lost his eye-sight, and who desires
a situation in the U. S. Treasury. I sent
you the application hoping you would
endorse it, & requesting you to return it
to me at No. 159 "G" Street North.

As it has not yet been received,

I drop you this note with the request
that you will return the application with
your action thereon by return mail. The
lady is anxious to secure a situation
if possible, as she has a small family
which will now be dependent upon her
for support.

Dear Mother

I received your letter of the 10th and was glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present. I am still in the same place and doing the same work. I have not seen any of the old friends here. I have not time to write you more than a few lines. I will write again soon. Give my love to all the folks. I am, dear Mother, your affectionate son, John Smith.

Gen. O. O. Howard,

My dear Sir,

I hardly know whether to send you the report of your Mt. Vernon address.

I did it hurriedly, & abridged it to suit the limits of a country paper; and the printer has not improved it.

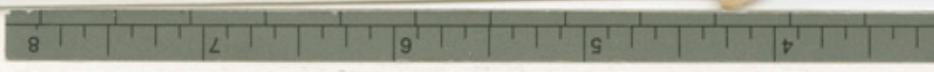

I hope you will overlook the errors of an unprofessional reporter & accept at least the goodwill intended.

Believe me to be

Most faithfully yours

Julia A. Shearman

Dear Sir

In accordance with the arrangement with the Young Men's Christian Association you are I believe to lecture here the two weeks from last night - and to speak on the previous Sabbath evening in Tremont Temple - The subject upon which you are to speak on Sabbath Eve was left entirely to you - Since the arrangement was made with you some of our denomination and I regret to say my own pastor Dr. Webb among the foremost here sought to organize in the Congregational denomination a direct opposition to the plan of procuring

a building for the Association
and in the Congregational
Club the other night attempted
by vote to prevent our denomination
which is perhaps the ^{most} wealthy of
all, from making any contribution
whatever - Mr. this they failed however
and one of our denominations Mr.
Durant has pledged \$5,000! - Under
these circumstances we believe it be-
comes us to move with caution under
God's direction and I have therefore to
request if agreeable to you to request
that on Sabbath Eve you will speak
on the work of Young Men's Christian
Associations and that we have authority
to so announce it - and specially invite
many gentlemen to hear you -
