Dear General

If you come to our city to attend the International Young Men's Christian Association convention we shall be pleased to have you deliver an address in our church, the Plymouth Congregational.

Our pulpit is vacant for the moment but we stand forth as the champions of the Pilgrim faith and order, and think a few words of cheer from one so much beloved by us as you are, would give a new impetus to the cause of Congregationalism in Indiana in this memorial year of jubilee. Hoping to hear you I remain your friend and brother in Christ

Dear General

As I am to leave Washington for several days I ask that you will write me at New Haven Connecticut, instead of here, when you have handed my pamphlets to the members of the Committee, as you proposed. My reason, as you doubtless remember, was that I might mail my circular to those members after the delivery of the pamphlets.

By the foregoing you will oblige

Dear General Howard,

Channing is passing through a severe trial. I feel sorry for him. Yet it may be the means of preparing him for lifes duties! God knows I do not see how firmly & splendidly he will be admitted. Why can't he a representative man? Because not a full blood is no reason. I think Senator Conkling talked foolishly and Com^{rs} Porter if correctly reported made an ass of himself at usual. We never discovered that Channings eyes were defective. It ~~was~~ seems impossible. By the way - I off. some morning to the classes in the University. It is time they were formed. Prof. Whittlesey will know how much. Send me word.

Many inquiries are made for you here. Want to know when you are coming again. My Swift Eugene. I say any time

When you can be sure of a thousand
dollars. But no one can guarantee
that. Let your family come
here the 2^d & remain ^{to be the guests of Prof Jewell.} until the
10th they may go to Woodstock in
the East part of this state to at-
tend a Mass Convention -
Now can you come same time
having first of course attended

It will do you good. and may

Dear General -

Allow me to ask your personal consideration of the letter of Mrs Macalister and to request that you will inform me at the earliest moment practicable, how the benevolent aims of the estimable widow of Mr Macalister's brother may best be attained. It may be superfluous to inform you that Mr M has been one of the most valuable and effective promoters and supporters of the Republican cause, and that in other respects his character and standing entitle him, and any desire he may express, to early and special, and, if possible, favourable consideration. to which allow me to add my personal concern that any wishes of his and of his philanthropic (Kentucky) sister may be realized.

As ever with cordial esteem

Dear Nephew

we have had
much solicitude of late for you, not for
your honor or integrity but on account
the long continued investigation and ^{the} effect
upon your mind & health. the tenor of the
thoughts in one direction upon an unpleas-
ant subject we fear has been worse for you
than the campaign through Georgia
we ^{have} seen but little in the papers & nothing upon
which we could base an opinion what was
the method of proceeding & when it would
close. I was at Augusta last week at the
state convention & visited at Stillwell
Many were solicitous to hear but none
could give information I spent the
sabbath at Farmington & learned it
would be closed about this time
Laura was fully of my views that
you must want relaxation
and quiet & that Aunt & Seely
might afford it for a time
& our home with love and gratitude

would contribute to yours. Lizzie
happens for a time you can
pass back & forward to Summerton
any day I have a good horse for
rides in the vicinity. Come as soon
as possible send me & bring what
is published about this investigation.

Ensign Otis

Dear Miss Lizzie

I have thought so
much about you of late, and felt so
anxious to hear, it must be a great trial.
I have prayed that you may have strength
giving you to bear it that it will yet
come out all right I never have had
a doubt. These great afflictions work
out for us a far more and exceeding
weight of glory. Whom the Lord
loveth he chasteneth I have often thought
why one so good should have so many
troubles but the Lord does all things
right we shall know sometime and
in the end will work for your good

now I know you must need rest and
quiet, last fall I had the promise of a
visit I claim it now. bring all the
family. I will do all in my power
to make you enjoy it and have a
good time do come I feel that I
owe you and Lizzie a debt of gratitude.
I can never repay you have always
done so much for me, I wish you
could be here when our cherries
are ripe. But come just as soon
as you can, Lizzie dont be afraid
of making trouble I can hire a girl
to help me, it is one that has been
with me over a year I think we can
all get along nicely. my little
boy has had the whooping cough but
got all over it. I want to compare
boys I think mine is something
smart. he is a good boy and a
great comfort - I shall look for
a letter soon telling me when you
are coming yours in love Sam B Otis

My dear Friends,

When you were so kind as to come up & spend Easter with us and address our school. I told you that the church would pay your travelling expenses, from various causes it was neglected, until a few days since - it gives me great pleasure to send this check now, knowing that you can always find some way of spending all such small funds. Since I saw you, I have been on to New Haven to see John & Mary here for a few days. I found them very pleasantly fixed - John here has just had a most successful exhibition of pictures at Yale. Mamie & Lily intend going to West Point for July - Brother John has been ordered
