Genl. A. C. Harard  
Dear Genl.

Will you be willing to interest yourself in my behalf again. The Office of Supervisor of Ind. Pen. for both the Northern and Southern Districts in this State is vacant, the former by death of the late incumbent, and the latter by resignation of Genl. Young.

I would like to learn one of those places. It would pay me more than my present place, but more than that, would make me to be with my family, as I would come to this State.

I believe that the Commissioners, have not made those appointments local in all cases.

I think that I have given satisfaction to the Dept. while I have been in its service, and feel very confident that I could discharge the duties of Supervisor satisfactorily, and aid materially in the collection of the revenue. If you feel at liberty, and can consistently

I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the Office of Supervisor of Ind. Pen. for both the Northern and Southern Districts of Ohio. In regard to the former by death of the late incumbent, and the latter by resignation of Genl. Young. I would like to learn one of those places. It would pay me more than my present place, but more than that, would make me to be with my family, as I would come to this State. I believe that the Commissioners, have not made those appointments local in all cases. I think that I have given satisfaction to the Dept. while I have been in its service, and feel very confident that I could discharge the duties of Supervisor satisfactorily, and aid materially in the collection of the revenue. If you feel at liberty, and can consistently

do so, will you speak to Mr. Delano for me.  
I think he is now absent, but will return to  
Washington early next week.

I am already engaged  
in the Dept. very heavily, by the late Senator  
Tappan, our present Senator from Maine. Gov.  
Chambliss and other prominent home friends.

Thanking you for your indulgence and  
many acts of kindness in the past.

I am very truly yours.

F. D. Lowell

P.S. Mrs. Sewall has been with me, until within a  
few days, she has returned to Maine. I expect  
to be sent to Kentucky soon. Can I do anything  
for you there. Please be kindly to your  
family. How is Johnny?

Dear General.

Commencing business in a new sphere and yet in one whose essential principles are not new to me, I have some solicitude as to the result; and yet if an untiring industry and attention to the duties assumed, are to be taken as guarantees of success, I think I may flatter myself that this solicitation for your patronage and influence will not be made in vain.

A SPECIALTY will be made of LAND MATTERS, with a good prospect, it is believed, of being able to give full satisfaction, as eleven years' experience in this branch of the public service has familiarized him with all its legal requirements, and the good-will and entire confidence of the present heads of the Public Land Bureau and the Department of the Interior, give him facilities for success possessed by few others.

My Dear Sir,

I reached this place on Wednesday Afternoon,  
yesterday being "Thanksgiving" I was prevented  
writing you, having to attend service in the  
forenoon. My first duty to-day is to address a  
line to my excellent friend at Washington.  
How can I be sufficiently thankful for  
all your kind care & attention to me?  
How words are utterly inadequate to express  
all that I feel. For your magnanimous

I enclose the \$5.00 with many thanks.

My dear sir

I am obliged  
to be in New York this  
week. And it may be  
till Dec. 1<sup>st</sup>

I am desirous that,  
if any thing is due to  
Mr. Eleas, for this month  
to have it placed to  
my credit, at the 1<sup>st</sup>  
Nat. Bank - or the  
Check sent to my  
House 318 N<sup>th</sup> - which will  
be the same thing.

I have provided for

The Check. I sent you  
one of 1000. \$, which  
will be paid, in any  
event. - But I have  
been obliged to pay  
all of my liability for  
Mr. Evans. And am  
very desirous, that he  
should begin at least  
to pay me -

He agreed with me,  
to turn (whatever you  
bought of him) to me  
at the close of each  
month. But I now

learn from another source  
that he proposes to  
turn only one half.

If he is let off  
with one half, this month

I fear by the time  
he wants pay, any-  
Still I am  
sorry to trouble you  
about this matter.

Dear Sir

The experience of the past summer has shown us, that public temperance meetings are necessary to carry on the Temperance work successfully, and Howard Div. intend to keep them up during this winter, but as they cannot be held in the open air, as in summer time, increased effort will have to be made, to get audiences

We intend giving a series of free lectures. During this winter, and to make them attractive, and to get plenty of hearers, will strive, to make them some

Brs. Howard,

We are most  
happy to testify and report  
to the Young Men's Christian  
Association of Washington,  
that we feel that Bro. Parks  
visit to this part of our city  
has proved the instrumentality  
of commencing a precious  
revival season in our midst,  
arousing Christians to activity  
and pointing sinners to the  
Sanct of God who taketh  
away the sins of the world.  
From the attendance  
and interest manifested

at the Association held last  
Sunday evening in the South  
Baptist <sup>Church</sup> and the crowded, earnest  
union meeting held at the  
S. St. M. E. Church last evening  
(where we remembered Bro. East  
and Washington), we have  
abundant reason to believe  
that the work is a genuine  
work of God's grace.

We most ardently  
pray that Bro. East's mission  
to the Capitol of our nation  
may prove effectual in bringing  
about such a revival of pure  
and undefiled religion there,  
that its influence may be felt  
throughout the world.

Pray for the rapid and  
healthy growth of our young  
Association and for the good

of General in South  
Boston. Our Association  
would be happy at any time  
to learn of the prosperity and  
workings of your large  
Association.

bonds of Christ Love.

Dear sir,

As I am not mistaken I have heard  
that you do not sympathize with secret  
societies, especially masonry. My object  
in writing to you is to ascertain whether  
Chief Justice Chase is a Mason or an  
Oddfellow. Until recently I had supposed  
that Chase was a mason, and am not in-

do not hesitate to declare myself a strong  
anti mason. Please answer and oblige
