Dear General

It is now nearly
half past five & it will
be after six before I can
reach the University - Moreover
the arrangement was conditioned
- at & depends on the state
of the weather - Mr Stewart
and myself agreed this
morning at the 15th St
Church Church that it wd
best to postpone the app^t
until Sat & he was to let
you know - but it seems
he failed to do so & it is
now too late - so the app^t
must be deferred until
next Sabbath - In great
haste

Upon Consultation
with the Committee it is thought best
to have your lecture occur on
Monday evening, March 14th, as
the Hon. Carl Schurz will not be

If agreeable to you we will

announce it.— If Monday evening
March 14th is inconvenient for you,
will you be kind enough to drop
a note to the "Chronicle" or receipt of

this, and request them to change the
notice to Friday evening March 11th,
as agreed upon at the interview
with you?

Am sorry to trouble you
thus, but as I leave in a few

way to arrange it.

Genl C. C. Howard

Dear Sir

I this day deposited in the Savings Bank \$30 to your credit to pay my note due to you tomorrow.

I rec^d a letter from my daughter stating that she had shipped to me 2 more BBLs of Clothing for the poor of the Freedmen's Village, and also stating as follows viz "I wrote Mrs Field some weeks since, I expect she may send a BBL which may reach you with the others directed to Genl C. C. Howard."

I explained in my letter to my daughter that the \$30 000 voted by Congress was for the relief of the destitute of the District, and that those at the Freedmen's Village did not get any of it, nor any relief from the State of Virginia, and requested her as a particular favor to help those of the Village to keep them along, until Spring opened, when they could get work; she sent my letter to my niece at Dedham and requested her to interest herself for their behalf and I enclose Mrs Field's letter in response thereto, which I rec^d this day, which you will please read and return to me.

On the 16th day of January 1868 I wrote to Senator Henry Wilson setting forth, that the Claims of my Nephew should be taken into consideration &c &c a copy of which please find enclosed, after which I called on him, and he stated that he had called on you, and that he could not get you to do any thing for

him; on leaving his house, I went directly to see you and as soon as you read the enclosed copy, you raised him to pay to \$100 per month, and paid him that amt. until the last December, at which time you dismissed him.

Can't you consistently have his account made out by Gen^l Ballou who has all the means of doing so, so that he may receive the amt justly his due for the labor performed by him? Can not this be done either through you, or by laying the matter before the Sec^y of War? as under your explanation I have no doubt it will be allowed, especially if you prevail of Mr Wilson to present the case to the attention of Congress, which I think he will do, as he thought at the time it should be allowed.

My Nephew has not had a days employment since he was dismissed by you and if you could consistently remove Mr Riggle's (Insurance Agent) son, and put him in the position made vacant thereby, it would be of great benefit to him, and for which he would feel himself under great obligations to you.

There are two young men under Mr T. Ballou from Massachusetts, one of whom married Mr Riggle's daughter and his (Riggle's) son has been employed in your Dept. before and ever since my Nephew was dismissed.

Hoping you will give the above your serious consideration I Remain Yours

Very Resp^{ly}

Isaac Clark.

Yours ever kind daughter
Religion has felt a very deep interest
in those poor creatures of whom
you have from time to time informed
her, and I trust she will be blessed in
her endeavours in their behalf. She
wrote me about their sufferings and
I have been endeavouring to enlist
the sympathies of our Parish, and the
result has been that after drawing
up a statement of facts concerning
them, a contribution was taken up
amounting to \$34.09 which I shall
send to Genl Howard, in a
check on some New York Bank
payable in Washington to his order,
either for Genl Howard, or your
distribution as you may think
best. The contribution is expressly

for the Freedmen on Arlington
Heights. I am very happy to learn
that Cousin Appleton & wife are
both, as well as yourself, trying to
do what you can for suffering
humanity. The blessing of God
will certainly attend your efforts.
Please remember me with love to
Cousin Appleton and wife. ^{and}
I ever can find money to spare
and have a good opportunity
I should like much to visit ⁱⁿ Wash
and call upon them. Henry & wife
have made you all a call ~~it seems~~
I am glad they did, but it was a
flying visit it seems.

How is your health dear Uncle? I
hope you are as well as usual and
I hope you will visit Boston the
coming summer. We should all
be much pleased to see you.
I think Uncle Ferdinand is feeling
very lonely since Mr Bigelow's

3
death. he has now got to look ^{for} some
new persons to take charge of the
place. I saw Aunt Roxanna last
Wednesday at Rehoboth she looks
feeble. I went to Melrose last summer
to visit Cousin Roxanne Eastman
and was much pleased to meet Aunt
Charlotte there. she calls herself
feeble but looks quite natural. How
scattered, time has rendered our
family, I feel lost and very lonely
when I think of the many dear
ones who have passed on; and
have scattered those who remain
are. I received a letter from sister
Mary Francis last week she had been
confined to the House with severe cold
but was better all the family had been sick
My Ferdinand with Edwin Field my
husbands nephew, visit Mary Francis
at Minneapolis, and also my Carrie
at St Cloud, last August. They found
them all very pleasantly situated

⁴
William is some better than when
here, but will never be a well man
he has a fine Store which he built
and owns, also a nice House
much like the one he left in
Dedham, he is finishing off the
front Parlor, Chamber over it
and the front Hall this winter
Carrie has a handsome House
and every thing that heart can
wish, and a very kind husband
and two dear little girls, no more
which I believe you saw
when in Rep. Carrie has not
been on East since, I wish she
would come. Parker was in
Washington last winter, did

you see him? in Harriet's last
letter she states that Parker had
gone up to one of his lumber
camps to be absent 4 weeks.
I don't know whether he intends
going to Washington and to Boston
this spring or not. He is said to
be very wealthy, Mr Thompson
who was formerly with Mr S Lincoln Esq
corner of Congress & Water St visited
at my Caroline's House the first
of the winter, I saw him quite recent
he told me he thought she was very
happy and that she was very pleasantly
situated. I hope dear Frank that
the money will reach Gen Howard
in safety.

Your loving Niece
Charlotte E. Fields.

Hon. Henry Wilson
U.S. Senator.

Dear Sir,

The object of
this communication, is to represent to ^{you} the fact, that
J. Samples Brown, Mrs. Josephine S. Griffing, and A.P.
Clark, have been conjointly engaged in laboring for
the benefit of the colored people of this District, for several
years past. The enclosed circular, will explain the origin
of the Association under which they acted. The former
named persons Brown, and Griffing, being from Chic.
and the latter Clark, from Boston. When the funds
of the Society run out, the Freedmens Bureau assumed
the indebtedness and paid the salaries &c. Mr. Brown
has been rewarded by Chief Justice Chase with a good
position. Mrs. Griffing applied to Senator Wade and
claimed that she should be paid a fair compensation
for past time as well as present services, and she was
allowed I think one hundred dollars per month,
which was paid by Gen. O.O. Howard. No one has rep-
resented Mr. Clark's just claim and while he has been

receiving but thirty dollars per month, for a long time
he has always, as I well know been one of the most effici-
-ent laborers for Colored people that has been in this
District. And in his position as Chairman of the
Committee of Schools in the Board of Common Council
he has done what would not have done, but for him,
in securing more than fifty thousand dollars for
the colored schools this year, and at the same
time has continued to work in the office of Mr. Griffing
daily, the same as usual. I trust that you will see
the justice of his being paid a salary equal to
that paid to Mr. Griffing, past and present and
consider that as a Massachusetts man he is as
much entitled to equitable treatment, as others.
Hoping you will try to make this matter right.

I am,

Very Respectfully
Your Obed. Servant.
Isaac Clark.

Dear Sir-

I thank you for
your kind cooperation, expressed
in your letter to Guy.

I am happy to say that there
has been no occasion since to
repeat the reproof. The boys have
all been very gentlemanly, and
quiet, and the pleasant manner
in which they bore reproof, and
acknowledged its need, has
endeared them more than ever
to me.

The winter term is always
the hardest in the year, for boys
who enjoy freedom, and fun.
There is so little of out of door

recreation, and their booyant
spirits must have vent somewhere.

The coming term will I trust
be as pleasant to them, as they
have made the last half of this
to me.

I think Guy is doing quite well
in his classes. He seems quite
studious, and has not once annoy-
ed me with the unreasonable hours-
since I wrote you.

I am Sir.
